2. Amendments of Loan Agreement - Subject to the fulfillment of the conditions precedent to the effectiveness of this Modification that are set forth below, the Loan Agreement is hereby amended as follows:

Section 2 (a) of the Loan Agreement is hereby amended and restated to read as follows: "The Lender agrees to advance to the Borrower, on or prior to the earlier of (1) the Completion Date (as hereinafter defined), (2) **OCTOBER 1, 2025**, or (3) the date that the loan evidenced by this Note is fully disbursed, the Loan in a principal amount of up to **\$10,000,000** which Loan may be disbursed in one or more advances but each such disbursement shall reduce the Lender's loan commitment hereunder and any sums advanced hereunder may not be repaid and then re-borrowed."

Exhibit A is amended and restated to read as written in the attached Exhibit A.

3. No Other Waivers or Amendments - Except for the amendments expressly set forth and referred to in Section 1 and 2 above, the Note and the Loan Agreement shall remain unchanged and in full force and effect. Nothing in this Modification is intended, or shall be construed, to constitute a novation or an accord and satisfaction of any of the obligations created by the Note.

4. Representations and Warranties - To induce the Lender to enter into this Modification, the Borrower does hereby warrant, represent, and covenant to the Lender that: (a) each representation or warranty of the Borrower set forth in the Loan Agreement is hereby restated and reaffirmed as true and correct on and as of the date hereof as if such representation or warranty were made on and as of the date hereof (except to the extent that any such representation or warranty expressly relates to a prior specific date or period), and no Event of Default has occurred and is continuing as of this date under the Loan Agreement; and (b) the Borrower has the power and is duly authorized to enter into, deliver, and perform this Modification, and this Modification is the legal, valid, and binding obligation of the Borrower enforceable against it in accordance with its terms.

5. Conditions Precedent to Effectiveness of this Modification - The effectiveness of this Modification is subject to the truth and accuracy in all material respects of the representations and warranties of the Borrower contained in Section 4 above and to the fulfillment of the following additional conditions precedent:

a. the Lender shall have received one or more counterparts of this Modification duly executed and delivered by the Borrower; and

b. the Lender shall have received (1) a signed opinion of counsel to the Borrower, substantially in the form of Exhibit E attached hereto, and (2) a certified copy of the resolution adopted by the Borrower's governing body, substantially in the form of Exhibit F attached hereto.

6. Counterparts - This Modification may be executed in multiple counterparts, each of which shall be deemed to be an original and all of which when taken together shall constitute one and the same instrument.

IN WITNESS WHEREOF, the parties hereto have caused this Modification to be duly executed and delivered as of the date specified at the beginning hereof

Ladies and Gentlemen:

A legal opinion from **HULSEY, OLIVER & MAHAR, LLP** was delivered to you, dated **APRIL 28, 2021** (the "Closing Opinion"), relating to the Loan Agreement (the "Loan Agreement"), dated **MAY 14, 2021** between **CITY OF GAINESVILLE** (the "Borrower") and the **DRINKING WATER STATE REVOLVING FUND, ADMINISTERED BY GEORGIA ENVIRONMENTAL FINANCE AUTHORITY** (the "Lender"), and the Promissory Note (the "Note"), dated **APRIL 30, 2021**, of the Borrower. LOAN AGREEMENT

LOAN AGREEMENT

This **LOAN AGREEMENT** (this "**Agreement**") dated MAY 14, 2021, by and between **CITY OF GAINESVILLE**, a Georgia public body corporate and politic (the "**Borrower**"), whose address for purposes of this Agreement shall be **757 QUEEN CITY PKWY SW, GAINESVILLE, GA 30501**, and the **CLEAN WATER STATE REVOLVING FUND, ADMINISTERED BY GEORGIA ENVIRONMENTAL FINANCE AUTHORITY**, a Georgia public corporation (the "**Lender**"), whose address for purposes of this Agreement shall be 233 Peachtree St, NE, Peachtree Center-Harris Tower, Ste 900, Atlanta, GA 30303-1506.

1. **Background** - The Lender desires to loan to the Borrower **TWENTY-EIGHT MILLION DOLLARS AND ZERO CENTS (\$28,000,000)** from the **CLEAN WATER STATE REVOLVING FUND, ADMINISTERED BY GEORGIA ENVIRONMENTAL FINANCE AUTHORITY** (the "**Fund**") to finance the costs of acquiring, constructing, and installing the environmental facilities described in Exhibit A attached hereto (the "**Project**"). The Environmental Protection Division ("**EPD**") of the Department of Natural Resources of the State of Georgia has completed all existing statutory reviews and approvals with respect to the Project, as required by Section 50-23-9 of the Official Code of Georgia Annotated, and has approved or will approve the detailed plans and specifications (the "**Plans and Specifications**") for the Project prepared or to be prepared by the Borrower's engineer (the "**Engineer**"), which may be amended from time to time by the Borrower but subject to the approval of the EPD.

2. **Loan** - Subject to the terms and conditions of this Agreement, the Lender agrees to make the following loan or loans (collectively, the "**Loan**") available to the Borrower:

(a) The Lender agrees to advance to the Borrower, on or prior to the earlier of (1) the Completion Date (as hereinafter defined), (2) **MAY 1, 2024**, or (3) the date that the loan evidenced by this Note is fully disbursed, the Loan in a principal amount of up to **\$28,000,000** which Loan may be disbursed in one or more advances but each such disbursement shall reduce the Lender's loan commitment hereunder and any sums advanced hereunder may not be repaid and then re-borrowed.

(b) The Lender's commitment in paragraph (a) above to make advances to the Borrower shall be a limited obligation of the Lender, to be funded solely from available moneys in the Fund and from no other source of funds, including other funds of the Lender.

(c) The Borrower's obligation to pay the Lender the principal of and interest on the Loan shall be evidenced by the records of the Lender and by the Note described below.

3. **Note** - The Loan shall be evidenced by the Promissory Note, dated this date, executed by the Borrower in favor of the Lender in an original stated principal amount

equal to the maximum amount of the Loan as described above (the "**Note**," which term shall include any extensions, renewals, modifications, or replacements thereof). The Note shall be in substantially the form attached to this Agreement as Exhibit B.

4. Interest, Fees, and Other Charges - In consideration of the Loan, the Borrower shall pay the Lender the following interest, fees, and other charges:

(a) The Loan shall bear interest at the rate or rates per annum specified in the Note and such interest shall be calculated in the manner specified in the Note.

(b) The Borrower agrees to pay all reasonable out-of-pocket costs and expenses of the Lender incurred in connection with its negotiation, structuring, documenting, and closing the Loan, including, without limitation, the reasonable fees and disbursements of counsel for the Lender. The Borrower agrees to pay all reasonable out-of-pocket costs and expenses of the Lender incurred in connection with its administration or modification of, or in connection with the preservation of its rights under, enforcement of, or any refinancing, renegotiation, restructuring, or termination of, any Credit Document (as hereinafter defined) or any instruments referred to therein or any amendment, waiver, or consent relating thereto, including, without limitation, the reasonable fees and disbursements of counsel for the Lender. Such additional loan payments shall be billed to the Borrower by the Lender from time to time, together with a statement certifying that the amount billed has been incurred or paid by the Lender for one or more of the above items. Amounts so billed shall be paid by the Borrower within thirty (30) days after receipt of the bill by the Borrower.

(c) In the event the Borrower fails to request any advances under the Loan within six (6) months after the dated date of this Agreement, the Borrower shall pay the Lender a fee equal to the Lender's Loan Continuation Fee, as published from time to time in the Lender's fee schedules, if the Lender requests the Borrower to pay such fee in writing within twelve (12) months after the dated date of this Agreement, such fee to be payable within fifteen (15) days of such written request.

(d) The Borrower shall pay the Lender an origination fee for the loan in the amount of one percent (1%) of the maximum amount of the Loan, payable on the dates specified by the Lender on not less than thirty (30) days written advance notice.

5. Prepayment - The Loan shall be prepayable in accordance with the terms and conditions of the Note.

6. Authorized Borrower Representative and Successors - The Borrower shall designate a person to act on behalf of the Borrower under this Agreement (the "**Authorized Borrower Representative**") by written certificate furnished to the Lender, containing the specimen signature of such person and signed on behalf of the Borrower by its chief executive officer. Such certificate or any subsequent or supplemental certificate so executed may designate an alternate or alternates. In the event that any person so designated and his alternate or alternates, if any, should become unavailable

or unable to take any action or make any certificate provided for or required in this Agreement, a successor shall be appointed in the same manner.

7. Conditions to the Loan - At the time of the making of each advance under the Loan by the Lender to the Borrower under this Agreement (each an "**Advance**"), the following conditions shall have been fulfilled to the Lender's satisfaction:

(a) This Agreement and the Note shall have been duly executed and delivered by all required parties thereto and in form and substance satisfactory to the Lender, and the Lender shall have received (1) a certified copy of the resolution adopted by the Borrower's governing body, substantially in the form of Exhibit F attached hereto, and (2) a signed opinion of counsel to the Borrower, substantially in the form of Exhibit E attached hereto.

(b) There shall then exist no Event of Default under this Agreement (or other event that, with the giving of notice or passage of time, or both, would constitute such an Event of Default).

(c) All representations and warranties by the Borrower in this Agreement and the Note (collectively the "**Credit Documents**") shall be true and correct in all material respects with the same effect as if such representations and warranties had been made on and as of the date of such advance.

(d) Since the date of the most recent annual financial statements of the Borrower delivered to the Lender, there shall have been no material adverse change in the financial condition, assets, management, control, operations, or prospects of the Borrower.

(e) The Advance to be made and the use of the proceeds thereof shall not violate any applicable law, regulation, injunction, or order of any government or court.

(f) The Borrower shall submit requests for Advances not more frequently than monthly and at least 21 days before the requested disbursement date.

(g) The Advance to be made and the use of the proceeds thereof shall be limited to payment of costs of the Project set forth in the Project budget included as part of Exhibit A and contemplated by the Plans and Specifications approved by the EPD.

(h) There shall be filed with the Lender:

(1) A requisition for such Advance, stating the amount to be disbursed.

(2) A certificate executed by the Authorized Borrower Representative attached to the requisition and certifying:

(A) that an obligation in the stated amount has been incurred by the Borrower and that the same is a cost of the Project and is presently due and payable or has been paid by the Borrower and is reimbursable hereunder and stating that the bill or statement of account for such obligation, or a copy thereof, is attached to the certificate;

(B) that the Borrower has no notice of any vendor's, mechanic's, or other liens or rights to liens, chattel mortgages, or conditional sales contracts that should be satisfied or discharged before such payment is made; and

(C) that each item on such requisition has not been paid or reimbursed, as the case may be, and such requisition contains no item representing payment on account of any retained percentages that the Borrower is, at the date of any such certificate, entitled to retain or payment for labor performed by employees of the Borrower.

(i) The completed construction on the Project shall be reviewed (at the time each requisition is submitted) by the Engineer, and the Engineer shall certify to the Lender as to (A) the cost of completed construction, (B) the percentage of completion, and (C) compliance with the Plans and Specifications.

8. Representations and Warranties - The Borrower hereby represents and warrants to the Lender:

(a) Creation and Authority. The Borrower is a public body corporate and politic duly created and validly existing under the laws of the State of Georgia and has all requisite power and authority to execute and deliver the Credit Documents and to perform its obligations thereunder.

(b) Pending Litigation. Except as disclosed in writing to the Lender, there are no actions, suits, proceedings, inquiries, or investigations pending or, to the knowledge of the Borrower, after making due inquiry with respect thereto, threatened against or affecting the Borrower in any court or by or before any governmental authority or arbitration board or tribunal, which involve the possibility of materially and adversely affecting the properties, activities, prospects, profits, operations, or condition (financial or otherwise) of the Borrower, or the ability of the Borrower to perform its obligations under the Credit Documents, or the transactions contemplated by the Credit Documents or which, in any way, would adversely affect the validity or enforceability of the Credit Documents or any agreement or instrument to which the Borrower is a party and which is used or contemplated for use in the consummation of the transactions contemplated hereby or thereby, nor is the Borrower aware of any facts or circumstances presently existing that would form the basis for any such actions, suits, or proceedings. Except as disclosed in writing to the Lender, the Borrower is not in default with respect to any judgment, order, writ, injunction, decree, demand, rule, or regulation of any court, governmental authority, or arbitration board or tribunal.

(c) Credit Documents are Legal and Authorized. The execution and delivery by the Borrower of the Credit Documents, the consummation of the transactions therein contemplated, and the fulfillment of or the compliance with all of the provisions thereof (i) are within the power, legal right, and authority of the Borrower; (ii) are legal and will not conflict with or constitute on the part of the Borrower a violation of or a breach of or a default under, any organic document, indenture, mortgage, security deed, pledge, note, lease, loan, or installment sale agreement, contract, or other agreement or instrument to

which the Borrower is a party or by which the Borrower or its properties are otherwise subject or bound, or any license, law, statute, rule, regulation, judgment, order, writ, injunction, decree, or demand of any court or governmental agency or body having jurisdiction over the Borrower or any of its activities or properties; and (iii) have been duly authorized by all necessary and appropriate official action on the part of the governing body of the Borrower. The Credit Documents are the valid, legal, binding, and enforceable obligations of the Borrower. The officials of the Borrower executing the Credit Documents are duly and properly in office and are fully authorized and empowered to execute the same for and on behalf of the Borrower.

(d) Governmental Consents. Neither the Borrower nor any of its activities or properties, nor any relationship between the Borrower and any other person, nor any circumstances in connection with the execution, delivery, and performance by the Borrower of its obligations under the Credit Documents, is such as to require the consent, approval, permission, order, license, or authorization of, or the filing, registration, or qualification with, any governmental authority on the part of the Borrower in connection with the execution, delivery, and performance of the Credit Documents or the consummation of any transaction therein contemplated, except as shall have been obtained or made and as are in full force and effect and except as are not presently obtainable. To the knowledge of the Borrower, after making due inquiry with respect thereto, the Borrower will be able to obtain all such additional consents, approvals, permissions, orders, licenses, or authorizations of governmental authorities as may be required on or prior to the date the Borrower is legally required to obtain the same.

(e) No Defaults. No event has occurred and no condition exists that would constitute an Event of Default or that, with the lapse of time or with the giving of notice or both, would become an Event of Default. To the knowledge of the Borrower, after making due inquiry with respect thereto, the Borrower is not in default or violation in any material respect under any organic document or other agreement or instrument to which it is a party or by which it may be bound, except as disclosed in writing to the Lender.

(f) Compliance with Law. To the knowledge of the Borrower, after making due inquiry with respect thereto, the Borrower is not in violation of any laws, ordinances, or governmental rules or regulations to which it or its properties are subject and has not failed to obtain any licenses, permits, franchises, or other governmental authorizations (which are presently obtainable) necessary to the ownership of its properties or to the conduct of its affairs, which violation or failure to obtain might materially and adversely affect the properties, activities, prospects, profits, and condition (financial or otherwise) of the Borrower, and there have been no citations, notices, or orders of noncompliance issued to the Borrower under any such law, ordinance, rule, or regulation, except as disclosed in writing to the Lender.

(g) Restrictions on the Borrower. The Borrower is not a party to or bound by any contract, instrument, or agreement, or subject to any other restriction, that materially and adversely affects its activities, properties, assets, operations, or condition (financial or otherwise), except as disclosed in writing to the Lender. The Borrower is not a party to any contract or agreement that restricts the right or ability of the Borrower to incur

indebtedness for borrowed money or to enter into loan agreements, except as disclosed in writing to the Lender. Any contract or agreement of the Borrower that pledges the revenues of the Borrower permits such pledged revenues to be used to make payments due under the Credit Documents.

(h) Disclosure. The representations of the Borrower contained in this Agreement and any certificate, document, written statement, or other instrument furnished by or on behalf of the Borrower to the Lender in connection with the transactions contemplated hereby, do not contain any untrue statement of a material fact and do not omit to state a material fact necessary to make the statements contained herein or therein not misleading. There is no fact that the Borrower has not disclosed to the Lender in writing that materially and adversely affects or in the future may (so far as the Borrower can now reasonably foresee) materially and adversely affect the acquisition, construction, and installation of the Project or the properties, activities, prospects, operations, profits, or condition (financial or otherwise) of the Borrower, or the ability of the Borrower to perform its obligations under the Credit Documents or any of the documents or transactions contemplated hereby or thereby or any other transactions contemplated by this Agreement, which has not been set forth in writing to the Lender or in the certificates, documents, and instruments furnished to the Lender by or on behalf of the Borrower prior to the date of execution of this Agreement in connection with the transactions contemplated hereby.

(i) Project Compliance. The Project complies or will comply with all presently applicable building and zoning, health, environmental, and safety ordinances and laws and all other applicable laws, rules, and regulations of any and all governmental and quasi-governmental authorities having jurisdiction over any portion of the Project.

