REFERENCE: GAINESVILLE PARKS & RECREATION 100th ANNIVERSARY

Dear Mrs. Mattison:

In 1924, at a time when “recreation” was a little-known word, the citizens of Gainesville had the vision and foresight to understand the importance and benefits of quality parks and recreation programming to a community of citizens.

The citizens of Gainesville, by a two-thirds majority vote, approved the establishment of what has become one of the benchmark parks and recreation agencies in the state.

The Gainesville Parks & Recreation Agency has been guided by a strong citizen board who have worked diligently to provide an outstanding system of programs and facilities to enhance the quality of life of the citizens of Gainesville, as well as visitors.

The City of Gainesville is grateful to the members who have served on the Gainesville Parks & Recreation Board and to the many dedicated parks and recreation professionals who have tirelessly and faithfully served the Gainesville community over the last 100 years.

The Gainesville Parks & Recreation Agency has diligently strived to fulfill their mission of seeking to enrich the quality of life of the citizens they serve by providing safe and accessible facilities and a diversified program of activities in an effective, efficient, equitable and responsive manner.

On behalf of the City of Gainesville, I, W. Samuel Couvillon, Mayor and the Gainesville City Council, hereby congratulate all who have contributed to the success of the Gainesville Parks & Recreation Agency. We further recognize **“Gainesville Parks & Recreation’s 100th Anniversary”** and encourage all citizens to discover the programs and services afforded them through their award-winning Parks & Recreation Agency.

Recognized this 16th day of April, 2024

Final Approval Date: April 11, 2024
Presenter: Bryan Lackey, City Manager
Item of Business: BR-2024-11 448 West Highland Drive Annexation Waiver
Meeting Date: April 16, 2024

Purpose of Request:

The property owner of 448 West Highland Drive has formally requested a waiver of the annexation requirement for sanitary sewer service for a proposed further poultry processing facility. The property is currently contiguous with the City limits.

Facts & Issues / History & Background:

Per resolution BR-2018-44, the governing body of the City may waive the annexation requirement for sanitary sewer service if the proposed use of the property is non-conforming to the City's Unified Land Development Code (ULDC) or if the use is inconsistent with the City's Comprehensive Future Land Use Plan. Community and Economic Development Department staff have identified the proposed use as non-conforming and, as such, supports the developer's desire to remain in unincorporated Hall County while still allowing the development to connect to the City's sanitary sewer system.

Department Recommendation:

Approve the proposed resolution for a request by the property owner to remain in unincorporated Hall County and connect to the City's public sanitary sewer system, while waiving the requirement to annex the property into the City limits of Gainesville.

RESOLUTION BR-2024-11

448 WEST HIGHLAND DRIVE ANNEXATION WAIVER

WHEREAS, the City of Gainesville owns and operates a sanitary sewer collection system serving the City of Gainesville and surrounding areas; and

WHEREAS, the City of Gainesville requires property owners who desire to connect to the sanitary sewer collection system to annex into the corporate limits of the City of Gainesville prior to connection when contiguous to the City Limits; and

WHEREAS, in some instances, the City may desire to provide sanitary sewer service to property which is contiguous to the municipal boundaries of the City for protection of the public health and welfare of the community, despite the proposed use of said property not conforming to the City Unified Land Development Code and/or despite the proposed use of said property being inconsistent with the City Comprehensive Future Land Use Plan; and

WHEREAS, in these instances, the City of Gainesville will allow connection to the City's sanitary sewer collection system without requiring annexation into the City Limits but will require execution of a sanitary sewer service agreement and power of attorney for future annexation of said property; and

WHEREAS, the developer, 448 West Highland Drive Property, LLC, proposes a further poultry processing facility encompassing the property located at 448 West Highland Drive and has formally requested, in writing, the annexation requirement for connection to the City's sanitary sewer system be waived; and

WHEREAS, Community and Economic Development Department staff have identified the nature of the development to be non-conforming with the City's Comprehensive Future Land Use Plan.

NOW, THEREFORE, BE IT RESOLVED THAT the governing body for the City of Gainesville hereby approves this request to allow connection of the proposed development to the City's sanitary sewer system without annexing.

BE IT FURTHER RESOLVED THAT the Mayor, City Manager and/or City Attorney are authorized to sign any and all documents that may be necessary to effectuate the connection of the Property to the City's sanitary sewer system.

Adopted this ____ day of _____, 2024.

