RESOLUTION BR-2020-16

FURTHER PROVISIONS RELATED TO THE DECLARATION OF EMERGENCY DUE TO COVID-19

WHEREAS, beginning in late 2019, the severe acute respiratory syndrome coronavirus 2, SARS-CoV-2, emerged causing a novel coronavirus disease, COVID-19 ("COVID-19"), which has become a global pandemic; and

WHEREAS, on March 13, 2020, the President of the United States declared the COVID-19 pandemic a national emergency; and

WHEREAS, on March 14, 2020, the Governor of the State of Georgia declared that a Public Health State of Emergency exists in the State of Georgia due to the public health emergency from the spread of COVID-19; and

WHEREAS, on March 16, 2020, the President of the United States in conjunction with the CDC issued Coronavirus Guidelines for America – 15 Days to Slow the Spread; and

WHEREAS, these guidelines contain recommendations on how to protect oneself from the COVID-19 pandemic, including recommendations such as avoiding social gatherings in groups of more than ten people for fifteen days; and

WHEREAS, those guidelines also include a recommendation that communities with evidence of community transmission consider closing restaurants, food courts, gyms, and other indoor and outdoor venues where groups of people congregate; and

WHEREAS, social distancing is recommended by the CDC to prevent the continued spread of COVID-19 in the community; and

WHEREAS, on March 23, 2020, the Governor of the State of Georgia issued Executive Order 03.23.20.01, which requires the State Department of Public Health to order that certain higher risk populations shall isolate, quarantine, or shelter in place for fourteen days; and

WHEREAS, Executive Order No. 03.23.20.01 further orders that no business, establishment, corporation, non-profit corporation, or organization shall allow more than ten (10) persons to be gathered at a single location if such gathering requires persons to stand or be seated within six (6) feet of any other person; and

WHEREAS, cases of COVID-19 have occurred in Hall County, and, according to the State Department of Public Health, the number of diagnosed cases in Hall County has risen significantly in recent days; and

WHEREAS, the Centers for Disease Control and Prevention (CDC) indicates there is evidence of widespread community transmission in Georgia; and

WHEREAS, the CDC and public health officials expect additional cases of COVID-19 will be identified in the coming days; and

WHEREAS, if COVID-19 continues to spread in Hall County, it may greatly strain the resources and capabilities of county government, municipal governments, and local public health agencies that provide essential services, including services for containing and mitigating the spread of COVID-19; and

RESOLUTION BR-2020-16

FURTHER PROVISIONS RELATED TO THE DECLARATION OF EMERGENCY DUE TO COVID-19

WHEREAS, the Northeast Georgia Health System (“NGHS”) has informed elected officials and staff within the City of Gainesville (“City”) that the number of diagnosed cases would be greater if not for a shortage of test kits and delayed test results due to labs being overwhelmed; and

WHEREAS, medical staff and officials with NGHS have informed the City that continued exponential growth of new cases will quickly overwhelm hospitals and healthcare resources in our region, state, and nation; and

WHEREAS, medical staff and officials with NGHS have strongly urged the City to adopt more stringent measures designed to cause more City residents to stay at home to limit the spread of COVID-19; and

WHEREAS, the COVID-19 pandemic has the potential to result in significant loss of life and has the potential to result in a major disruption of community affairs, business services, and governmental operations; and

WHEREAS, the governing body of the City has encouraged adherence to guidelines established by the Centers for Disease Control and Prevention related to COVID-19; and

WHEREAS, one of the purposes of the Georgia Emergency Management Act of 1981 is to confer upon the Governor and the executive heads of the governing bodies of the political subdivisions of the State emergency powers; and

WHEREAS, pursuant to O.C.G.A. § 38-3-28, the City is authorized to make, amend, and rescind orders, rules, and regulations as necessary for emergency purposes and to supplement carrying out the emergency management laws; and

WHEREAS, pursuant to O.C.G.A. § 38-3-6, during an emergency, O.C.G.A. §§ 38-3-1 through 38-3-64 are to be liberally construed to effectuate their purposes; and

WHEREAS, the United States Supreme Court has previously held that “[u]pon the principle of self-defense, of paramount necessity, a community has the right to protect itself against an epidemic of disease which threatens the safety of its members;” and

WHEREAS, the Mayor and City Council of the City of Gainesville have previously declared, in Resolution 2020-14, that an emergency exists within the municipal boundaries of the City due to the outbreak of Coronavirus disease having become a worldwide pandemic, and such emergency continues to exist; and

WHEREAS, although citizens of the City have acted to reduce the spread of COVID-19, the governing body of the City finds that additional measures are needed to reduce further spread of COVID-19;

NOW, THEREFORE, BE IT RESOLVED by the governing body of the City as follows:

Section 1: The governing body hereby continues to encourage citizens and businesses in the City to adhere to directives of the State and federal governments and the guidelines established by the Centers for Disease Control and Prevention related to COVID-19. The governing body of the City encourages citizens and businesses in the City to work together to minimize the impact of the COVID-19 virus. This action is in the best interest of all City citizens and the healthcare providers that attend to the needs of City citizens. The governing body urges all citizens to