(j) Financial Statements. The financial statements of the Borrower that have been provided to the Lender in connection with the Loan present fairly the financial position of the Borrower as of the date thereof and the results of its operations and its cash flows of its proprietary fund types for the period covered thereby, all in conformity with generally accepted accounting principles (subject to normal year-end adjustments in the case of interim statements). Additionally, the Borrower agrees that all future financial statements that are required to be submitted to the Authority will be prepared in conformity with generally accepted accounting principles, including infrastructure provisions of GASB 34. Since the date of the most recent annual financial statements for the Borrower delivered to the Lender in connection with the Loan, there has been no material adverse change in the Borrower's financial condition, assets, management, control, operations, or prospects.

(k) Reaffirmation. Each request by the Borrower for an advance under the Loan shall constitute a representation and warranty by the Borrower to the Lender that the foregoing statements are true and correct on the date of the request and after giving effect to such advance.

(l) Borrower's Tax Certificate. The representations and warranties of the Borrower set forth in the Borrower's Tax Certificate, dated the date hereof, are hereby

incorporated herein and made a part hereof by this reference thereto, as if fully set forth herein, and are true and correct as of the date hereof.

9. Security for Payments under Credit Documents - (a) As security for the payments required to be made and the obligations required to be performed by the Borrower under the Credit Documents, the Borrower hereby pledges to the Lender its full faith and credit and revenue-raising power (including its taxing power) for such payment and performance. The Borrower covenants that, in order to make any payments required by the Credit Documents when due from its funds to the extent required hereunder, it will exercise its power of taxation and its power to set rates, fees, and charges to the extent necessary to pay the amounts required to be paid under the Credit Documents and will make available and use for such payments all rates, fees, charges, and taxes levied and collected for that purpose together with funds received from any other sources. The Borrower further covenants and agrees that in order to make funds available for such purpose in each fiscal year, it will, in its revenue, appropriation, and budgetary measures through which its tax funds or revenues and the allocation thereof are controlled or provided for, include sums sufficient to satisfy any such payments that may be required to be made under the Credit Documents, whether or not any other sums are included in such measure, until all payments so required to be made under the Credit Documents shall have been made in full. The obligation of the Borrower to make any such payments that may be required to be made from its funds shall constitute a general obligation of the Borrower and a pledge of the full faith and credit of the Borrower to provide the funds required to fulfill any such obligation. In the event for any reason any such provision or appropriation is not made as provided in this Section 9, then the fiscal officers of the Borrower are hereby authorized and directed to set up as an appropriation on their accounts in the appropriate fiscal year the amounts required to pay the obligations that may be due from the funds of the Borrower. The amount of such appropriation shall be due and payable and shall be expended for the purpose of paying any such obligations, and such appropriation shall have the same legal status as if the Borrower had included the amount of the appropriation in its revenue, appropriation, and budgetary measures, and the fiscal officers of the Borrower shall make such payments required by the Credit Documents to the Lender if for any reason the payment of such obligations shall not otherwise have been made.

(b) The Borrower covenants and agrees that it shall, to the extent necessary, levy an annual ad valorem tax on all taxable property located within the territorial or corporate limits of the Borrower, as now existent and as the same may hereafter be extended, at such rate or rates, within any limitations that may be prescribed by law, as may be necessary to produce in each year revenues that will be sufficient to fulfill the Borrower's obligations under the Credit Documents, from which revenues the Borrower agrees to appropriate sums sufficient to pay in full when due all of the Borrower's obligations under the Credit Documents. Nothing herein contained, however, shall be construed as limiting the right of the Borrower to make the payments called for by the Credit Documents out of any funds lawfully available to it for such purpose, from whatever source derived (including general funds or enterprise funds).

10. Borrower Covenants - The Borrower agrees to comply with the following covenants so long as this Agreement is in effect:

(a) Information. The Borrower shall deliver to the Lender, within 180 days after the end of each fiscal year, an electronic copy of the financial statements required under state audit requirements (O.C.G.A. Section 36-81-7). Borrower's annual financial statements shall be prepared in accordance with generally accepted accounting principles and otherwise in form and substance satisfactory to the Lender, which financial statements shall be accompanied by a certificate of the Borrower (1) to the effect that the Borrower is not in default under any provisions of the Credit Documents and has fully complied with all of the provisions thereof, or if the Borrower is in default or has failed to so comply, setting forth the nature of the default or failure to comply, and (2) stating the Fixed Charges Coverage Ratio, the Fixed Charges, and the Income Available for Fixed Charges of the Borrower for the fiscal year. The Borrower also shall promptly provide the Lender (A) upon receipt thereof, a copy of each other report submitted to the Borrower by its accountants in connection with any annual, interim, or special audit made by them of the books of the Borrower (including, without limitation, any management report prepared in connection with such accountants' annual audit of the Borrower) and (B) with such other information relating to the Borrower and the Project as the Lender may reasonably request from time to time.

(b) Access to Property and Records. The Borrower agrees that the Lender, the EPD, and their duly authorized representatives and agents shall have the right, upon reasonable prior notice, to enter the Borrower's property at all reasonable times for the purpose of examining and inspecting the Project, including any construction or renovation thereof. The Borrower shall keep accurate and complete records and books of account with respect to its activities in which proper entries are made in accordance with generally accepted accounting principles reflecting all of its financial transactions. The Lender and the EPD shall also have the right at all reasonable times to examine and make extracts from the books and records of the Borrower, insofar as such books and records relate to the Project or insofar as necessary to ascertain compliance with this Agreement, and to discuss with the Borrower's officers, employees, accountants, and engineers the Project and the Borrower's activities, assets, liabilities, financial condition, results of operations, and financial prospects.

(c) Agreement to Acquire, Construct, and Install the Project. The Borrower covenants to cause the Project to be acquired, constructed, and installed without material deviation from the Plans and Specifications and warrants that the acquisition, construction, and installation of the Project without material deviation from the Plans and Specifications will result in facilities suitable for use by the Borrower and that all real and personal property provided for therein is necessary or appropriate in connection with the Project. The Borrower may make changes in or additions to the Plans and Specifications; provided, however, changes in or additions to the Plans and Specifications that are material shall be subject to the prior written approval of the Engineer and the EPD. The Borrower agrees to complete the acquisition, construction, and installation of the Project as promptly as practicable and with all reasonable dispatch after the date of this Agreement. Without limiting the foregoing sentence, the Borrower shall commence and

complete each activity or event by the deadline stated in the Project Schedule included as part of Exhibit A attached hereto. The Borrower shall comply with the bidding and preconstruction requirements set forth in Exhibit C attached hereto.

(d) Establishment of Completion Date. The date of completion of the acquisition, construction, and installation of the Project (the "**Completion Date**") shall be evidenced to the Lender and the EPD by a certificate of completion signed by the Authorized Borrower Representative and approved by the Engineer, stating that construction of the Project has been completed without material deviation from the Plans and Specifications and all labor, services, materials, and supplies used in such construction have been paid or provided for. Notwithstanding the foregoing, such certificate may state that it is given without prejudice to any rights against third parties that exist at the date of such certificate or that may subsequently come into being. It shall be the duty of the Borrower to cause the certificate contemplated by this paragraph to be furnished as soon as the construction of the Project shall have been completed.

(e) Indemnity. (1) To the extent provided by law, in addition to the other amounts payable by the Borrower under this Agreement (including, without limitation, Section 4 hereof), the Borrower hereby agrees to pay and indemnify the Lender from and against all claims, liabilities, losses, costs, and expenses (including, without limitation, reasonable attorneys' fees and expenses) that the Lender may (other than as a result of the gross negligence or willful misconduct of the Lender) incur or be subjected to as a consequence, directly or indirectly, of (i) any actual or proposed use of any proceeds of the Loan or the Borrower's entering into or performing under any Credit Document, (ii) any breach by the Borrower of any representation, warranty, covenant, or condition in, or the occurrence of any other default under, any of the Credit Documents, including without limitation all reasonable attorneys' fees or expenses resulting from the settlement or defense of any claims or liabilities arising as a result of any such breach or default, (iii) allegations of participation or interference by the Lender in the management, contractual relations, or other affairs of the Borrower, (iv) allegations that the Lender has joint liability with the Borrower to any third party as a result of the transactions contemplated by the Credit Documents, (v) any suit, investigation, or proceeding as to which the Lender is involved as a consequence, directly or indirectly, of its execution of any of the Credit Documents, the making of the Loan, or any other event or transaction contemplated by any of the Credit Documents, or (vi) the conduct or management of or any work or thing done on the Project and any condition of or operation of the Project.

(2) Nothing contained in this paragraph (e) shall require the Borrower to indemnify the Lender for any claim or liability that the Borrower was not given any opportunity to contest or for any settlement of any such action effected without the Borrower's consent. The indemnity of the Lender contained in this paragraph (e) shall survive the termination of this Agreement.

(f) Fixed Charges Coverage Ratio. The Borrower shall not permit the Fixed Charges Coverage Ratio for any fiscal year to be less than 1.05. The following terms are defined terms for purposes of this Agreement:

“Fixed Charges” means, for any period, the sum of all cash outflows that the Borrower cannot avoid without violating the Borrower’s long-term contractual obligations (those obligations that extend for a period greater than one year, determined in accordance with generally accepted accounting principles) and that are accounted for in the enterprise fund containing the Borrower’s water or sewer operations, including, but not limited to, (i) interest on long-term debt, determined in accordance with generally accepted accounting principles, (ii) payments under long-term leases (whether capitalized or operating), and (iii) scheduled payments of principal on long-term debt.

“Fixed Charges Coverage Ratio” means, for any period, the ratio of Income Available for Fixed Charges to Fixed Charges.

“Income Available For Fixed Charges” means, for any period, net income of the Borrower, plus amounts deducted in arriving at such net income for (i) interest on long-term debt (including the current portion thereof), (ii) depreciation, (iii) amortization, (iv) payments under long-term leases, and (v) transfers to other funds of the Borrower.

(g) Tax Covenants. The Borrower covenants that it will not take or omit to take any action nor permit any action to be taken or omitted that would cause the interest on the Note to become includable in the gross income of any owner thereof for federal income tax purposes. The Borrower further covenants and agrees that it shall comply with the representations and certifications it made in its Borrower’s Tax Certificate dated the date hereof and that it shall take no action nor omit to take any action that would cause such representations and certifications to be untrue.

11. Events of Default and Remedies – (a) Each of the following events shall constitute an Event of Default under this Agreement:

(1) Failure by the Borrower to make any payment with respect to the Loan (whether principal, interest, fees, or other amounts) when and as the same becomes due and payable (whether at maturity, on demand, or otherwise); or

(2) The Borrower shall (A) apply for or consent to the appointment of or the taking of possession by a receiver, custodian, trustee, or liquidator of the Borrower or of all or a substantial part of the property of the Borrower; (B) admit in writing the inability of the Borrower, or be generally unable, to pay the debts of the Borrower as such debts become due; (C) make a general assignment for the benefit of the creditors of the Borrower; (D) commence a voluntary case under the federal bankruptcy law (as now or hereafter in effect); (E) file a petition seeking to take advantage of any other law relating to bankruptcy, insolvency, reorganization, winding-up, or composition or adjustment of debts; (F) fail to controvert in a timely or appropriate manner, or acquiesce in writing to, any petition filed against the Borrower in an involuntary case under such federal bankruptcy law; or (G) take any action for the purpose of effecting any of the foregoing; or

(3) A proceeding or case shall be commenced, without the application of the Borrower, in any court of competent jurisdiction, seeking (A) the liquidation,

reorganization, dissolution, winding-up, or composition or readjustment of debts of the Borrower; (B) the appointment of a trustee, receiver, custodian, liquidator, or the like of the Borrower or of all or any substantial part of the assets of the Borrower; or (C) similar relief in respect of the Borrower under any law relating to bankruptcy, insolvency, reorganization, winding-up, or composition and adjustment of debts, and such proceeding or case shall continue undismissed, or an order, judgment, or decree approving or ordering any of the foregoing shall be entered and continue in effect, for a period of sixty (60) days from commencement of such proceeding or case or the date of such order, judgment, or decree, or any order for relief against the Borrower shall be entered in an involuntary case or proceeding under the federal bankruptcy law; or

(4) Any representation or warranty made by the Borrower in any Credit Document shall be false or misleading in any material respect on the date as of which made (or deemed made); or

(5) Any default by the Borrower shall occur in the performance or observance of any term, condition, or provision contained in any Credit Document and not referred to in clauses (1) through (4) above, which default shall continue for thirty (30) days after the Lender gives the Borrower written notice thereof; or

(6) Any material provision of any Credit Document shall at any time for any reason cease to be valid and binding in accordance with its terms on the Borrower, or the validity or enforceability thereof shall be contested by the Borrower, or the Borrower shall terminate or repudiate (or attempt to terminate or repudiate) any Credit Document; or

(7) Default in the payment of principal of or interest on any other obligation of the Borrower for money borrowed (or any obligation under any conditional sale or other title retention agreement or any obligation secured by purchase money mortgage or deed to secure debt or any obligation under notes payable or drafts accepted representing extensions of credit or on any capitalized lease obligation), or default in the performance of any other agreement, term, or condition contained in any contract under which any such obligation is created, guaranteed, or secured if the effect of such default is to cause such obligation to become due prior to its stated maturity; provided that in each and every case noted above the aggregate then outstanding principal balance of the obligation involved (or all such obligations combined) must equal or exceed \$100,000; or

(8) Default in the payment of principal of or interest on any obligation of the Borrower for money borrowed from the Lender (other than the Loan) or default in the performance of any other agreement, term, or condition contained in any contract under which any such obligation is created, guaranteed, or secured if the effect of such default is to entitle the Lender to then cause such obligation to become due prior to its stated maturity (the parties intend that a default may constitute an Event of Default under this paragraph (8) even if such default would not constitute an Event of Default under paragraph (7) immediately above); or

(9) The dissolution of the Borrower; or

(10) Any material adverse change in the Borrower's financial condition or means or ability to perform under the Credit Documents; or

(11) The occurrence of any other event as a result of which the Lender in good faith believes that the prospect of payment in full of the Loan is impaired.

(b) Upon the occurrence of an Event of Default, the Lender, at its option, without demand or notice of any kind, may declare the Loan immediately due and payable, whereupon all outstanding principal and accrued interest shall become immediately due and payable.

(c) Upon the occurrence of an Event of Default, the Lender, without notice or demand of any kind, may from time to time take whatever action at law or in equity or under the terms of the Credit Documents may appear necessary or desirable to collect the Loan and other amounts payable by the Borrower hereunder then due or thereafter to become due, or to enforce performance and observance of any obligation, agreement, or covenant of the Borrower under the Credit Documents.

(d) In the event of a failure of the Borrower to pay any amounts due to the Lender under the Credit Documents within 15 days of the due date thereof, the Lender shall perform its duty under Section 50-23-20 of the Official Code of Georgia Annotated to notify the state treasurer of such failure, and the Lender may apply any funds allotted to the Borrower that are withheld pursuant to Section 50-23-20 of the Official Code of Georgia Annotated to the payment of the overdue amounts under the Credit Documents.

(e) Upon the occurrence of an Event of Default, the Lender may, in its discretion, by written notice to the Borrower, terminate its remaining commitment (if any) hereunder to make any further advances of the Loan, whereupon any such commitment shall terminate immediately.

12. Assignment or Sale by Lender - (a) The Credit Documents, and the obligation of the Borrower to make payments thereunder, may be sold, assigned, or otherwise disposed of in whole or in part to one or more successors, grantors, holders, assignees, or subassignees by the Lender. Upon any sale, disposition, assignment, or reassignment, the Borrower shall be provided with a notice of such assignment. The Borrower shall keep a complete and accurate register of all such assignments in form necessary to comply with Section 149(a) of the Internal Revenue Code of 1986, as amended.

(b) The Borrower agrees to make all payments to the assignee designated in the assignment, notwithstanding any claim, defense, setoff, or counterclaim whatsoever that the Borrower may from time to time have against the Lender. The Borrower agrees to execute all documents, including notices of assignment, which may be reasonably requested by the Lender or its assignee to protect its interests in the Credit Documents.

(c) The Borrower hereby agrees that the Lender may sell or offer to sell the Credit Documents (i) through a certificate of participation program, whereby two or more interests are created in the Credit Documents or the payments thereunder or (ii) with other

similar instruments, agreements, and obligations through a pool, trust, limited partnership, or other entity.

13. Miscellaneous - (a) This Agreement shall be governed by and construed in accordance with the internal laws of the State of Georgia, exclusive of such state's rules regarding choice of law.

(b) This Agreement shall be binding upon and shall inure to the benefit of the Borrower, the Lender, and their respective heirs, legal representatives, successors, and assigns, but the Borrower may not assign or transfer any of its rights or obligations hereunder without the express prior written consent of the Lender.