Subject: 448 West Highland Drive

Nick,

The Community and Economic Development Department received a petition from Sermavica, LLC to annex 448 West Highland Drive for the further processing of poultry products. While the subject property is contiguous to the city limits, the proposed use does not meet the minimum standards to establish a food processing plant according to Section 9-10-6-14 of the Gainesville Unified Land Development Code. Specifically, the property does not meet the minimum 5.0 acres requirement, minimum 100 foot buffer and setback requirement from residential zoned property, and required access from a collector or arterial street. Therefore, the property should remain within unincorporated Hall County at this time. If the proposed use of the property were to change, the property may be eligible to be annexed at such time.

RESOLUTION BR-2024-12

**ABANDONMENT AND CONVEYANCE
CITY OF GAINESVILLE, GEORGIA – OWNED PROPERTY ON BROAD STREET**

WHEREAS, pursuant to O.C.G.A. Sec. 32-7-1 et seq., the City of Gainesville hereby deems it to be in the public interest to abandon a portion of the public roads within its jurisdiction known as Broad Street, as more specifically set forth in the exhibit attached hereto as Exhibit “A,” and as more specifically described in the legal description attached hereto as Exhibit “B” (hereinafter referred to as “the Property”); and

WHEREAS, the removal of the Property from the municipal street system is in the best public interest, as it will allow for the improvement of adjoining property; and

WHEREAS, the City provided notice of the proposed abandonment to property owners located adjacent to the Property; and

WHEREAS, the City hereby certifies and declares the Property to be abandoned and no longer part of the municipal street system; and

WHEREAS, the rights of the public in and to the Property as a public road shall cease, except for the easement retained as set forth above; and

WHEREAS, the City listed the Property through a licensed real estate broker, Doug Carter of Don Carter Realty Co., who has a place of business located in the State of Georgia, for at least 30 days; and

WHEREAS, commencing at the time of the listing of the Property, the City provided for a notice to be inserted once a week for two weeks in the legal organ of Hall County, the Gainesville Times, indicating the name of the real estate broker listing the Property; and

WHEREAS, W. McRae Greene, a real estate appraiser with knowledge of the local real estate market who is licensed in Georgia, established the fair market value of the Property prior to the listing at \$505,320.00; and

WHEREAS, Medical Arts Properties 2.0, L.P. submitted an offer to purchase the Property for the sum of \$505,320.00, which offer is within 15 percent of the established market value of the Property.

NOW, THEREFORE, BE IT RESOLVED THAT the governing body for the City of Gainesville hereby approves the conveyance of the Property to Medical Arts Properties 2.0, L.P. or its assigns for the sum of \$505,320.00 and authorizes the Mayor, the City Manager, and the City Attorney to execute a quitclaim deed and such other documents that may be necessary to complete the conveyance of the Property to Medical Arts Properties 2.0, L.P.

- a. The price at which the Property shall be listed for sale is \$ 505,340.320 ("List Price").
b. **Commencement Date of Agreement:** 3/4/2024. This Agreement shall commence and be
effective upon it being signed by Seller and Broker and a signed copy delivered to both parties.
c. **Ending Date of Agreement:** 4/4/2024. This shall be the last full date of the Agreement
after which it shall terminate and no longer be in effect unless the parties agree in writing to extend it.

3. Marketing. Broker agrees to file this listing with the following Multiple Listing Service(s): _____

- a. **DELIVERY OF AGREEMENT TO AND LISTING WITH MLS.** THIS AGREEMENT MUST BE TIMELY DELIVERED TO AND
LISTED WITH THE ABOVE-REFERENCED MULTIPLE LISTING SERVICE(S) IN ACCORDANCE WITH THE RULES OF SUCH
MULTIPLE LISTING SERVICE(S). THIS OBLIGATION SHALL CONTROL OVER ANY CONFLICTING OR INCONSISTENT
LANGUAGE CONTAINED HEREIN.
b. **Marketing Commencement Date:** _____ This shall be the date when the Property is first marketed
to the public. Seller shall have the right, upon notice to Broker, to move this date up or back by not more than _____ days.

4. Commission. [Select one or more of the following below.]

- a. **Commission to be Paid to Seller's Broker.** Seller agrees to pay Broker the following commission ("Commission") at the closing of any Contract to Sell (as that term is hereinafter defined) of the Property as follows:

☒ 3 percent (%) of the sales price;
☐ \$ _____;
☐ (other) _____.

- b. **Seller Directs Seller's Broker to ☐ Pay or ☐ Not to Pay a Cooperating Broker a Portion of Seller's Commission Above.** (NOTHING HEREIN SHALL OBLIGATE SELLER TO DIRECT BROKER TO PAY ANY PORTION OF ITS COMMISSION TO A COOPERATING BROKER. IN SUCH EVENT, THE BUYER SHALL BE RESPONSIBLE FOR PAYING THE COOPERATING BROKER'S COMMISSION). If Seller's Broker is paying a cooperating broker a portion of its commission, it shall be in the amount set forth below, subject to the following exceptions:

☐ _____ percent (%) of the sales price;
☐ \$ _____;
☐ (other) _____.