(c) This Agreement may not be waived or amended except by a writing signed by authorized officials of the Lender and the Borrower.

(d) This Agreement shall be effective on the date on which the Borrower and the Lender have signed one or more counterparts of it and the Lender shall have received the same, provided the Lender receives the same executed by the Borrower by **JULY 25, 2021**. At such time as the Lender is no longer obligated under this Agreement to make any further advances under the Loan and all principal, interest, or other amounts owing with respect to the Loan and hereunder have been finally and irrevocably repaid by the Borrower to the Lender, this Agreement shall terminate.

(e) All notices, certificates, requests, demands, or other communications hereunder shall be sufficiently given and shall be deemed given upon receipt, by hand delivery, mail, overnight delivery, telecopy, or other electronic means, addressed as provided at the beginning of this Agreement. Any party to this Agreement may, by notice given to the other party, designate any additional or different addresses to which subsequent notices, certificates, or other communications shall be sent. For purposes of this Section, "electronic means" shall mean telecopy or facsimile transmission or other similar electronic means of communication that produces evidence of transmission.

(f) This Agreement may be executed in one or more counterparts.

(g) All pronouns used herein include all genders and all singular terms used herein include the plural (and vice versa).

(h) In the event any provision of this Agreement shall be held invalid or unenforceable by any court of competent jurisdiction, such holding shall not invalidate or render unenforceable any other provision hereof.

(i) Statements in Exhibit D attached hereto shall govern the matters they address.

(j) This Agreement and the Note constitute the entire agreement between the Borrower and the Lender with respect to the Loan and supersede all prior agreements, negotiations, representations, or understandings between such parties with respect to such matters.

\$28,000,000

FOR VALUE RECEIVED, the undersigned (hereinafter referred to as the **"Borrower"**) promises to pay to the order of the **CLEAN WATER STATE REVOLVING FUND, ADMINISTERED BY GEORGIA ENVIRONMENTAL FINANCE AUTHORITY** (hereinafter referred to as the **"Lender"**) at the Lender's office located in Atlanta, Georgia, or at such other place as the holder hereof may designate, the principal sum of **TWENTY-EIGHT MILLION DOLLARS AND ZERO CENTS (\$28,000,000)**, or so much thereof as shall have been advanced hereagainst and shall be outstanding, together with interest on so much of the principal balance of this Note as may be outstanding and unpaid from time to time, calculated at the rate or rates per annum indicated below.

The unpaid principal balance of this Note shall bear interest at a rate per annum equal to **ZERO AND 13/100 PERCENT (0.13%)**, (1) calculated on the basis of actual number of days in the year and actual days elapsed until the Amortization Commencement Date (as hereinafter defined), and (2) calculated on the basis of a 360-day year consisting of twelve 30-day months thereafter.

Accrued interest on this Note shall be payable monthly on the first day of each calendar month until the first day of the calendar month following the earlier of (1) the Completion Date (as defined in the hereinafter defined Loan Agreement), (2) **MAY 1, 2024**, or (3) the date that the loan evidenced by this Note is fully disbursed (the **"Amortization Commencement Date"**). Principal of and interest on this Note shall be payable in **TWO HUNDRED THIRTY-NINE (239)** consecutive monthly installments equal to the Installment Amount (as hereinafter defined), commencing on the first day of the calendar month following the Amortization Commencement Date, and continuing to be due on the first day of each succeeding calendar month thereafter, together with a final installment equal to the entire remaining unpaid principal balance of and all accrued interest on this Note, which shall be due and payable on the date that is **20** years from the Amortization Commencement Date (the **"Maturity Date"**).

This Note shall bear interest on any overdue installment of principal and, to the extent permitted by applicable law, on any overdue installment of interest, at the aforesaid rates. The Borrower shall pay a late fee equal to the Lender's late fee, as published from time to time in the Loan Servicing Fee schedules, for any installment payment or other amount due hereunder that is not paid by the 15th of the month in which the payment is due.

“Installment Amount” means the amount equal to the monthly installment of principal and interest required to fully amortize the then outstanding principal balance of this Note as of the Amortization Commencement Date at the rate of interest on this Note, on the basis of level monthly debt service payments from the Amortization Commencement Date to and including the Maturity Date.

All payments or prepayments on this Note shall be applied first to unpaid fees and late fees, then to interest accrued on this Note through the date of such payment or prepayment, and then to principal (and partial principal prepayments shall be applied to such installments in the inverse order of their maturity).

At the option of the Lender, the Borrower shall make payments due under this Note using pre-authorized electronic debit transactions, under which the Lender will be authorized to initiate and effect debit transactions from a designated account of the Borrower without further or additional approval or confirmation by the Borrower. The Borrower further agrees to adopt any necessary approving resolutions and to complete and execute any necessary documents in order for the Lender to effect such pre-authorized debit transactions. In the event the Borrower has insufficient funds in its designated account on the date the Lender attempts to debit any payment due hereunder, the Borrower shall pay the Lender a processing fee equal to the Lender's processing fee, as published from time to time in the Lender's fee schedules for each such occurrence (but not exceeding two such processing fees in any calendar month), in addition to any late fee as provided above.

The Borrower may prepay the principal balance of this Note in whole or in part at any time without premium or penalty.

This Note constitutes the Promissory Note issued under and pursuant to and is entitled to the benefits and subject to the conditions of a Loan Agreement (the **“Loan Agreement”**), dated the date hereof, between the Borrower and the Lender, to which Loan Agreement reference is hereby made for a description of the circumstances under which principal shall be advanced under this Note. Reference is hereby made to the Loan Agreement for a description of the security for this Note and the options and obligations of the Borrower and the Lender hereunder. Upon an Event of Default (as defined in the Loan Agreement), the entire principal of and interest on this Note may be declared or may become immediately due and payable as provided in the Loan Agreement.

The obligation of the Borrower to make the payments required to be made under this Note and to perform and observe any and all of the other covenants and agreements on its part contained herein shall be a general obligation of the Borrower, as provided in the Loan Agreement, and shall be absolute and unconditional irrespective of any defense or any rights of setoff, counterclaim, or recoupment, except for payment, it may otherwise have against the Lender.

In case this Note is collected by or through an attorney-at-law, all costs of such collection incurred by the Lender, including reasonable attorney's fees, shall be paid by the Borrower.

Time is of the essence of this Note. Demand, presentment, notice, notice of demand, notice for payment, protest, and notice of dishonor are hereby waived by each and every maker, guarantor, surety, and other person or entity primarily or secondarily liable on this Note. The Lender shall not be deemed to waive any of its rights under this Note unless such waiver be in writing and signed by the Lender. No delay or omission by the Lender in exercising any of its rights under this Note shall operate as a waiver of such rights, and a waiver in writing on one occasion shall not be construed as a consent to or a waiver of any right or remedy on any future occasion.

This Note shall be governed by and construed and enforced in accordance with the laws of the State of Georgia (without giving effect to its conflicts of law rules). Whenever possible, each provision of this Note shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Note shall be prohibited by or invalid under applicable law, such provision shall be ineffective only to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this Note.

The word "Lender" as used herein shall include transferees, successors, and assigns of the Lender, and all rights of the Lender hereunder shall inure to the benefit of its transferees, successors, and assigns. 15. As required by 40 CFR Part 33.501(b), the Environmental Protection Agency (EPA) Disadvantaged Business Enterprise Rule requires State Revolving Loan recipients to create and maintain a bidders list. The purpose of a bidders list is to provide the Borrower who conducts competitive bidding with a more accurate database of the universe of Minority Business Enterprises (MBE) and Women Business Enterprises (WBE) and non-MBE/WBE prime and subcontractors. The list must include all firms that bid on EPA-assisted projects, including both MBE/WBEs and non-MBE/WBEs. The bidders list must be kept active until the project period for the loan has ended.

The bidders list must contain the following information from all prime contractors and subcontractors:

- 1) Bidder's name with point of contract;
- 2) Bidder's mailing address, telephone number, and email address;
- 3) The procurement item on which the bidder bid or quoted, and when; and
- 4) Bidder's status as an MBE/WBE or non-MBE/WBE.

Borrowers receiving a combined total of \$250,000 or less in federal funding in any one fiscal year, are exempt from the requirements to maintain a bidders list.

OPINION OF BORROWER'S COUNSEL

May 03, 2021

Drinking Water State Revolving Fund, Administered by
Georgia Environmental Finance Authority
233 Peachtree St NE
Harris Tower, Ste 900
Atlanta, GA 30303-1506

Ladies and Gentlemen:

As counsel for the **CITY OF GAINESVILLE** (the "Borrower"), I have examined duly executed originals of the Loan Agreement (the "Loan Agreement"), Loan/Project No. **CW2020022**, between the Borrower and the **DRINKING WATER STATE REVOLVING FUND, ADMINISTERED BY GEORGIA ENVIRONMENTAL FINANCE AUTHORITY** (the "Lender"), the related Promissory Note (the "Note") of the Borrower, the proceedings taken by the Borrower to authorize the Loan Agreement and the Note (collectively, the "Credit Documents"), and such other documents, records, and proceedings as I have deemed relevant or material to render this opinion, and based upon such examination, I am of the opinion, as of the date hereof, that:

1. The Borrower is a public body corporate and politic, duly created and validly existing under the laws of the State of Georgia.
2. The Credit Documents have been duly authorized, executed, and delivered by the Borrower and are legal, valid, and binding obligations of the Borrower, enforceable in accordance with their terms.
3. To the best of my knowledge, no litigation is pending or threatened in any court or other tribunal, state or federal, in any way questioning or affecting the validity of the Credit Documents.

4. To the best of my knowledge, the execution, delivery, and performance by the Borrower of the Credit Documents will not conflict with, breach, or violate any law, any order or judgment to which the Borrower is subject, or any contract to which the Borrower is a party.

5. The signatures of the officers of the Borrower that appear on the Credit Documents are true and genuine. I know such officers and know them to be the duly elected or appointed qualified incumbents of the offices of the Borrower set forth below their names.

With your permission, in rendering the opinions set forth herein, I have assumed the following, without any investigation or inquiry on my part:

- (i) the due authorization, execution, and delivery of the Credit Documents by the Lender; and
- (ii) that the Credit Documents constitute the binding obligations of the Lender and that the Lender has all requisite power and authority to perform its obligations thereunder.

The enforceability of the Credit Documents (i) may be limited by bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium, and other similar laws affecting the enforcement of creditors' rights, (ii) may be subject to general principles of equity, whether applied by a court of law or equity, and (Hi) may also be subject to the exercise of judicial discretion in appropriate cases.

Very truly yours,

Signature

LOAN AGREEMENT

This **LOAN AGREEMENT** (this "**Agreement**") dated MAY 14, 2021, by and between **CITY OF GAINESVILLE**, a Georgia public body corporate and politic (the "**Borrower**"), whose address for purposes of this Agreement shall be **757 QUEEN CITY PKWY SW, GAINESVILLE, GA 30501**, and the **CLEAN WATER STATE REVOLVING FUND, ADMINISTERED BY GEORGIA ENVIRONMENTAL FINANCE AUTHORITY**, a Georgia public corporation (the "**Lender**"), whose address for purposes of this Agreement shall be 233 Peachtree St, NE, Peachtree Center-Harris Tower, Ste 900, Atlanta, GA 30303-1506.

1. **Background** - The Lender desires to loan to the Borrower **TWENTY-TWO MILLION FIVE HUNDRED THOUSAND DOLLARS AND ZERO CENTS (\$22,500,000)** from the **CLEAN WATER STATE REVOLVING FUND, ADMINISTERED BY GEORGIA ENVIRONMENTAL FINANCE AUTHORITY** (the "**Fund**") to finance the costs of acquiring, constructing, and installing the environmental facilities described in Exhibit A attached hereto (the "**Project**"). The Environmental Protection Division ("**EPD**") of the Department of Natural Resources of the State of Georgia has completed all existing statutory reviews and approvals with respect to the Project, as required by Section 50-23-9 of the Official Code of Georgia Annotated, and has approved or will approve the detailed plans and specifications (the "**Plans and Specifications**") for the Project prepared or to be prepared by the Borrower's engineer (the "**Engineer**"), which may be amended from time to time by the Borrower but subject to the approval of the EPD.

2. **Loan** - Subject to the terms and conditions of this Agreement, the Lender agrees to make the following loan or loans (collectively, the "**Loan**") available to the Borrower:

(a) The Lender agrees to advance to the Borrower, on or prior to the earlier of (1) the Completion Date (as hereinafter defined), (2) **MAY 1, 2023**, or (3) the date that the loan evidenced by this Note is fully disbursed, the Loan in a principal amount of up to **\$22,500,000** which Loan may be disbursed in one or more advances but each such disbursement shall reduce the Lender's loan commitment hereunder and any sums advanced hereunder may not be repaid and then re-borrowed.

(b) The Lender's commitment in paragraph (a) above to make advances to the Borrower shall be a limited obligation of the Lender, to be funded solely from available moneys in the Fund and from no other source of funds, including other funds of the Lender.

(c) The Borrower's obligation to pay the Lender the principal of and interest on the Loan shall be evidenced by the records of the Lender and by the Note described below.

3. **Note** - The Loan shall be evidenced by the Promissory Note, dated this date, executed by the Borrower in favor of the Lender in an original stated principal amount

equal to the maximum amount of the Loan as described above (the "**Note**," which term shall include any extensions, renewals, modifications, or replacements thereof). The Note shall be in substantially the form attached to this Agreement as Exhibit B.

4. Interest, Fees, and Other Charges - In consideration of the Loan, the Borrower shall pay the Lender the following interest, fees, and other charges:

(a) The Loan shall bear interest at the rate or rates per annum specified in the Note and such interest shall be calculated in the manner specified in the Note.

(b) The Borrower agrees to pay all reasonable out-of-pocket costs and expenses of the Lender incurred in connection with its negotiation, structuring, documenting, and closing the Loan, including, without limitation, the reasonable fees and disbursements of counsel for the Lender. The Borrower agrees to pay all reasonable out-of-pocket costs and expenses of the Lender incurred in connection with its administration or modification of, or in connection with the preservation of its rights under, enforcement of, or any refinancing, renegotiation, restructuring, or termination of, any Credit Document (as hereinafter defined) or any instruments referred to therein or any amendment, waiver, or consent relating thereto, including, without limitation, the reasonable fees and disbursements of counsel for the Lender. Such additional loan payments shall be billed to the Borrower by the Lender from time to time, together with a statement certifying that the amount billed has been incurred or paid by the Lender for one or more of the above items. Amounts so billed shall be paid by the Borrower within thirty (30) days after receipt of the bill by the Borrower.

(c) In the event the Borrower fails to request any advances under the Loan within six (6) months after the dated date of this Agreement, the Borrower shall pay the Lender a fee equal to the Lender's Loan Continuation Fee, as published from time to time in the Lender's fee schedules, if the Lender requests the Borrower to pay such fee in writing within twelve (12) months after the dated date of this Agreement, such fee to be payable within fifteen (15) days of such written request.

(d) The Borrower shall pay the Lender an origination fee for the loan in the amount of one percent (1%) of the maximum amount of the Loan, payable on the dates specified by the Lender on not less than thirty (30) days written advance notice.

5. Prepayment - The Loan shall be prepayable in accordance with the terms and conditions of the Note.

6. Authorized Borrower Representative and Successors - The Borrower shall designate a person to act on behalf of the Borrower under this Agreement (the "**Authorized Borrower Representative**") by written certificate furnished to the Lender, containing the specimen signature of such person and signed on behalf of the Borrower by its chief executive officer. Such certificate or any subsequent or supplemental certificate so executed may designate an alternate or alternates. In the event that any person so designated and his alternate or alternates, if any, should become unavailable

or unable to take any action or make any certificate provided for or required in this Agreement, a successor shall be appointed in the same manner.

7. Conditions to the Loan - At the time of the making of each advance under the Loan by the Lender to the Borrower under this Agreement (each an "**Advance**"), the following conditions shall have been fulfilled to the Lender's satisfaction:

(a) This Agreement and the Note shall have been duly executed and delivered by all required parties thereto and in form and substance satisfactory to the Lender, and the Lender shall have received (1) a certified copy of the resolution adopted by the Borrower's governing body, substantially in the form of Exhibit F attached hereto, and (2) a signed opinion of counsel to the Borrower, substantially in the form of Exhibit E attached hereto.

(b) There shall then exist no Event of Default under this Agreement (or other event that, with the giving of notice or passage of time, or both, would constitute such an Event of Default).

(c) All representations and warranties by the Borrower in this Agreement and the Note (collectively the "**Credit Documents**") shall be true and correct in all material respects with the same effect as if such representations and warranties had been made on and as of the date of such advance.

(d) Since the date of the most recent annual financial statements of the Borrower delivered to the Lender, there shall have been no material adverse change in the financial condition, assets, management, control, operations, or prospects of the Borrower.

(e) The Advance to be made and the use of the proceeds thereof shall not violate any applicable law, regulation, injunction, or order of any government or court.

(f) The Borrower shall submit requests for Advances not more frequently than monthly and at least 21 days before the requested disbursement date.

(g) The Advance to be made and the use of the proceeds thereof shall be limited to payment of costs of the Project set forth in the Project budget included as part of Exhibit A and contemplated by the Plans and Specifications approved by the EPD.

(1) A requisition for such Advance, stating the amount to be disbursed.

(2) A certificate executed by the Authorized Borrower Representative attached to the requisition and certifying:

(A) that an obligation in the stated amount has been incurred by the Borrower and that the same is a cost of the Project and is presently due and payable or has been paid by the Borrower and is reimbursable hereunder and stating that the bill or statement of account for such obligation, or a copy thereof, is attached to the certificate;

(B) that the Borrower has no notice of any vendor's, mechanic's, or other liens or rights to liens, chattel mortgages, or conditional sales contracts that should be satisfied or discharged before such payment is made; and

(C) that each item on such requisition has not been paid or reimbursed, as the case may be, and such requisition contains no item representing payment on account of any retained percentages that the Borrower is, at the date of any such certificate, entitled to retain or payment for labor performed by employees of the Borrower.

(i) The completed construction on the Project shall be reviewed (at the time each requisition is submitted) by the Engineer, and the Engineer shall certify to the Lender as to (A) the cost of completed construction, (B) the percentage of completion, and (C) compliance with the Plans and Specifications.

8. Representations and Warranties - The Borrower hereby represents and warrants to the Lender:

(a) Creation and Authority. The Borrower is a public body corporate and politic duly created and validly existing under the laws of the State of Georgia and has all requisite power and authority to execute and deliver the Credit Documents and to perform its obligations thereunder.

(b) Pending Litigation. Except as disclosed in writing to the Lender, there are no actions, suits, proceedings, inquiries, or investigations pending or, to the knowledge of the Borrower, after making due inquiry with respect thereto, threatened against or affecting the Borrower in any court or by or before any governmental authority or arbitration board or tribunal, which involve the possibility of materially and adversely affecting the properties, activities, prospects, profits, operations, or condition (financial or otherwise) of the Borrower, or the ability of the Borrower to perform its obligations under the Credit Documents, or the transactions contemplated by the Credit Documents or which, in any way, would adversely affect the validity or enforceability of the Credit Documents or any agreement or instrument to which the Borrower is a party and which is used or contemplated for use in the consummation of the transactions contemplated hereby or thereby, nor is the Borrower aware of any facts or circumstances presently existing that would form the basis for any such actions, suits, or proceedings. Except as disclosed in writing to the Lender, the Borrower is not in default with respect to any judgment, order, writ, injunction, decree, demand, rule, or regulation of any court, governmental authority, or arbitration board or tribunal.

(c) Credit Documents are Legal and Authorized. The execution and delivery by the Borrower of the Credit Documents, the consummation of the transactions therein contemplated, and the fulfillment of or the compliance with all of the provisions thereof (i) are within the power, legal right, and authority of the Borrower; (ii) are legal and will not conflict with or constitute on the part of the Borrower a violation of or a breach of or a default under, any organic document, indenture, mortgage, security deed, pledge, note, lease, loan, or installment sale agreement, contract, or other agreement or instrument to

which the Borrower is a party or by which the Borrower or its properties are otherwise subject or bound, or any license, law, statute, rule, regulation, judgment, order, writ, injunction, decree, or demand of any court or governmental agency or body having jurisdiction over the Borrower or any of its activities or properties; and (iii) have been duly authorized by all necessary and appropriate official action on the part of the governing body of the Borrower. The Credit Documents are the valid, legal, binding, and enforceable obligations of the Borrower. The officials of the Borrower executing the Credit Documents are duly and properly in office and are fully authorized and empowered to execute the same for and on behalf of the Borrower.

(d) Governmental Consents. Neither the Borrower nor any of its activities or properties, nor any relationship between the Borrower and any other person, nor any circumstances in connection with the execution, delivery, and performance by the Borrower of its obligations under the Credit Documents, is such as to require the consent, approval, permission, order, license, or authorization of, or the filing, registration, or qualification with, any governmental authority on the part of the Borrower in connection with the execution, delivery, and performance of the Credit Documents or the consummation of any transaction therein contemplated, except as shall have been obtained or made and as are in full force and effect and except as are not presently obtainable. To the knowledge of the Borrower, after making due inquiry with respect thereto, the Borrower will be able to obtain all such additional consents, approvals, permissions, orders, licenses, or authorizations of governmental authorities as may be required on or prior to the date the Borrower is legally required to obtain the same.

(e) No Defaults. No event has occurred and no condition exists that would constitute an Event of Default or that, with the lapse of time or with the giving of notice or both, would become an Event of Default. To the knowledge of the Borrower, after making due inquiry with respect thereto, the Borrower is not in default or violation in any material respect under any organic document or other agreement or instrument to which it is a party or by which it may be bound, except as disclosed in writing to the Lender.

(f) Compliance with Law. To the knowledge of the Borrower, after making due inquiry with respect thereto, the Borrower is not in violation of any laws, ordinances, or governmental rules or regulations to which it or its properties are subject and has not failed to obtain any licenses, permits, franchises, or other governmental authorizations (which are presently obtainable) necessary to the ownership of its properties or to the conduct of its affairs, which violation or failure to obtain might materially and adversely affect the properties, activities, prospects, profits, and condition (financial or otherwise) of the Borrower, and there have been no citations, notices, or orders of noncompliance issued to the Borrower under any such law, ordinance, rule, or regulation, except as disclosed in writing to the Lender.

(g) Restrictions on the Borrower. The Borrower is not a party to or bound by any contract, instrument, or agreement, or subject to any other restriction, that materially and adversely affects its activities, properties, assets, operations, or condition (financial or otherwise), except as disclosed in writing to the Lender. The Borrower is not a party to any contract or agreement that restricts the right or ability of the Borrower to incur

indebtedness for borrowed money or to enter into loan agreements, except as disclosed in writing to the Lender. Any contract or agreement of the Borrower that pledges the revenues of the Borrower permits such pledged revenues to be used to make payments due under the Credit Documents.

(h) Disclosure. The representations of the Borrower contained in this Agreement and any certificate, document, written statement, or other instrument furnished by or on behalf of the Borrower to the Lender in connection with the transactions contemplated hereby, do not contain any untrue statement of a material fact and do not omit to state a material fact necessary to make the statements contained herein or therein not misleading. There is no fact that the Borrower has not disclosed to the Lender in writing that materially and adversely affects or in the future may (so far as the Borrower can now reasonably foresee) materially and adversely affect the acquisition, construction, and installation of the Project or the properties, activities, prospects, operations, profits, or condition (financial or otherwise) of the Borrower, or the ability of the Borrower to perform its obligations under the Credit Documents or any of the documents or transactions contemplated hereby or thereby or any other transactions contemplated by this Agreement, which has not been set forth in writing to the Lender or in the certificates, documents, and instruments furnished to the Lender by or on behalf of the Borrower prior to the date of execution of this Agreement in connection with the transactions contemplated hereby.

(i) Project Compliance. The Project complies or will comply with all presently applicable building and zoning, health, environmental, and safety ordinances and laws and all other applicable laws, rules, and regulations of any and all governmental and quasi-governmental authorities having jurisdiction over any portion of the Project.

(j) Financial Statements. The financial statements of the Borrower that have been provided to the Lender in connection with the Loan present fairly the financial position of the Borrower as of the date thereof and the results of its operations and its cash flows of its proprietary fund types for the period covered thereby, all in conformity with generally accepted accounting principles (subject to normal year-end adjustments in the case of interim statements). Additionally, the Borrower agrees that all future financial statements that are required to be submitted to the Authority will be prepared in conformity with generally accepted accounting principles, including infrastructure provisions of GASB 34. Since the date of the most recent annual financial statements for the Borrower delivered to the Lender in connection with the Loan, there has been no material adverse change in the Borrower's financial condition, assets, management, control, operations, or prospects.

(k) Reaffirmation. Each request by the Borrower for an advance under the Loan shall constitute a representation and warranty by the Borrower to the Lender that the foregoing statements are true and correct on the date of the request and after giving effect to such advance.

(l) Borrower's Tax Certificate. The representations and warranties of the Borrower set forth in the Borrower's Tax Certificate, dated the date hereof, are hereby

incorporated herein and made a part hereof by this reference thereto, as if fully set forth herein, and are true and correct as of the date hereof.

9. Security for Payments under Credit Documents - (a) As security for the payments required to be made and the obligations required to be performed by the Borrower under the Credit Documents, the Borrower hereby pledges to the Lender its full faith and credit and revenue-raising power (including its taxing power) for such payment and performance. The Borrower covenants that, in order to make any payments required by the Credit Documents when due from its funds to the extent required hereunder, it will exercise its power of taxation and its power to set rates, fees, and charges to the extent necessary to pay the amounts required to be paid under the Credit Documents and will make available and use for such payments all rates, fees, charges, and taxes levied and collected for that purpose together with funds received from any other sources. The Borrower further covenants and agrees that in order to make funds available for such purpose in each fiscal year, it will, in its revenue, appropriation, and budgetary measures through which its tax funds or revenues and the allocation thereof are controlled or provided for, include sums sufficient to satisfy any such payments that may be required to be made under the Credit Documents, whether or not any other sums are included in such measure, until all payments so required to be made under the Credit Documents shall have been made in full. The obligation of the Borrower to make any such payments that may be required to be made from its funds shall constitute a general obligation of the Borrower and a pledge of the full faith and credit of the Borrower to provide the funds required to fulfill any such obligation. In the event for any reason any such provision or appropriation is not made as provided in this Section 9, then the fiscal officers of the Borrower are hereby authorized and directed to set up as an appropriation on their accounts in the appropriate fiscal year the amounts required to pay the obligations that may be due from the funds of the Borrower. The amount of such appropriation shall be due and payable and shall be expended for the purpose of paying any such obligations, and such appropriation shall have the same legal status as if the Borrower had included the amount of the appropriation in its revenue, appropriation, and budgetary measures, and the fiscal officers of the Borrower shall make such payments required by the Credit Documents to the Lender if for any reason the payment of such obligations shall not otherwise have been made.

(b) The Borrower covenants and agrees that it shall, to the extent necessary, levy an annual ad valorem tax on all taxable property located within the territorial or corporate limits of the Borrower, as now existent and as the same may hereafter be extended, at such rate or rates, within any limitations that may be prescribed by law, as may be necessary to produce in each year revenues that will be sufficient to fulfill the Borrower's obligations under the Credit Documents, from which revenues the Borrower agrees to appropriate sums sufficient to pay in full when due all of the Borrower's obligations under the Credit Documents. Nothing herein contained, however, shall be construed as limiting the right of the Borrower to make the payments called for by the Credit Documents out of any funds lawfully available to it for such purpose, from whatever source derived (including general funds or enterprise funds).

10. Borrower Covenants - The Borrower agrees to comply with the following covenants so long as this Agreement is in effect:

(a) Information. The Borrower shall deliver to the Lender, within 180 days after the end of each fiscal year, an electronic copy of the financial statements required under state audit requirements (O.C.G.A. Section 36-81-7). Borrower's annual financial statements shall be prepared in accordance with generally accepted accounting principles and otherwise in form and substance satisfactory to the Lender, which financial statements shall be accompanied by a certificate of the Borrower (1) to the effect that the Borrower is not in default under any provisions of the Credit Documents and has fully complied with all of the provisions thereof, or if the Borrower is in default or has failed to so comply, setting forth the nature of the default or failure to comply, and (2) stating the Fixed Charges Coverage Ratio, the Fixed Charges, and the Income Available for Fixed Charges of the Borrower for the fiscal year. The Borrower also shall promptly provide the Lender (A) upon receipt thereof, a copy of each other report submitted to the Borrower by its accountants in connection with any annual, interim, or special audit made by them of the books of the Borrower (including, without limitation, any management report prepared in connection with such accountants' annual audit of the Borrower) and (B) with such other information relating to the Borrower and the Project as the Lender may reasonably request from time to time.

(b) Access to Property and Records. The Borrower agrees that the Lender, the EPD, and their duly authorized representatives and agents shall have the right, upon reasonable prior notice, to enter the Borrower's property at all reasonable times for the purpose of examining and inspecting the Project, including any construction or renovation thereof. The Borrower shall keep accurate and complete records and books of account with respect to its activities in which proper entries are made in accordance with generally accepted accounting principles reflecting all of its financial transactions. The Lender and the EPD shall also have the right at all reasonable times to examine and make extracts from the books and records of the Borrower, insofar as such books and records relate to the Project or insofar as necessary to ascertain compliance with this Agreement, and to discuss with the Borrower's officers, employees, accountants, and engineers the Project and the Borrower's activities, assets, liabilities, financial condition, results of operations, and financial prospects.

(c) Agreement to Acquire, Construct, and Install the Project. The Borrower covenants to cause the Project to be acquired, constructed, and installed without material deviation from the Plans and Specifications and warrants that the acquisition, construction, and installation of the Project without material deviation from the Plans and Specifications will result in facilities suitable for use by the Borrower and that all real and personal property provided for therein is necessary or appropriate in connection with the Project. The Borrower may make changes in or additions to the Plans and Specifications; provided, however, changes in or additions to the Plans and Specifications that are material shall be subject to the prior written approval of the Engineer and the EPD. The Borrower agrees to complete the acquisition, construction, and installation of the Project as promptly as practicable and with all reasonable dispatch after the date of this Agreement. Without limiting the foregoing sentence, the Borrower shall commence and

complete each activity or event by the deadline stated in the Project Schedule included as part of Exhibit A attached hereto. The Borrower shall comply with the bidding and preconstruction requirements set forth in Exhibit C attached hereto.

(d) Establishment of Completion Date. The date of completion of the acquisition, construction, and installation of the Project (the "**Completion Date**") shall be evidenced to the Lender and the EPD by a certificate of completion signed by the Authorized Borrower Representative and approved by the Engineer, stating that construction of the Project has been completed without material deviation from the Plans and Specifications and all labor, services, materials, and supplies used in such construction have been paid or provided for. Notwithstanding the foregoing, such certificate may state that it is given without prejudice to any rights against third parties that exist at the date of such certificate or that may subsequently come into being. It shall be the duty of the Borrower to cause the certificate contemplated by this paragraph to be furnished as soon as the construction of the Project shall have been completed.

(e) Indemnity. (1) To the extent provided by law, in addition to the other amounts payable by the Borrower under this Agreement (including, without limitation, Section 4 hereof), the Borrower hereby agrees to pay and indemnify the Lender from and against all claims, liabilities, losses, costs, and expenses (including, without limitation, reasonable attorneys' fees and expenses) that the Lender may (other than as a result of the gross negligence or willful misconduct of the Lender) incur or be subjected to as a consequence, directly or indirectly, of (i) any actual or proposed use of any proceeds of the Loan or the Borrower's entering into or performing under any Credit Document, (ii) any breach by the Borrower of any representation, warranty, covenant, or condition in, or the occurrence of any other default under, any of the Credit Documents, including without limitation all reasonable attorneys' fees or expenses resulting from the settlement or defense of any claims or liabilities arising as a result of any such breach or default, (iii) allegations of participation or interference by the Lender in the management, contractual relations, or other affairs of the Borrower, (iv) allegations that the Lender has joint liability with the Borrower to any third party as a result of the transactions contemplated by the Credit Documents, (v) any suit, investigation, or proceeding as to which the Lender is involved as a consequence, directly or indirectly, of its execution of any of the Credit Documents, the making of the Loan, or any other event or transaction contemplated by any of the Credit Documents, or (vi) the conduct or management of or any work or thing done on the Project and any condition of or operation of the Project.

(2) Nothing contained in this paragraph (e) shall require the Borrower to indemnify the Lender for any claim or liability that the Borrower was not given any opportunity to contest or for any settlement of any such action effected without the Borrower's consent. The indemnity of the Lender contained in this paragraph (e) shall survive the termination of this Agreement.

(f) Fixed Charges Coverage Ratio. The Borrower shall not permit the Fixed Charges Coverage Ratio for any fiscal year to be less than 1.05. The following terms are defined terms for purposes of this Agreement:

“Fixed Charges” means, for any period, the sum of all cash outflows that the Borrower cannot avoid without violating the Borrower’s long-term contractual obligations (those obligations that extend for a period greater than one year, determined in accordance with generally accepted accounting principles) and that are accounted for in the enterprise fund containing the Borrower’s water or sewer operations, including, but not limited to, (i) interest on long-term debt, determined in accordance with generally accepted accounting principles, (ii) payments under long-term leases (whether capitalized or operating), and (iii) scheduled payments of principal on long-term debt.