Exceptions _____

☐ Check if an additional page(s) (F801) is attached (in which event, the same are incorporated herein).

- c. **Separate Commission on Lease.** If Seller leases the Property or enters into a lease/purchase agreement or a lease with an option to purchase agreement during this Agreement, Seller shall also pay Broker a separate leasing commission in the amount of \$ _____ and as follows: _____

Notwithstanding any provision to the contrary contained herein, the payment of a leasing Commission (including in lease/purchase transactions or lease with an option to purchase transactions) shall not relieve Seller from paying the Commission at the closing of a Contract to Sell, as provided elsewhere in this Agreement.

5. Protected Period. The length of Protected Period, as that term is herein defined, shall be _____ days.

6. Agency and Brokerage.

- a. The following are types of agency relationship(s) **NOT** offered by Broker:

☐ seller agency ☐ buyer agency ☐ designated agency ☒ dual agency ☐ sub-agency ☐ tenant agency ☐ landlord agency

- b. If Broker offers dual agency as one of its agency relationships above, Seller ☐ does or ☐ does not consent to Broker acting in a dual agency capacity, as that agency relationship is explained in Section B.6(b) below and in the CB01 ABCs of Agency. Seller expressly consents to Broker acting in any other agency relationship offered by Broker.

7. Lead-Based Paint Disclosure. Federal law requires disclosure of lead-based paint in homes/residential properties, or a portion thereof, constructed prior to 1978. [select one below]

- a. ☐ A dwelling on the Property, or portion thereof, was constructed prior to 1978, Seller agrees to complete and provide Broker with a signed Lead-Based Paint Disclosure Exhibit (F316) at the same time as the signing of this Agreement and is attached as Exhibit "_____".

OR

- b. ☒ No dwelling on the Property, or portion thereof, was constructed prior to 1978.

8. Seller Has the Following Special Circumstances That Will Require Third-Party Approval Before Seller Can Do the Following:

- a. **List the Property for Sale:**

☐ (1) **Bankruptcy:** Seller has filed for bankruptcy protection and this Agreement is made contingent upon the bankruptcy court authorizing the listing of the Property for sale.
☐ (2) **Divorce:** Seller has filed for divorce and this Agreement is made contingent upon the court having jurisdiction over the divorce action authorizing the listing of the Property for sale.
☐ (3) **Other (Please describe):** _____

- b. **Contract to Sell the Property:**

☐ (1) **Bankruptcy:** Seller has filed for bankruptcy protection. Any purchase and sale agreement for the sale of the Property will need to be conditioned upon the approval of the bankruptcy court.
☐ (2) **Divorce:** Seller has filed for divorce. Any purchase and sale agreement for the sale of the Property will need to be conditioned upon the approval of the court having jurisdiction over the divorce.
☐ (3) **Short Sale:** The sale of the Property will not generate sufficient proceeds to pay off the Broker's real estate commission and all mortgages or liens on the Property. Therefore, the purchase and sale agreement for the sale of the Property will need to be made contingent upon the mortgage lender(s) and other lien holders agreeing to take less than the face amount of what they are owed.
☐ (4) **Seller Not On Title:** Seller does not yet have title to the Property and the purchase and sale agreement for the Property ☐ will or ☐ will not need to be subject to Seller acquiring title to the Property.
☐ (5) **Other (Please describe):** _____

9. **Negotiation.** Seller ☒ does OR ☐ does not authorize the Broker to assist, to the extent requested by Seller, in negotiating the terms of and filling out a pre-printed form contracts for Seller's review and approval.