“Fixed Charges Coverage Ratio” means, for any period, the ratio of Income Available for Fixed Charges to Fixed Charges.

“Income Available For Fixed Charges” means, for any period, net income of the Borrower, plus amounts deducted in arriving at such net income for (i) interest on long-term debt (including the current portion thereof), (ii) depreciation, (iii) amortization, (iv) payments under long-term leases, and (v) transfers to other funds of the Borrower.

(g) Tax Covenants. The Borrower covenants that it will not take or omit to take any action nor permit any action to be taken or omitted that would cause the interest on the Note to become includable in the gross income of any owner thereof for federal income tax purposes. The Borrower further covenants and agrees that it shall comply with the representations and certifications it made in its Borrower’s Tax Certificate dated the date hereof and that it shall take no action nor omit to take any action that would cause such representations and certifications to be untrue.

11. Events of Default and Remedies – (a) Each of the following events shall constitute an Event of Default under this Agreement:

(1) Failure by the Borrower to make any payment with respect to the Loan (whether principal, interest, fees, or other amounts) when and as the same becomes due and payable (whether at maturity, on demand, or otherwise); or

(2) The Borrower shall (A) apply for or consent to the appointment of or the taking of possession by a receiver, custodian, trustee, or liquidator of the Borrower or of all or a substantial part of the property of the Borrower; (B) admit in writing the inability of the Borrower, or be generally unable, to pay the debts of the Borrower as such debts become due; (C) make a general assignment for the benefit of the creditors of the Borrower; (D) commence a voluntary case under the federal bankruptcy law (as now or hereafter in effect); (E) file a petition seeking to take advantage of any other law relating to bankruptcy, insolvency, reorganization, winding-up, or composition or adjustment of debts; (F) fail to controvert in a timely or appropriate manner, or acquiesce in writing to, any petition filed against the Borrower in an involuntary case under such federal bankruptcy law; or (G) take any action for the purpose of effecting any of the foregoing; or

(3) A proceeding or case shall be commenced, without the application of the Borrower, in any court of competent jurisdiction, seeking (A) the liquidation,

reorganization, dissolution, winding-up, or composition or readjustment of debts of the Borrower; (B) the appointment of a trustee, receiver, custodian, liquidator, or the like of the Borrower or of all or any substantial part of the assets of the Borrower; or (C) similar relief in respect of the Borrower under any law relating to bankruptcy, insolvency, reorganization, winding-up, or composition and adjustment of debts, and such proceeding or case shall continue undismissed, or an order, judgment, or decree approving or ordering any of the foregoing shall be entered and continue in effect, for a period of sixty (60) days from commencement of such proceeding or case or the date of such order, judgment, or decree, or any order for relief against the Borrower shall be entered in an involuntary case or proceeding under the federal bankruptcy law; or

(4) Any representation or warranty made by the Borrower in any Credit Document shall be false or misleading in any material respect on the date as of which made (or deemed made); or

(5) Any default by the Borrower shall occur in the performance or observance of any term, condition, or provision contained in any Credit Document and not referred to in clauses (1) through (4) above, which default shall continue for thirty (30) days after the Lender gives the Borrower written notice thereof; or

(6) Any material provision of any Credit Document shall at any time for any reason cease to be valid and binding in accordance with its terms on the Borrower, or the validity or enforceability thereof shall be contested by the Borrower, or the Borrower shall terminate or repudiate (or attempt to terminate or repudiate) any Credit Document; or

(7) Default in the payment of principal of or interest on any other obligation of the Borrower for money borrowed (or any obligation under any conditional sale or other title retention agreement or any obligation secured by purchase money mortgage or deed to secure debt or any obligation under notes payable or drafts accepted representing extensions of credit or on any capitalized lease obligation), or default in the performance of any other agreement, term, or condition contained in any contract under which any such obligation is created, guaranteed, or secured if the effect of such default is to cause such obligation to become due prior to its stated maturity; provided that in each and every case noted above the aggregate then outstanding principal balance of the obligation involved (or all such obligations combined) must equal or exceed \$100,000; or

(8) Default in the payment of principal of or interest on any obligation of the Borrower for money borrowed from the Lender (other than the Loan) or default in the performance of any other agreement, term, or condition contained in any contract under which any such obligation is created, guaranteed, or secured if the effect of such default is to entitle the Lender to then cause such obligation to become due prior to its stated maturity (the parties intend that a default may constitute an Event of Default under this paragraph (8) even if such default would not constitute an Event of Default under paragraph (7) immediately above); or

(9) The dissolution of the Borrower; or

(10) Any material adverse change in the Borrower's financial condition or means or ability to perform under the Credit Documents; or

(11) The occurrence of any other event as a result of which the Lender in good faith believes that the prospect of payment in full of the Loan is impaired.

(b) Upon the occurrence of an Event of Default, the Lender, at its option, without demand or notice of any kind, may declare the Loan immediately due and payable, whereupon all outstanding principal and accrued interest shall become immediately due and payable.

(c) Upon the occurrence of an Event of Default, the Lender, without notice or demand of any kind, may from time to time take whatever action at law or in equity or under the terms of the Credit Documents may appear necessary or desirable to collect the Loan and other amounts payable by the Borrower hereunder then due or thereafter to become due, or to enforce performance and observance of any obligation, agreement, or covenant of the Borrower under the Credit Documents.

(d) In the event of a failure of the Borrower to pay any amounts due to the Lender under the Credit Documents within 15 days of the due date thereof, the Lender shall perform its duty under Section 50-23-20 of the Official Code of Georgia Annotated to notify the state treasurer of such failure, and the Lender may apply any funds allotted to the Borrower that are withheld pursuant to Section 50-23-20 of the Official Code of Georgia Annotated to the payment of the overdue amounts under the Credit Documents.

(e) Upon the occurrence of an Event of Default, the Lender may, in its discretion, by written notice to the Borrower, terminate its remaining commitment (if any) hereunder to make any further advances of the Loan, whereupon any such commitment shall terminate immediately.

12. Assignment or Sale by Lender - (a) The Credit Documents, and the obligation of the Borrower to make payments thereunder, may be sold, assigned, or otherwise disposed of in whole or in part to one or more successors, grantors, holders, assignees, or subassignees by the Lender. Upon any sale, disposition, assignment, or reassignment, the Borrower shall be provided with a notice of such assignment. The Borrower shall keep a complete and accurate register of all such assignments in form necessary to comply with Section 149(a) of the Internal Revenue Code of 1986, as amended.

(b) The Borrower agrees to make all payments to the assignee designated in the assignment, notwithstanding any claim, defense, setoff, or counterclaim whatsoever that the Borrower may from time to time have against the Lender. The Borrower agrees to execute all documents, including notices of assignment, which may be reasonably requested by the Lender or its assignee to protect its interests in the Credit Documents.

(c) The Borrower hereby agrees that the Lender may sell or offer to sell the Credit Documents (i) through a certificate of participation program, whereby two or more interests are created in the Credit Documents or the payments thereunder or (ii) with other

similar instruments, agreements, and obligations through a pool, trust, limited partnership, or other entity.

13. Miscellaneous - (a) This Agreement shall be governed by and construed in accordance with the internal laws of the State of Georgia, exclusive of such state's rules regarding choice of law.

(b) This Agreement shall be binding upon and shall inure to the benefit of the Borrower, the Lender, and their respective heirs, legal representatives, successors, and assigns, but the Borrower may not assign or transfer any of its rights or obligations hereunder without the express prior written consent of the Lender.

(c) This Agreement may not be waived or amended except by a writing signed by authorized officials of the Lender and the Borrower.

(d) This Agreement shall be effective on the date on which the Borrower and the Lender have signed one or more counterparts of it and the Lender shall have received the same, provided the Lender receives the same executed by the Borrower by **MAY 5, 2021**. At such time as the Lender is no longer obligated under this Agreement to make any further advances under the Loan and all principal, interest, or other amounts owing with respect to the Loan and hereunder have been finally and irrevocably repaid by the Borrower to the Lender, this Agreement shall terminate.

(e) All notices, certificates, requests, demands, or other communications hereunder shall be sufficiently given and shall be deemed given upon receipt, by hand delivery, mail, overnight delivery, telecopy, or other electronic means, addressed as provided at the beginning of this Agreement. Any party to this Agreement may, by notice given to the other party, designate any additional or different addresses to which subsequent notices, certificates, or other communications shall be sent. For purposes of this Section, "electronic means" shall mean telecopy or facsimile transmission or other similar electronic means of communication that produces evidence of transmission.

(f) This Agreement may be executed in one or more counterparts.

(g) All pronouns used herein include all genders and all singular terms used herein include the plural (and vice versa).

(h) In the event any provision of this Agreement shall be held invalid or unenforceable by any court of competent jurisdiction, such holding shall not invalidate or render unenforceable any other provision hereof.

(i) Statements in Exhibit D attached hereto shall govern the matters they address.

(j) This Agreement and the Note constitute the entire agreement between the Borrower and the Lender with respect to the Loan and supersede all prior agreements, negotiations, representations, or understandings between such parties with respect to such matters.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed and delivered by their respective officials hereunto duly authorized as of the date first above written.

SPECIMEN PROMISSORY NOTE

\$22,500,000

FOR VALUE RECEIVED, the undersigned (hereinafter referred to as the **"Borrower"**) promises to pay to the order of the **CLEAN WATER STATE REVOLVING FUND, ADMINISTERED BY GEORGIA ENVIRONMENTAL FINANCE AUTHORITY** (hereinafter referred to as the **"Lender"**) at the Lender's office located in Atlanta, Georgia, or at such other place as the holder hereof may designate, the principal sum of **TWENTY-TWO MILLION FIVE HUNDRED THOUSAND DOLLARS AND ZERO CENTS (\$22,500,000)**, or so much thereof as shall have been advanced hereagainst and shall be outstanding, together with interest on so much of the principal balance of this Note as may be outstanding and unpaid from time to time, calculated at the rate or rates per annum indicated below.

The unpaid principal balance of this Note shall bear interest at a rate per annum equal to **ZERO AND 13/100 PERCENT (0.13%)**, (1) calculated on the basis of actual number of days in the year and actual days elapsed until the Amortization Commencement Date (as hereinafter defined), and (2) calculated on the basis of a 360-day year consisting of twelve 30-day months thereafter.

Accrued interest on this Note shall be payable monthly on the first day of each calendar month until the first day of the calendar month following the earlier of (1) the Completion Date (as defined in the hereinafter defined Loan Agreement), (2) **MAY 1, 2023**, or (3) the date that the loan evidenced by this Note is fully disbursed (the **"Amortization Commencement Date"**). Principal of and interest on this Note shall be payable in **TWO HUNDRED THIRTY-NINE (239)** consecutive monthly installments equal to the Installment Amount (as hereinafter defined), commencing on the first day of the calendar month following the Amortization Commencement Date, and continuing to be due on the first day of each succeeding calendar month thereafter, together with a final installment equal to the entire remaining unpaid principal balance of and all accrued interest on this Note, which shall be due and payable on the date that is **20** years from the Amortization Commencement Date (the **"Maturity Date"**).

This Note shall bear interest on any overdue installment of principal and, to the extent permitted by applicable law, on any overdue installment of interest, at the aforesaid rates. The Borrower shall pay a late fee equal to the Lender's late fee, as published from time to time in the Loan Servicing Fee schedules, for any installment payment or other amount due hereunder that is not paid by the 15th of the month in which the payment is due.

"Installment Amount" means the amount equal to the monthly installment of principal and interest required to fully amortize the then outstanding principal balance of this Note as of the Amortization Commencement Date at the rate of interest on this Note, on the basis of level monthly debt service payments from the Amortization Commencement Date to and including the Maturity Date.

All payments or prepayments on this Note shall be applied first to unpaid fees and late fees, then to interest accrued on this Note through the date of such payment or prepayment, and then to principal (and partial principal prepayments shall be applied to such installments in the inverse order of their maturity).

At the option of the Lender, the Borrower shall make payments due under this Note using pre-authorized electronic debit transactions, under which the Lender will be authorized to initiate and effect debit transactions from a designated account of the Borrower without further or additional approval or confirmation by the Borrower. The Borrower further agrees to adopt any necessary approving resolutions and to complete and execute any necessary documents in order for the Lender to effect such pre-authorized debit transactions. In the event the Borrower has insufficient funds in its designated account on the date the Lender attempts to debit any payment due hereunder, the Borrower shall pay the Lender a processing fee equal to the Lender's processing fee, as published from time to time in the Lender's fee schedules for each such occurrence (but not exceeding two such processing fees in any calendar month), in addition to any late fee as provided above.

The Borrower may prepay the principal balance of this Note in whole or in part at any time without premium or penalty.

This Note constitutes the Promissory Note issued under and pursuant to and is entitled to the benefits and subject to the conditions of a Loan Agreement (the **"Loan Agreement"**), dated the date hereof, between the Borrower and the Lender, to which Loan Agreement reference is hereby made for a description of the circumstances under which principal shall be advanced under this Note. In case this Note is collected by or through an attorney-at-law, all costs of such collection incurred by the Lender, including reasonable attorney's fees, shall be paid by the Borrower.

Time is of the essence of this Note. Demand, presentment, notice, notice of demand, notice for payment, protest, and notice of dishonor are hereby waived by each and every maker, guarantor, surety, and other person or entity primarily or secondarily liable on this Note. The Lender shall not be deemed to waive any of its rights under this Note unless such waiver be in writing and signed by the Lender. No delay or omission by the Lender in exercising any of its rights under this Note shall operate as a waiver of such rights, and a waiver in writing on one occasion shall not be construed as a consent to or a waiver of any right or remedy on any future occasion.

1. The Borrower covenants that the Project will comply with the federal requirements applicable to activities supported with federal funds. The Borrower is responsible for ensuring that any lower tier covered transaction as described in Subpart B of 2 CFR Part 180 and 2 CFR Part 1532, entitled "Covered Transactions," includes a term or condition requiring compliance with Subpart C. The Borrower is responsible for further requiring the inclusion of a similar term or condition in any subsequent lower tier transactions. The Borrower acknowledges that failure to disclose the information as required at 2 CFR 180.335 may result in the delay or negation of this assistance agreement, or pursuance of legal remedies, including suspension and debarment.

The Borrower may access the Excluded Parties List System at www.epls.gov. This term and condition supersedes EPA Form 5700-49. "Certification Regarding Debarment, Suspension, and Other Responsibility Matters."

6. Borrower certifies to the best of its knowledge and belief that: No Federal appropriated funds have been paid in full or will be paid, by or on behalf of the Borrower, to any person influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with any of the following covered Federal actions: The awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency or a Member of Congress in connection with this loan agreement, then the Borrower shall fully disclose same to the Lender, and shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with instructions.

9. Reserved.
10. The Borrower will comply with all federal requirements outlined in the Water Resources Reform and Development Act of 2014 and related Clean Water State Revolving Fund Policy Guidelines, which the Borrower understands includes, among other requirements, that all of the iron and steel products used in the Project (as described in Exhibit A) are to be produced in the United States ("American Iron and Steel Requirement" – section 608) unless (i) the Borrower has requested from the Lender and obtained a waiver from the Environmental Protection Agency pertaining to the Project or (ii) the Lender has otherwise advised the Borrower in writing that the American Iron and Steel Requirement is not applicable to the Project.
11. The Borrower will comply with all federal requirements outlined in the Water Resources Reform and Development Act of 2014 and related Clean Water State Revolving Fund Policy Guidelines, which the Borrower understands includes, among other requirements, the development of a Fiscal Sustainability Plan (FSP) (section 603(d)(1)(E)) for the Project (as described in Exhibit A). The Borrower has either certified that the FSP has been developed and is being implemented for the portion of the treatment works in the Project or the Borrower has certified that an FSP will be developed and implemented for the portion of the treatment works in the Project prior to the final disbursement of funds, unless the Lender has otherwise advised the Borrower in writing that the development and implementation of an FSP is not applicable to the Project.

The Borrower will comply with all record keeping and reporting requirements under the Clean Water Act, including any reports required by the Environmental Protection Agency or the Lender such as performance indicators of program deliverables, information on costs and project progress. The Borrower understands that (i) each contract and subcontract related to the Project is subject to audit by appropriate federal and state entities and (ii) failure to comply with the Clean Water Act and this Agreement may be a default hereunder that results in a repayment of the Loan in advance and/or other remedial actions.
13. The Borrower shall insert in full in any contract which is entered into for construction, alteration, maintenance, or repair of a public water system or treatment works, financed in whole or in part from Federal funds, the document entitled "American Iron and Steel Special Conditions and Information for Federally Assisted State Revolving Loan Fund Construction Contracts."

14. The Borrower will comply with the requirements and obligations of Title VI of the Civil Rights Act in accordance with 40 CFR Part 5 and 7. Among the requirements, borrowers must have a nondiscrimination notice, operate programs or activities that are accessible to individuals with disabilities, designate a civil rights coordinator, have a language access services policy, and maintain demographic data on the race, color, national origin, sex, age, or handicap of the population it serves.
15. As required by 40 CFR Part 33.501(b), the Environmental Protection Agency (EPA) Disadvantaged Business Enterprise Rule requires State Revolving Loan recipients to create and maintain a bidders list. The purpose of a bidders list is to provide the Borrower who conducts competitive bidding with a more accurate database of the universe of Minority Business Enterprises (MBE) and Women Business Enterprises (WBE) and non-MBE/WBE prime and subcontractors. The list must include all firms that bid on EPA-assisted projects, including both MBE/WBEs and non-MBE/WBEs. The bidders list must be kept active until the project period for the loan has ended.

The bidders list must contain the following information from all prime contractors and subcontractors:

- 1) Bidder's name with point of contact;
- 2) Bidder's mailing address, telephone number, and email address;
- 3) The procurement item on which the bidder bid or quoted, and when; and
- 4) Bidder's status as an MBE/WBE or non-MBE/WBE.

Borrowers receiving a combined total of \$250,000 or less in federal funding in any one fiscal year, are exempt from the requirements to maintain a bidders list.

233 Peachtree St NE
Harris Tower, Ste 900
Atlanta, GA 30303-1506

Ladies and Gentlemen:

As counsel for the **CITY OF GAINESVILLE** (the "Borrower"), I have examined duly executed originals of the Loan Agreement (the "Loan Agreement"), Loan/Project No. **CW2020023**, between the Borrower and the **DRINKING WATER STATE REVOLVING FUND, ADMINISTERED BY GEORGIA ENVIRONMENTAL FINANCE AUTHORITY** (the "Lender"), the related Promissory Note (the "Note") of the Borrower, the proceedings taken by the Borrower to authorize the Loan Agreement and the Note (collectively, the "Credit Documents"), and such other documents, records, and proceedings as I have deemed relevant or material to render this opinion, and based upon such examination, I am of the opinion, as of the date hereof, that:

1. The Borrower is a public body corporate and politic, duly created and validly existing under the laws of the State of Georgia.

2. The Credit Documents have been duly authorized, executed, and delivered by the Borrower and are legal, valid, and binding obligations of the Borrower, enforceable in accordance with their terms.

3. To the best of my knowledge, no litigation is pending or threatened in any court or other tribunal, state or federal, in any way questioning or affecting the validity of the Credit Documents.

4. To the best of my knowledge, the execution, delivery, and performance by the Borrower of the Credit Documents will not conflict with, breach, or violate any law, any order or judgment to which the Borrower is subject, or any contract to which the Borrower is a party.

5. The signatures of the officers of the Borrower that appear on the Credit Documents are true and genuine. I know such officers and know them to be the duly elected or appointed qualified incumbents of the offices of the Borrower set forth below their names.

With your permission, in rendering the opinions set forth herein, I have assumed the following, without any investigation or inquiry on my part:

- (i) the due authorization, execution, and delivery of the Credit Documents by the Lender; and
- (ii) that the Credit Documents constitute the binding obligations of the Lender and that the Lender has all requisite power and authority to perform its obligations thereunder.

The enforceability of the Credit Documents (i) may be limited by bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium, and other similar laws affecting the enforcement of creditors' rights, (ii) may be subject to general principles of equity, whether applied by a court of law or equity, and (Hi) may also be subject to the exercise of judicial discretion in appropriate cases.

Very truly yours,

LOAN AGREEMENT

LOAN AGREEMENT

This **LOAN AGREEMENT** (this "**Agreement**") dated May 14, 2021, by and between **CITY OF GAINESVILLE**, a Georgia public body corporate and politic (the "**Borrower**"), whose address for purposes of this Agreement shall be **757 QUEEN CITY PKWY SW, GAINESVILLE, GA 30501**, and the **DRINKING WATER STATE REVOLVING FUND, ADMINISTERED BY GEORGIA ENVIRONMENTAL FINANCE AUTHORITY**, a Georgia public corporation (the "**Lender**"), whose address for purposes of this Agreement shall be 233 Peachtree St, NE, Peachtree Center-Harris Tower, Ste 900, Atlanta, GA 30303-1506.

1. Background - The Lender desires to loan to the Borrower **TEN MILLION DOLLARS AND ZERO CENTS (\$10,000,000)** from the **DRINKING WATER STATE REVOLVING FUND, ADMINISTERED BY GEORGIA ENVIRONMENTAL FINANCE AUTHORITY** (the "**Fund**") to finance the costs of acquiring, constructing, and installing the environmental facilities described in Exhibit A attached hereto (the "**Project**"). The Environmental Protection Division ("**EPD**") of the Department of Natural Resources of the State of Georgia has completed all existing statutory reviews and approvals with respect to the Project, as required by Section 50-23-9 of the Official Code of Georgia Annotated, and has approved or will approve the detailed plans and specifications (the "**Plans and Specifications**") for the Project prepared or to be prepared by the Borrower's engineer (the "**Engineer**"), which may be amended from time to time by the Borrower but subject to the approval of the EPD.

2. Loan - Subject to the terms and conditions of this Agreement, the Lender agrees to make the following loan or loans (collectively, the "**Loan**") available to the Borrower:

(a) The Lender agrees to advance to the Borrower, on or prior to the earlier of (1) the Completion Date (as hereinafter defined), (2) **SEPTEMBER 1, 2023**, or (3) the date that the loan evidenced by this Note is fully disbursed, the Loan in a principal amount of up to **\$10,000,000** which Loan may be disbursed in one or more advances but each such disbursement shall reduce the Lender's loan commitment hereunder and any sums advanced hereunder may not be repaid and then re-borrowed.

(b) The Lender's commitment in paragraph (a) above to make advances to the Borrower shall be a limited obligation of the Lender, to be funded solely from available moneys in the Fund and from no other source of funds, including other funds of the Lender.

(c) The Borrower's obligation to pay the Lender the principal of and interest on the Loan shall be evidenced by the records of the Lender and by the Note described below.

3. Note - The Loan shall be evidenced by the Promissory Note, dated this date, executed by the Borrower in favor of the Lender in an original stated principal amount

equal to the maximum amount of the Loan as described above (the “**Note**,” which term shall include any extensions, renewals, modifications, or replacements thereof). The Note shall be in substantially the form attached to this Agreement as Exhibit B.

4. Interest, Fees, and Other Charges - In consideration of the Loan, the Borrower shall pay the Lender the following interest, fees, and other charges:

(a) The Loan shall bear interest at the rate or rates per annum specified in the Note and such interest shall be calculated in the manner specified in the Note.

(b) The Borrower agrees to pay all reasonable out-of-pocket costs and expenses of the Lender incurred in connection with its negotiation, structuring, documenting, and closing the Loan, including, without limitation, the reasonable fees and disbursements of counsel for the Lender. The Borrower agrees to pay all reasonable out-of-pocket costs and expenses of the Lender incurred in connection with its administration or modification of, or in connection with the preservation of its rights under, enforcement of, or any refinancing, renegotiation, restructuring, or termination of, any Credit Document (as hereinafter defined) or any instruments referred to therein or any amendment, waiver, or consent relating thereto, including, without limitation, the reasonable fees and disbursements of counsel for the Lender. Such additional loan payments shall be billed to the Borrower by the Lender from time to time, together with a statement certifying that the amount billed has been incurred or paid by the Lender for one or more of the above items. Amounts so billed shall be paid by the Borrower within thirty (30) days after receipt of the bill by the Borrower.

(c) In the event the Borrower fails to request any advances under the Loan within six (6) months after the dated date of this Agreement, the Borrower shall pay the Lender a fee equal to the Lender’s Loan Continuation Fee, as published from time to time in the Lender’s fee schedules, if the Lender requests the Borrower to pay such fee in writing within twelve (12) months after the dated date of this Agreement, such fee to be payable within fifteen (15) days of such written request.

(d) The Borrower shall pay the Lender an origination fee for the loan in the amount of one percent (1%) of the maximum amount of the Loan, payable on the dates specified by the Lender on not less than thirty (30) days written advance notice.

5. Prepayment - The Loan shall be prepayable in accordance with the terms and conditions of the Note.

6. Authorized Borrower Representative and Successors - The Borrower shall designate a person to act on behalf of the Borrower under this Agreement (the “**Authorized Borrower Representative**”) by written certificate furnished to the Lender, containing the specimen signature of such person and signed on behalf of the Borrower by its chief executive officer. Such certificate or any subsequent or supplemental certificate so executed may designate an alternate or alternates. In the event that any person so designated and his alternate or alternates, if any, should become unavailable

or unable to take any action or make any certificate provided for or required in this Agreement, a successor shall be appointed in the same manner.

7. Conditions to the Loan - At the time of the making of each advance under the Loan by the Lender to the Borrower under this Agreement (each an "**Advance**"), the following conditions shall have been fulfilled to the Lender's satisfaction:

(a) This Agreement and the Note shall have been duly executed and delivered by all required parties thereto and in form and substance satisfactory to the Lender, and the Lender shall have received (1) a certified copy of the resolution adopted by the Borrower's governing body, substantially in the form of Exhibit F attached hereto, and (2) a signed opinion of counsel to the Borrower, substantially in the form of Exhibit E attached hereto.

(b) There shall then exist no Event of Default under this Agreement (or other event that, with the giving of notice or passage of time, or both, would constitute such an Event of Default).

(c) All representations and warranties by the Borrower in this Agreement and the Note (collectively the "**Credit Documents**") shall be true and correct in all material respects with the same effect as if such representations and warranties had been made on and as of the date of such advance.

(d) Since the date of the most recent annual financial statements of the Borrower delivered to the Lender, there shall have been no material adverse change in the financial condition, assets, management, control, operations, or prospects of the Borrower.

(e) The Advance to be made and the use of the proceeds thereof shall not violate any applicable law, regulation, injunction, or order of any government or court.

(f) The Borrower shall submit requests for Advances not more frequently than monthly and at least 21 days before the requested disbursement date.

(g) The Advance to be made and the use of the proceeds thereof shall be limited to payment of costs of the Project set forth in the Project budget included as part of Exhibit A and contemplated by the Plans and Specifications approved by the EPD.

(h) There shall be filed with the Lender:

(1) A requisition for such Advance, stating the amount to be disbursed.

(2) A certificate executed by the Authorized Borrower Representative attached to the requisition and certifying:

(A) that an obligation in the stated amount has been incurred by the Borrower and that the same is a cost of the Project and is presently due and payable or has been paid by the Borrower and is reimbursable hereunder and stating that the bill or statement of account for such obligation, or a copy thereof, is attached to the certificate;

(B) that the Borrower has no notice of any vendor's, mechanic's, or other liens or rights to liens, chattel mortgages, or conditional sales contracts that should be satisfied or discharged before such payment is made; and

(C) that each item on such requisition has not been paid or reimbursed, as the case may be, and such requisition contains no item representing payment on account of any retained percentages that the Borrower is, at the date of any such certificate, entitled to retain or payment for labor performed by employees of the Borrower.

(i) The completed construction on the Project shall be reviewed (at the time each requisition is submitted) by the Engineer, and the Engineer shall certify to the Lender as to (A) the cost of completed construction, (B) the percentage of completion, and (C) compliance with the Plans and Specifications.

8. Representations and Warranties - The Borrower hereby represents and warrants to the Lender:

(a) Creation and Authority. The Borrower is a public body corporate and politic duly created and validly existing under the laws of the State of Georgia and has all requisite power and authority to execute and deliver the Credit Documents and to perform its obligations thereunder.

(b) Pending Litigation. Except as disclosed in writing to the Lender, there are no actions, suits, proceedings, inquiries, or investigations pending or, to the knowledge of the Borrower, after making due inquiry with respect thereto, threatened against or affecting the Borrower in any court or by or before any governmental authority or arbitration board or tribunal, which involve the possibility of materially and adversely affecting the properties, activities, prospects, profits, operations, or condition (financial or otherwise) of the Borrower, or the ability of the Borrower to perform its obligations under the Credit Documents, or the transactions contemplated by the Credit Documents or which, in any way, would adversely affect the validity or enforceability of the Credit Documents or any agreement or instrument to which the Borrower is a party and which is used or contemplated for use in the consummation of the transactions contemplated hereby or thereby, nor is the Borrower aware of any facts or circumstances presently existing that would form the basis for any such actions, suits, or proceedings. Except as disclosed in writing to the Lender, the Borrower is not in default with respect to any judgment, order, writ, injunction, decree, demand, rule, or regulation of any court, governmental authority, or arbitration board or tribunal.

(c) Credit Documents are Legal and Authorized. The execution and delivery by the Borrower of the Credit Documents, the consummation of the transactions therein contemplated, and the fulfillment of or the compliance with all of the provisions thereof (i) are within the power, legal right, and authority of the Borrower; (ii) are legal and will not conflict with or constitute on the part of the Borrower a violation of or a breach of or a default under, any organic document, indenture, mortgage, security deed, pledge, note, lease, loan, or installment sale agreement, contract, or other agreement or instrument to

which the Borrower is a party or by which the Borrower or its properties are otherwise subject or bound, or any license, law, statute, rule, regulation, judgment, order, writ, injunction, decree, or demand of any court or governmental agency or body having jurisdiction over the Borrower or any of its activities or properties; and (iii) have been duly authorized by all necessary and appropriate official action on the part of the governing body of the Borrower. The Credit Documents are the valid, legal, binding, and enforceable obligations of the Borrower. The officials of the Borrower executing the Credit Documents are duly and properly in office and are fully authorized and empowered to execute the same for and on behalf of the Borrower.

(d) Governmental Consents. Neither the Borrower nor any of its activities or properties, nor any relationship between the Borrower and any other person, nor any circumstances in connection with the execution, delivery, and performance by the Borrower of its obligations under the Credit Documents, is such as to require the consent, approval, permission, order, license, or authorization of, or the filing, registration, or qualification with, any governmental authority on the part of the Borrower in connection with the execution, delivery, and performance of the Credit Documents or the consummation of any transaction therein contemplated, except as shall have been obtained or made and as are in full force and effect and except as are not presently obtainable. To the knowledge of the Borrower, after making due inquiry with respect thereto, the Borrower will be able to obtain all such additional consents, approvals, permissions, orders, licenses, or authorizations of governmental authorities as may be required on or prior to the date the Borrower is legally required to obtain the same.

(e) No Defaults. No event has occurred and no condition exists that would constitute an Event of Default or that, with the lapse of time or with the giving of notice or both, would become an Event of Default. To the knowledge of the Borrower, after making due inquiry with respect thereto, the Borrower is not in default or violation in any material respect under any organic document or other agreement or instrument to which it is a party or by which it may be bound, except as disclosed in writing to the Lender.

(f) Compliance with Law. To the knowledge of the Borrower, after making due inquiry with respect thereto, the Borrower is not in violation of any laws, ordinances, or governmental rules or regulations to which it or its properties are subject and has not failed to obtain any licenses, permits, franchises, or other governmental authorizations (which are presently obtainable) necessary to the ownership of its properties or to the conduct of its affairs, which violation or failure to obtain might materially and adversely affect the properties, activities, prospects, profits, and condition (financial or otherwise) of the Borrower, and there have been no citations, notices, or orders of noncompliance issued to the Borrower under any such law, ordinance, rule, or regulation, except as disclosed in writing to the Lender.

(g) Restrictions on the Borrower. The Borrower is not a party to or bound by any contract, instrument, or agreement, or subject to any other restriction, that materially and adversely affects its activities, properties, assets, operations, or condition (financial or otherwise), except as disclosed in writing to the Lender. The Borrower is not a party to any contract or agreement that restricts the right or ability of the Borrower to incur

indebtedness for borrowed money or to enter into loan agreements, except as disclosed in writing to the Lender. Any contract or agreement of the Borrower that pledges the revenues of the Borrower permits such pledged revenues to be used to make payments due under the Credit Documents.

(h) Disclosure. The representations of the Borrower contained in this Agreement and any certificate, document, written statement, or other instrument furnished by or on behalf of the Borrower to the Lender in connection with the transactions contemplated hereby, do not contain any untrue statement of a material fact and do not omit to state a material fact necessary to make the statements contained herein or therein not misleading. There is no fact that the Borrower has not disclosed to the Lender in writing that materially and adversely affects or in the future may (so far as the Borrower can now reasonably foresee) materially and adversely affect the acquisition, construction, and installation of the Project or the properties, activities, prospects, operations, profits, or condition (financial or otherwise) of the Borrower, or the ability of the Borrower to perform its obligations under the Credit Documents or any of the documents or transactions contemplated hereby or thereby or any other transactions contemplated by this Agreement, which has not been set forth in writing to the Lender or in the certificates, documents, and instruments furnished to the Lender by or on behalf of the Borrower prior to the date of execution of this Agreement in connection with the transactions contemplated hereby.