B. FURTHER EXPLANATIONS TO CORRESPONDING PARAGRAPHS IN SECTION A.

1. **Exclusive Seller Brokerage Engagement Agreement.** Seller has the full authority to enter into this Agreement for the listing of Seller's Property for sale. This Agreement may not be amended except by the written agreement of Seller and Broker. The failure of the parties to adhere strictly to the terms and conditions of this Agreement shall not constitute a waiver of the right of the parties later to insist on such strict adherence. Seller is not a party to any other exclusive seller brokerage engagement agreement and all such previous agreements, if any, have expired and not been renewed. Seller acknowledges that Seller may have to pay a previous broker a real estate commission if Seller is subject to a current seller brokerage engagement agreement or has terminated a previous seller brokerage engagement agreement without the consent of the previous broker.
2. **List Price and Listing Period.**
 - a. **List Price:** Seller agrees to list the Property for sale at the list price specified in this Agreement. The failure of the Property to be shown or sell at the list price may be an indication that the list price for the Property is too high.
 - b. **Initial Listing Period When Property Is Under Contract to Sell:** If the Property is under a Contract to Sell, as that term is defined below, during the Listing Period, but the Listing Period expires prior to the closing, then the Listing Period shall be automatically extended through the closing of the Contract to Sell.
 - c. **Extension:** If during the term of this Agreement, Seller and a prospective buyer enter into: 1) a real property purchase and sale agreement for the Property; 2) a contract to exchange property, including the Property; 3) an option contract for the sale of the Property; or 4) a contract to sell the shares or partnership or membership interests in the legal entity constituting Seller (hereinafter, collectively referred to in this Agreement as a "Contract to Sell") which is not consummated or closed for any reason whatsoever, then the Listing Period may be extended unilaterally by Broker for the number of days that Property was under the Contract to Sell (hereinafter, "Extension Period") by Broker providing written notice of the same to Seller within five (5) days of the Contract to Sell not being consummated but in no event later than prior to the expiration of this Agreement (hereinafter, "Notification Period"). If such written notice is not given before the end of the Notification Period, then the Extension Period for that transaction shall be deemed to have been waived by Broker.
3. **Marketing.**
 - a. **Generally:** Broker is authorized to market and advertise Property for sale in any media of Broker's choosing, including the Internet and multiple listing services, and attempt to procure buyers for the Property in cooperation with other real estate brokers and their affiliated licensees. Seller acknowledges that in listing the Property in a multiple listing service, all members of multiple listing services and real estate related third parties will have access to Seller's listing information including images and recordings and the right to use all available technology to create, download, store, supplement and manipulate such listing information to assist Seller in the sale of the Property and for tracking and analyzing real estate transactions. As such, Broker may not always have control over aspects of the marketing of the Property. Any media created or purchased by Broker to be used in the marketing effort shall not belong to or be the property of the Seller and may not be copied, reproduced, or used by Seller or other third parties without the express written permission of the Broker. Seller warrants that any media provided or paid for by Seller is the property of the Seller. Seller agrees to indemnify the Broker for any claim by a third party related to the use of the provided media. Broker shall be allowed to use Seller provided materials, during the term of this Agreement, with any third-party for the purposes of marketing the property, and Seller acknowledges that Broker shall not be liable to Seller for the continued use of media by third-parties after the termination of the Agreement. Seller agrees not to place any advertisements on the Property or to advertise the Property for sale in any media except with the prior written consent of Broker. Broker is also hereby authorized to place Broker's "For Sale" sign on Property. If the Property is sold or a Contract to Sell the Property is entered into during the term of this Agreement, the Broker may advertise the Property (including images thereof) in any media of Broker's choosing as being "under contract" while a sale is pending and as being "sold" upon the closing of the Property (except nothing herein shall permit Broker to place a Sold sign on property no longer owned by Seller except with the written permission of the new owner).
 - b. **Images:** Seller agrees to remove any personal property prior to listing the Property of which Seller does not want images to be so captured. Broker shall not be liable to Seller if other brokers or buyers take photographs, videos or use other technology to capture and manipulate images of the Property without the permission of the Seller and Broker.
 - c. **Multiple Listing Service(s):** Broker agrees to file this Agreement with the above referenced Multiple Listing Service(s) within one (1) business day of the Marketing Commencement Date, which shall be the date the Property is made available to the public. Marketing of the property to the public includes, but is not limited to, flyers displayed in windows, yard signs, digital marketing on public facing websites, brokerage website displays (including IDX and VOW), digital communications marketing (email blasts), multi-brokerage listing sharing networks and applications available to the general public. Internal marketing that only goes to other licensees within the Seller's Broker's firm is not considered public facing marketing unless it is distributed to licensees outside of the brokerage firm. Seller acknowledges that the MLS(s) is/are not a party to this Agreement and is/are not responsible for errors or omissions on the part of Seller or Broker. Seller agrees to indemnify Service(s) from and against any and all claims, liabilities, damages or losses arising out of or related to the listing and sale of Property. Seller acknowledges that by virtue of listing the Property in MLS(s), all MLS(s) members and their affiliated licensees, will have access to Seller's listing information for the purpose of assisting Seller in the sale of the Property.
 - d. **Consent of Seller to be Called:** If Seller is on a "Do Not Call List," Seller expressly consents to Broker calling Seller for any purpose related to the sale of the Property. This paragraph shall survive the termination of this Agreement.
 - e. **Lockboxes:** A lockbox may be used in connection with the marketing of Property. There have been isolated instances of reported burglaries of homes on which lockboxes have been placed and for which the lockbox has been alleged to have been used to access the home. In order to minimize the risk of misuse of the lockbox, Broker recommends against the use of lockboxes on door handles that can be unscrewed from the outside or on other parts of the home from which the lockbox can be easily removed. Since prospective buyers and others will have access to Property, Seller agrees to either remove all valuables, prescription drugs and/or keys, or put them in a secure place.