(i) Project Compliance. The Project complies or will comply with all presently applicable building and zoning, health, environmental, and safety ordinances and laws and all other applicable laws, rules, and regulations of any and all governmental and quasi-governmental authorities having jurisdiction over any portion of the Project.

(j) Financial Statements. The financial statements of the Borrower that have been provided to the Lender in connection with the Loan present fairly the financial position of the Borrower as of the date thereof and the results of its operations and its cash flows of its proprietary fund types for the period covered thereby, all in conformity with generally accepted accounting principles (subject to normal year-end adjustments in the case of interim statements). Additionally, the Borrower agrees that all future financial statements that are required to be submitted to the Authority will be prepared in conformity with generally accepted accounting principles, including infrastructure provisions of GASB 34. Since the date of the most recent annual financial statements for the Borrower delivered to the Lender in connection with the Loan, there has been no material adverse change in the Borrower's financial condition, assets, management, control, operations, or prospects.

(k) Reaffirmation. Each request by the Borrower for an advance under the Loan shall constitute a representation and warranty by the Borrower to the Lender that the foregoing statements are true and correct on the date of the request and after giving effect to such advance.

(l) Borrower's Tax Certificate. The representations and warranties of the Borrower set forth in the Borrower's Tax Certificate, dated the date hereof, are hereby

incorporated herein and made a part hereof by this reference thereto, as if fully set forth herein, and are true and correct as of the date hereof.

9. Security for Payments under Credit Documents - (a) As security for the payments required to be made and the obligations required to be performed by the Borrower under the Credit Documents, the Borrower hereby pledges to the Lender its full faith and credit and revenue-raising power (including its taxing power) for such payment and performance. The Borrower covenants that, in order to make any payments required by the Credit Documents when due from its funds to the extent required hereunder, it will exercise its power of taxation and its power to set rates, fees, and charges to the extent necessary to pay the amounts required to be paid under the Credit Documents and will make available and use for such payments all rates, fees, charges, and taxes levied and collected for that purpose together with funds received from any other sources. The Borrower further covenants and agrees that in order to make funds available for such purpose in each fiscal year, it will, in its revenue, appropriation, and budgetary measures through which its tax funds or revenues and the allocation thereof are controlled or provided for, include sums sufficient to satisfy any such payments that may be required to be made under the Credit Documents, whether or not any other sums are included in such measure, until all payments so required to be made under the Credit Documents shall have been made in full. The obligation of the Borrower to make any such payments that may be required to be made from its funds shall constitute a general obligation of the Borrower and a pledge of the full faith and credit of the Borrower to provide the funds required to fulfill any such obligation. In the event for any reason any such provision or appropriation is not made as provided in this Section 9, then the fiscal officers of the Borrower are hereby authorized and directed to set up as an appropriation on their accounts in the appropriate fiscal year the amounts required to pay the obligations that may be due from the funds of the Borrower. The amount of such appropriation shall be due and payable and shall be expended for the purpose of paying any such obligations, and such appropriation shall have the same legal status as if the Borrower had included the amount of the appropriation in its revenue, appropriation, and budgetary measures, and the fiscal officers of the Borrower shall make such payments required by the Credit Documents to the Lender if for any reason the payment of such obligations shall not otherwise have been made.

(b) The Borrower covenants and agrees that it shall, to the extent necessary, levy an annual ad valorem tax on all taxable property located within the territorial or corporate limits of the Borrower, as now existent and as the same may hereafter be extended, at such rate or rates, within any limitations that may be prescribed by law, as may be necessary to produce in each year revenues that will be sufficient to fulfill the Borrower's obligations under the Credit Documents, from which revenues the Borrower agrees to appropriate sums sufficient to pay in full when due all of the Borrower's obligations under the Credit Documents. Nothing herein contained, however, shall be construed as limiting the right of the Borrower to make the payments called for by the Credit Documents out of any funds lawfully available to it for such purpose, from whatever source derived (including general funds or enterprise funds).

10. Borrower Covenants - The Borrower agrees to comply with the following covenants so long as this Agreement is in effect:

(a) Information. The Borrower shall deliver to the Lender, within 180 days after the end of each fiscal year, an electronic copy of the financial statements required under state audit requirements (O.C.G.A. Section 36-81-7). Borrower's annual financial statements shall be prepared in accordance with generally accepted accounting principles and otherwise in form and substance satisfactory to the Lender, which financial statements shall be accompanied by a certificate of the Borrower (1) to the effect that the Borrower is not in default under any provisions of the Credit Documents and has fully complied with all of the provisions thereof, or if the Borrower is in default or has failed to so comply, setting forth the nature of the default or failure to comply, and (2) stating the Fixed Charges Coverage Ratio, the Fixed Charges, and the Income Available for Fixed Charges of the Borrower for the fiscal year. The Borrower also shall promptly provide the Lender (A) upon receipt thereof, a copy of each other report submitted to the Borrower by its accountants in connection with any annual, interim, or special audit made by them of the books of the Borrower (including, without limitation, any management report prepared in connection with such accountants' annual audit of the Borrower) and (B) with such other information relating to the Borrower and the Project as the Lender may reasonably request from time to time.

(b) Access to Property and Records. The Borrower agrees that the Lender, the EPD, and their duly authorized representatives and agents shall have the right, upon reasonable prior notice, to enter the Borrower's property at all reasonable times for the purpose of examining and inspecting the Project, including any construction or renovation thereof. The Borrower shall keep accurate and complete records and books of account with respect to its activities in which proper entries are made in accordance with generally accepted accounting principles reflecting all of its financial transactions. The Lender and the EPD shall also have the right at all reasonable times to examine and make extracts from the books and records of the Borrower, insofar as such books and records relate to the Project or insofar as necessary to ascertain compliance with this Agreement, and to discuss with the Borrower's officers, employees, accountants, and engineers the Project and the Borrower's activities, assets, liabilities, financial condition, results of operations, and financial prospects.

(c) Agreement to Acquire, Construct, and Install the Project. The Borrower covenants to cause the Project to be acquired, constructed, and installed without material deviation from the Plans and Specifications and warrants that the acquisition, construction, and installation of the Project without material deviation from the Plans and Specifications will result in facilities suitable for use by the Borrower and that all real and personal property provided for therein is necessary or appropriate in connection with the Project. The Borrower may make changes in or additions to the Plans and Specifications; provided, however, changes in or additions to the Plans and Specifications that are material shall be subject to the prior written approval of the Engineer and the EPD. The Borrower agrees to complete the acquisition, construction, and installation of the Project as promptly as practicable and with all reasonable dispatch after the date of this Agreement. Without limiting the foregoing sentence, the Borrower shall commence and

complete each activity or event by the deadline stated in the Project Schedule included as part of Exhibit A attached hereto. The Borrower shall comply with the bidding and preconstruction requirements set forth in Exhibit C attached hereto.

(d) Establishment of Completion Date. The date of completion of the acquisition, construction, and installation of the Project (the "**Completion Date**") shall be evidenced to the Lender and the EPD by a certificate of completion signed by the Authorized Borrower Representative and approved by the Engineer, stating that construction of the Project has been completed without material deviation from the Plans and Specifications and all labor, services, materials, and supplies used in such construction have been paid or provided for. Notwithstanding the foregoing, such certificate may state that it is given without prejudice to any rights against third parties that exist at the date of such certificate or that may subsequently come into being. It shall be the duty of the Borrower to cause the certificate contemplated by this paragraph to be furnished as soon as the construction of the Project shall have been completed.

(e) Indemnity. (1) To the extent provided by law, in addition to the other amounts payable by the Borrower under this Agreement (including, without limitation, Section 4 hereof), the Borrower hereby agrees to pay and indemnify the Lender from and against all claims, liabilities, losses, costs, and expenses (including, without limitation, reasonable attorneys' fees and expenses) that the Lender may (other than as a result of the gross negligence or willful misconduct of the Lender) incur or be subjected to as a consequence, directly or indirectly, of (i) any actual or proposed use of any proceeds of the Loan or the Borrower's entering into or performing under any Credit Document, (ii) any breach by the Borrower of any representation, warranty, covenant, or condition in, or the occurrence of any other default under, any of the Credit Documents, including without limitation all reasonable attorneys' fees or expenses resulting from the settlement or defense of any claims or liabilities arising as a result of any such breach or default, (iii) allegations of participation or interference by the Lender in the management, contractual relations, or other affairs of the Borrower, (iv) allegations that the Lender has joint liability with the Borrower to any third party as a result of the transactions contemplated by the Credit Documents, (v) any suit, investigation, or proceeding as to which the Lender is involved as a consequence, directly or indirectly, of its execution of any of the Credit Documents, the making of the Loan, or any other event or transaction contemplated by any of the Credit Documents, or (vi) the conduct or management of or any work or thing done on the Project and any condition of or operation of the Project.

(2) Nothing contained in this paragraph (e) shall require the Borrower to indemnify the Lender for any claim or liability that the Borrower was not given any opportunity to contest or for any settlement of any such action effected without the Borrower's consent. The indemnity of the Lender contained in this paragraph (e) shall survive the termination of this Agreement.

(f) Fixed Charges Coverage Ratio. The Borrower shall not permit the Fixed Charges Coverage Ratio for any fiscal year to be less than 1.05. The following terms are defined terms for purposes of this Agreement:

“Fixed Charges” means, for any period, the sum of all cash outflows that the Borrower cannot avoid without violating the Borrower’s long-term contractual obligations (those obligations that extend for a period greater than one year, determined in accordance with generally accepted accounting principles) and that are accounted for in the enterprise fund containing the Borrower’s water or sewer operations, including, but not limited to, (i) interest on long-term debt, determined in accordance with generally accepted accounting principles, (ii) payments under long-term leases (whether capitalized or operating), and (iii) scheduled payments of principal on long-term debt.

“Fixed Charges Coverage Ratio” means, for any period, the ratio of Income Available for Fixed Charges to Fixed Charges.

“Income Available For Fixed Charges” means, for any period, net income of the Borrower, plus amounts deducted in arriving at such net income for (i) interest on long-term debt (including the current portion thereof), (ii) depreciation, (iii) amortization, (iv) payments under long-term leases, and (v) transfers to other funds of the Borrower.

(g) Tax Covenants. The Borrower covenants that it will not take or omit to take any action nor permit any action to be taken or omitted that would cause the interest on the Note to become includable in the gross income of any owner thereof for federal income tax purposes. The Borrower further covenants and agrees that it shall comply with the representations and certifications it made in its Borrower’s Tax Certificate dated the date hereof and that it shall take no action nor omit to take any action that would cause such representations and certifications to be untrue.

11. Events of Default and Remedies – (a) Each of the following events shall constitute an Event of Default under this Agreement:

(1) Failure by the Borrower to make any payment with respect to the Loan (whether principal, interest, fees, or other amounts) when and as the same becomes due and payable (whether at maturity, on demand, or otherwise); or

(2) The Borrower shall (A) apply for or consent to the appointment of or the taking of possession by a receiver, custodian, trustee, or liquidator of the Borrower or of all or a substantial part of the property of the Borrower; (B) admit in writing the inability of the Borrower, or be generally unable, to pay the debts of the Borrower as such debts become due; (C) make a general assignment for the benefit of the creditors of the Borrower; (D) commence a voluntary case under the federal bankruptcy law (as now or hereafter in effect); (E) file a petition seeking to take advantage of any other law relating to bankruptcy, insolvency, reorganization, winding-up, or composition or adjustment of debts; (F) fail to controvert in a timely or appropriate manner, or acquiesce in writing to, any petition filed against the Borrower in an involuntary case under such federal bankruptcy law; or (G) take any action for the purpose of effecting any of the foregoing; or

(3) A proceeding or case shall be commenced, without the application of the Borrower, in any court of competent jurisdiction, seeking (A) the liquidation,

reorganization, dissolution, winding-up, or composition or readjustment of debts of the Borrower; (B) the appointment of a trustee, receiver, custodian, liquidator, or the like of the Borrower or of all or any substantial part of the assets of the Borrower; or (C) similar relief in respect of the Borrower under any law relating to bankruptcy, insolvency, reorganization, winding-up, or composition and adjustment of debts, and such proceeding or case shall continue undismissed, or an order, judgment, or decree approving or ordering any of the foregoing shall be entered and continue in effect, for a period of sixty (60) days from commencement of such proceeding or case or the date of such order, judgment, or decree, or any order for relief against the Borrower shall be entered in an involuntary case or proceeding under the federal bankruptcy law; or

(4) Any representation or warranty made by the Borrower in any Credit Document shall be false or misleading in any material respect on the date as of which made (or deemed made); or

(5) Any default by the Borrower shall occur in the performance or observance of any term, condition, or provision contained in any Credit Document and not referred to in clauses (1) through (4) above, which default shall continue for thirty (30) days after the Lender gives the Borrower written notice thereof; or

(6) Any material provision of any Credit Document shall at any time for any reason cease to be valid and binding in accordance with its terms on the Borrower, or the validity or enforceability thereof shall be contested by the Borrower, or the Borrower shall terminate or repudiate (or attempt to terminate or repudiate) any Credit Document; or

(7) Default in the payment of principal of or interest on any other obligation of the Borrower for money borrowed (or any obligation under any conditional sale or other title retention agreement or any obligation secured by purchase money mortgage or deed to secure debt or any obligation under notes payable or drafts accepted representing extensions of credit or on any capitalized lease obligation), or default in the performance of any other agreement, term, or condition contained in any contract under which any such obligation is created, guaranteed, or secured if the effect of such default is to cause such obligation to become due prior to its stated maturity; provided that in each and every case noted above the aggregate then outstanding principal balance of the obligation involved (or all such obligations combined) must equal or exceed \$100,000; or

(8) Default in the payment of principal of or interest on any obligation of the Borrower for money borrowed from the Lender (other than the Loan) or default in the performance of any other agreement, term, or condition contained in any contract under which any such obligation is created, guaranteed, or secured if the effect of such default is to entitle the Lender to then cause such obligation to become due prior to its stated maturity (the parties intend that a default may constitute an Event of Default under this paragraph (8) even if such default would not constitute an Event of Default under paragraph (7) immediately above); or

(9) The dissolution of the Borrower; or

(10) Any material adverse change in the Borrower's financial condition or means or ability to perform under the Credit Documents; or

(11) The occurrence of any other event as a result of which the Lender in good faith believes that the prospect of payment in full of the Loan is impaired.

(b) Upon the occurrence of an Event of Default, the Lender, at its option, without demand or notice of any kind, may declare the Loan immediately due and payable, whereupon all outstanding principal and accrued interest shall become immediately due and payable.

(c) Upon the occurrence of an Event of Default, the Lender, without notice or demand of any kind, may from time to time take whatever action at law or in equity or under the terms of the Credit Documents may appear necessary or desirable to collect the Loan and other amounts payable by the Borrower hereunder then due or thereafter to become due, or to enforce performance and observance of any obligation, agreement, or covenant of the Borrower under the Credit Documents.

(d) In the event of a failure of the Borrower to pay any amounts due to the Lender under the Credit Documents within 15 days of the due date thereof, the Lender shall perform its duty under Section 50-23-20 of the Official Code of Georgia Annotated to notify the state treasurer of such failure, and the Lender may apply any funds allotted to the Borrower that are withheld pursuant to Section 50-23-20 of the Official Code of Georgia Annotated to the payment of the overdue amounts under the Credit Documents.

(e) Upon the occurrence of an Event of Default, the Lender may, in its discretion, by written notice to the Borrower, terminate its remaining commitment (if any) hereunder to make any further advances of the Loan, whereupon any such commitment shall terminate immediately.

12. Assignment or Sale by Lender - (a) The Credit Documents, and the obligation of the Borrower to make payments thereunder, may be sold, assigned, or otherwise disposed of in whole or in part to one or more successors, grantors, holders, assignees, or subassignees by the Lender. Upon any sale, disposition, assignment, or reassignment, the Borrower shall be provided with a notice of such assignment. The Borrower shall keep a complete and accurate register of all such assignments in form necessary to comply with Section 149(a) of the Internal Revenue Code of 1986, as amended.

(b) The Borrower agrees to make all payments to the assignee designated in the assignment, notwithstanding any claim, defense, setoff, or counterclaim whatsoever that the Borrower may from time to time have against the Lender. The Borrower agrees to execute all documents, including notices of assignment, which may be reasonably requested by the Lender or its assignee to protect its interests in the Credit Documents.

(c) The Borrower hereby agrees that the Lender may sell or offer to sell the Credit Documents (i) through a certificate of participation program, whereby two or more interests are created in the Credit Documents or the payments thereunder or (ii) with other

similar instruments, agreements, and obligations through a pool, trust, limited partnership, or other entity.

13. Miscellaneous - (a) This Agreement shall be governed by and construed in accordance with the internal laws of the State of Georgia, exclusive of such state's rules regarding choice of law.

(b) This Agreement shall be binding upon and shall inure to the benefit of the Borrower, the Lender, and their respective heirs, legal representatives, successors, and assigns, but the Borrower may not assign or transfer any of its rights or obligations hereunder without the express prior written consent of the Lender.

(c) This Agreement may not be waived or amended except by a writing signed by authorized officials of the Lender and the Borrower.

(d) This Agreement shall be effective on the date on which the Borrower and the Lender have signed one or more counterparts of it and the Lender shall have received the same, provided the Lender receives the same executed by the Borrower by **MAY 5, 2021**. At such time as the Lender is no longer obligated under this Agreement to make any further advances under the Loan and all principal, interest, or other amounts owing with respect to the Loan and hereunder have been finally and irrevocably repaid by the Borrower to the Lender, this Agreement shall terminate.

(e) All notices, certificates, requests, demands, or other communications hereunder shall be sufficiently given and shall be deemed given upon receipt, by hand delivery, mail, overnight delivery, telecopy, or other electronic means, addressed as provided at the beginning of this Agreement. Any party to this Agreement may, by notice given to the other party, designate any additional or different addresses to which subsequent notices, certificates, or other communications shall be sent. For purposes of this Section, "electronic means" shall mean telecopy or facsimile transmission or other similar electronic means of communication that produces evidence of transmission.

(f) This Agreement may be executed in one or more counterparts.

(g) All pronouns used herein include all genders and all singular terms used herein include the plural (and vice versa).

(h) In the event any provision of this Agreement shall be held invalid or unenforceable by any court of competent jurisdiction, such holding shall not invalidate or render unenforceable any other provision hereof.

(i) Statements in Exhibit D attached hereto shall govern the matters they address.

(j) This Agreement and the Note constitute the entire agreement between the Borrower and the Lender with respect to the Loan and supersede all prior agreements, negotiations, representations, or understandings between such parties with respect to such matters.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed and delivered by their respective officials hereunto duly authorized as of the date first above written.

SPECIMEN PROMISSORY NOTE

\$10,000,000

FOR VALUE RECEIVED, the undersigned (hereinafter referred to as the **"Borrower"**) promises to pay to the order of the **DRINKING WATER STATE REVOLVING FUND, ADMINISTERED BY GEORGIA ENVIRONMENTAL FINANCE AUTHORITY** (hereinafter referred to as the **"Lender"**) at the Lender's office located in Atlanta, Georgia, or at such other place as the holder hereof may designate, the principal sum of **TEN MILLION DOLLARS AND ZERO CENTS (\$10,000,000)**, or so much thereof as shall have been advanced hereagainst and shall be outstanding, together with interest on so much of the principal balance of this Note as may be outstanding and unpaid from time to time, calculated at the rate or rates per annum indicated below.

The unpaid principal balance of this Note shall bear interest at a rate per annum equal to **ZERO AND 13/100 PERCENT (0.13%)**, (1) calculated on the basis of actual number of days in the year and actual days elapsed until the Amortization Commencement Date (as hereinafter defined), and (2) calculated on the basis of a 360-day year consisting of twelve 30-day months thereafter.

Accrued interest on this Note shall be payable monthly on the first day of each calendar month until the first day of the calendar month following the earlier of (1) the Completion Date (as defined in the hereinafter defined Loan Agreement), (2) **SEPTEMBER 1, 2023**, or (3) the date that the loan evidenced by this Note is fully disbursed (the **"Amortization Commencement Date"**). Principal of and interest on this Note shall be payable in **TWO HUNDRED THIRTY-NINE (239)** consecutive monthly installments equal to the Installment Amount (as hereinafter defined), commencing on the first day of the calendar month following the Amortization Commencement Date, and continuing to be due on the first day of each succeeding calendar month thereafter, together with a final installment equal to the entire remaining unpaid principal balance of and all accrued interest on this Note, which shall be due and payable on the date that is **20** years from the Amortization Commencement Date (the **"Maturity Date"**).

This Note shall bear interest on any overdue installment of principal and, to the extent permitted by applicable law, on any overdue installment of interest, at the aforesaid rates. The Borrower shall pay a late fee equal to the Lender's late fee, as published from time to time in the Loan Servicing Fee schedules, for any installment payment or other amount due hereunder that is not paid by the 15th of the month in which the payment is due.

"Installment Amount" means the amount equal to the monthly installment of principal and interest required to fully amortize the then outstanding principal balance of this Note as of the Amortization Commencement Date at the rate of interest on this Note, on the basis of level monthly debt service payments from the Amortization Commencement Date to and including the Maturity Date.

All payments or prepayments on this Note shall be applied first to unpaid fees and late fees, then to interest accrued on this Note through the date of such payment or prepayment, and then to principal (and partial principal prepayments shall be applied to such installments in the inverse order of their maturity).

At the option of the Lender, the Borrower shall make payments due under this Note using pre-authorized electronic debit transactions, under which the Lender will be authorized to initiate and effect debit transactions from a designated account of the Borrower without further or additional approval or confirmation by the Borrower. The Borrower further agrees to adopt any necessary approving resolutions and to complete and execute any necessary documents in order for the Lender to effect such pre-authorized debit transactions. In the event the Borrower has insufficient funds in its designated account on the date the Lender attempts to debit any payment due hereunder, the Borrower shall pay the Lender a processing fee equal to the Lender's processing fee, as published from time to time in the Lender's fee schedules for each such occurrence (but not exceeding two such processing fees in any calendar month), in addition to any late fee as provided above.

The Borrower may prepay the principal balance of this Note in whole or in part at any time without premium or penalty.

This Note constitutes the Promissory Note issued under and pursuant to and is entitled to the benefits and subject to the conditions of a Loan Agreement (the "**Loan Agreement**"), dated the date hereof, between the Borrower and the Lender, to which Loan Agreement reference is hereby made for a description of the circumstances under which principal shall be advanced under this Note. Reference is hereby made to the Loan Agreement for a description of the security for this Note and the options and obligations of the Borrower and the Lender hereunder. Upon an Event of Default (as defined in the Loan Agreement), the entire principal of and interest on this Note may be declared or may become immediately due and payable as provided in the Loan Agreement.

The obligation of the Borrower to make the payments required to be made under this Note and to perform and observe any and all of the other covenants and agreements on its part contained herein shall be a general obligation of the Borrower, as provided in the Loan Agreement, and shall be absolute and unconditional irrespective of any defense or any rights of setoff, counterclaim, or recoupment, except for payment, it may otherwise have against the Lender.

In case this Note is collected by or through an attorney-at-law, all costs of such collection incurred by the Lender, including reasonable attorney's fees, shall be paid by the Borrower.

Time is of the essence of this Note. Demand, presentment, notice, notice of demand, notice for payment, protest, and notice of dishonor are hereby waived by each and every maker, guarantor, surety, and other person or entity primarily or secondarily liable on this Note. The Lender shall not be deemed to waive any of its rights under this Note unless such waiver be in writing and signed by the Lender. No delay or omission by the Lender in exercising any of its rights under this Note shall operate as a waiver of such rights, and a waiver in writing on one occasion shall not be construed as a consent to or a waiver of any right or remedy on any future occasion.

This Note shall be governed by and construed and enforced in accordance with the laws of the State of Georgia (without giving effect to its conflicts of law rules). Whenever possible, each provision of this Note shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Note shall be prohibited by or invalid under applicable law, such provision shall be ineffective only to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this Note.

Words importing the singular number hereunder shall include the plural number and vice versa, and any pronoun used herein shall be deemed to cover all genders. The word "Lender" as used herein shall include transferees, successors, and assigns of the Lender, and all rights of the Lender hereunder shall inure to the benefit of its transferees, successors, and assigns. All obligations of the Borrower hereunder shall bind the Borrower's successors and assigns.

15. As required by 40 CFR Part 33.501(b), the Environmental Protection Agency (EPA) Disadvantaged Business Enterprise Rule requires State Revolving Loan recipients to create and maintain a bidders list. The purpose of a bidders list is to provide the Borrower who conducts competitive bidding with a more accurate database of the universe of Minority Business Enterprises (MBE) and Women Business Enterprises (WBE) and non-MBE/WBE prime and subcontractors. The list must include all firms

that bid on EPA-assisted projects, including both MBE/WBEs and non-MBE/WBEs. The bidders list must be kept active until the project period for the loan has ended.

The bidders list must contain the following information from all prime contractors and subcontractors:

Drinking Water State Revolving Fund, Administered by

Atlanta, GA 30303-1506

Ladies and Gentlemen:

As counsel for the **CITY OF GAINESVILLE** (the "Borrower"), I have examined duly executed originals of the Loan Agreement (the "Loan Agreement"), Loan/Project No. **DW2020032**, between the Borrower and the **DRINKING WATER STATE REVOLVING FUND, ADMINISTERED BY GEORGIA ENVIRONMENTAL FINANCE AUTHORITY** (the "Lender"), the related Promissory Note (the "Note") of the Borrower, the proceedings taken by the Borrower to authorize the Loan Agreement and the Note (collectively, the "Credit Documents"), and such other documents, records, and proceedings as I have deemed relevant or material to render this opinion, and based upon such examination, I am of the opinion, as of the date hereof, that:

1. The Borrower is a public body corporate and politic, duly created and validly existing under the laws of the State of Georgia.
2. The Credit Documents have been duly authorized, executed, and delivered by the Borrower and are legal, valid, and binding obligations of the Borrower, enforceable in accordance with their terms.
3. To the best of my knowledge, no litigation is pending or threatened in any court or other tribunal, state or federal, in any way questioning or affecting the validity of the Credit Documents.

4. To the best of my knowledge, the execution, delivery, and performance by the Borrower of the Credit Documents will not conflict with, breach, or violate any law, any order or judgment to which the Borrower is subject, or any contract to which the Borrower is a party.

5. The signatures of the officers of the Borrower that appear on the Credit Documents are true and genuine. I know such officers and know them to be the duly elected or appointed qualified incumbents of the offices of the Borrower set forth below their names.

With your permission, in rendering the opinions set forth herein, I have assumed the following, without any investigation or inquiry on my part:

- (i) the due authorization, execution, and delivery of the Credit Documents by the Lender; and
- (ii) that the Credit Documents constitute the binding obligations of the Lender and that the Lender has all requisite power and authority to perform its obligations thereunder.

The enforceability of the Credit Documents (i) may be limited by bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium, and other similar laws affecting the enforcement of creditors' rights, (ii) may be subject to general principles of equity, whether applied by a court of law or equity, and (Hi) may also be subject to the exercise of judicial discretion in appropriate cases.

Very truly yours,

Sewer Service Cost Participation Agreement with the City of Gainesville

THIS AGREEMENT is entered into as of the ____th day of _____, 2023, by and between the **CITY OF GAINESVILLE**, a municipal corporation existing in and by virtue of the laws of the State of Georgia (hereinafter referred to as “City”), and **GDCI GA 9, L.P. and PACIFIC CREST MANAGEMENT, LLC** (hereinafter collectively referred to as “Developer”).

WITNESSETH:

The purpose of this agreement is to set forth the obligations, duties and legal relationship of the parties hereto with regard to providing wastewater services to the Developer.

The Developer intends to construct a 399-unit residential development on an approximately 350-acre tract located in East Hall County at 2955 Gillsville Highway (parcel # 15016 000030A). Said 350-acre tract is currently owned by Pacific Crest Management, LLC and is more particularly described in that Limited Warranty Deed from REO Funding Solutions III, LLC to Pacific Crest Management, LLC dated December 16, 2016, recorded in Deed Book 7823, Pages 68-71, Hall County, Georgia Deed Records. Said real property is hereinafter referred to as “Developer’s Property.” Developer has requested City of Gainesville serve the development on Developer’s Property with sanitary sewer.

In order for the City to provide sanitary sewer service to the Developer, the City is currently constructing a pump station, force main and gravity sanitary sewers (hereinafter referred to as “Project”) located on properties approximately 1,000 feet West of the Developer’s Property. The Developer will be responsible for connection to these facilities upon completion.

NOW, THEREFORE, for and in consideration of the mutual covenants and recitals contained herein and in consideration of the promises, performance, and compensation as set out in the terms and conditions hereinafter enumerated, City and Developer agree as follows:

1. Service to be provided. City agrees to provide sewage treatment service to Developer’s Property for wastewater flow which is collected and transported by the Developer’s sewage collection system to the City’s sewage collection system, as hereinafter set out. The Developer’s requested capacity of the City’s Project is a peak flow of approximately 175 GPM.
2. Cost Participation. The Developer agrees to contribute the amount of \$1,700,000 towards the cost of the City’s Project.

3. Sewer Service District. Developer's Property lies within the sanitary sewer district deemed "Gainesville-Hall County" by House Bill 489 Sewer Service Districts map. The Developer's Property is located in Hall County jurisdiction and not within the corporate limits of the City of Gainesville. Therefore, Developer's requested sewer capacity of 175 GPM (252,000 GPD) will be accounted for in Hall County's current contracted amount of 1,000,000 GPD of sanitary sewer treatment capacity. Sewer flow from the Developer's Property shall be measured with a sewer flow meter installed on the sewer discharge line at the Developer's constructed sanitary sewer lift station.
4. Project Funds. Prior to issuance of a land disturbance permit for construction on Developer's Property, Developer shall pay the sum of \$1,700,000 to the City as Developer's cost portion of the Project. The City shall be responsible for the remainder amount to fund the City's share of the costs of the Project. These funds shall be paid from the City of Gainesville Department of Water Resources Capital Projects Fund.
5. Right to Information. City and Developer and their duly authorized agents and representatives will have the right of access to pertinent information on this Project. Specifically, all such parties will have access to information regarding the cost, design, schedule, construction, maintenance and operation of the Project.
6. Additional Customers. The City may accept additional customers or change the estimated capacity of the system at any time so long as the Developer's guaranteed capacity of 175 GPM can be met by the system.
7. Default and Termination.
 - (a) If a party fails to fully perform any of the terms or provisions of this Agreement, such failure shall constitute an event of default by such party under this Agreement.
 - (b) A defaulting party shall have thirty (30) days grace within which to cure or commence good faith cure of the above events of default from the date of receipt of written notice by certified mail from the other party that it intends to regard such violation as a default pursuant to the Agreement.
 - (c) In the event of any litigation regarding this Agreement arising between City and Developer, both parties do hereby mutually consent to the jurisdiction of the Superior Court of Hall County, Georgia.
 - (d) The failure to enforce any breach of this Agreement by either party shall not constitute a waiver as to the right to require the performance of such defaulted obligation or duty required of either party pursuant to this Agreement. It is acknowledged that every obligation or duty required of either party pursuant to this Agreement shall be considered a condition of performance both as to time and substance.
8. Notices. All notices or communications required under this Agreement shall be in writing to the parties' designated agent at their address given below:

9. Dispute Resolution. Arbitration will not be allowed on this Project. All disputes arising out of this Agreement shall be mediated by the parties within a reasonable time after the first request for mediation, prior to either party filing a suit in a court of law, provided, however, that neither party shall be obligated to mediate prior to requesting injunctive relief.
10. Miscellaneous Provisions.
- (a) Each of the terms and conditions of this Agreement shall apply, extend to, be binding upon, and inure to the benefit or detriment of the parties hereto, their respective successors and assigns. Such successor in interest or assignee shall have all rights, powers and privileges conferred by this Agreement and shall be entitled to enforce the same according to law.
 - (b) Should any provision of this Agreement require judicial interpretation, it is agreed and stipulated by and between the parties hereto that the court interpreting or construing the same shall not apply a presumption that the provisions hereof shall be more strictly construed against one party by reason of the rule of construction that an instrument is to be construed more strictly against the party who prepared the same.
 - (c) This Agreement shall be governed by, construed under, performed and enforced in accordance with the laws of the State of Georgia.
 - (d) This agreement supersedes all prior negotiations, discussions, statements and agreements between the parties and constitutes the full, complete and entire agreement between the parties with respect to the subject hereof; no member, officer, employee or agent of any party has authority

to make, or has made, any statement, agreement, representation or contemporaneous agreement, oral or written, in connection herewith, amending, supplementing, modifying, adding to, deleting from, or changing the terms and conditions of this Agreement. No modification of or amendment to this Agreement shall be binding on any party hereto unless such modification or amendment shall be properly authorized, in writing, properly signed by both parties, unless otherwise provided, and incorporated in and by reference made a part hereof.

- (e) The headnotes or titles to the sections of this Agreement are inserted only as a matter of convenience and for reference, and in no way confine, limit nor describe the scope nor intent of any section of this Agreement nor in any way affect this Agreement.
- (f) This Agreement is executed in multiple counterparts, and each of the counterparts shall be deemed to be an original and shall have the same force and effect as if it alone had been executed by the parties.

IN WITNESS WHEREOF, the parties, by and through their duly authorized officers, have caused these presents to be executed on their behalf, the day and year first above written.