- f. **No Marketing by Seller:** Seller is encouraged to communicate the availability of the Property for sale to friends and other acquaintances. However, since Broker has been hired to exclusively market and show the Property, Seller shall not, with respect to the sale of the Property, prepare and distribute marketing materials, hold open houses, put up signs regarding the Property, create websites for the Property, prepare flyers, brochures or videos or engage in other similar activities without the prior written consent of Broker.

4. Commission.

- a. **Obligation to Pay Commission:** In the event that Seller enters into a Contract to Sell or lease, lease/purchase, or lease with an option to purchase the Property or any portion thereof during the term of this Agreement with any buyer, seller agrees to pay Broker's Commission at the closing (regardless of whether the closing is during or after the term of this Agreement), and if applicable, Broker's Leasing Commission prior to the commencement of a lease, lease/purchase, or lease with an option to purchase.
- b. **Sharing of Broker's Commission with Cooperating Broker:** If Seller has directed Broker to share its Commission with a cooperating broker, as specified in Section A.4(b) above, it shall be shared with a cooperating broker, if any, who procures the buyer of the Property. If this Agreement specifies that no commission is being paid by the Seller's Broker to the cooperating broker, then no such commission obligation shall exist and the cooperating broker's commission shall be paid by buyer. Seller's Broker shall have no obligation to pay any cooperating broker who is not a participant of any of the Multiple Listing Service(s) in which the Property is listed a commission unless cooperating broker has negotiated and executed with the Seller's Broker a Co-Op Commission Agreement (F258).
- c. **Separate Commission on Lease:** Notwithstanding the above, if Seller leases real property or enters into a lease/purchase or lease with an option to purchase contract during this Agreement, Seller shall also pay Broker a separate Leasing Commission in the amount as indicated elsewhere in this Agreement. Notwithstanding any provision to the contrary contained herein, the payment of a leasing commission (including in lease purchase and lease with an option to purchase transactions) shall not relieve Seller from paying the Commission at the closing of a Contract to Sell, as provided elsewhere in this Agreement.

5. **Protected Period.** The Protected Period shall be the period of time set forth in this Agreement commencing upon the expiration or the unilateral termination of this Agreement by Seller during which Broker shall be protected for its Commission or Leasing Commission, as applicable. If this Agreement is unilaterally terminated by Seller without the consent of the Broker, the Protected Period shall be the number of days remaining on what would have been the original listing as of the date the Seller terminates the Agreement plus the number of days set forth as the Protected Period in Section A.5 of this Agreement. There shall be no Protected Period if Broker and Seller mutually agree to terminate this Agreement. In the event that during the Protected Period, Seller enters into a Contract to Sell or lease, lease/purchase, or lease with an option to purchase of all or any portion of the Property which during the term of this Agreement was submitted to, identified or shown to any buyer (either in person or virtually), was provided specific information about or inquired about the Property, either directly or through a broker working with the buyer, then Seller shall pay Broker at closing or the commencement of the lease, lease/purchase, or lease with an option to purchase, as applicable, the Commission or Leasing Commission set forth above.

Notwithstanding the above, if this Agreement expires (and is not unilaterally terminated by Seller) an exception to the above Commission obligations shall apply and no Commission or Leasing Commission, as applicable, shall be due, owing or paid to Broker if Seller enters into a Contract to Sell or lease, lease/purchase, or lease with an option to purchase all or any portion of the Property during the Protected Period by or through another licensed broker with whom Seller has signed an exclusive seller brokerage engagement agreement. This exception shall not apply if the Agreement is unilaterally terminated by Seller. The Commission rights and obligations set forth herein shall survive the termination of this Agreement.

6. Agency and Brokerage.

- a. **Broker's Policy on Agency:** Unless Broker has indicated elsewhere herein that Broker is not offering a specific agency relationship, the types of agency relationships offered by Broker are: seller agency, buyer agency, designated agency, dual agency, sub-agency, landlord agency, and tenant agency.
- b. **Dual Agency Disclosure:** *[Applicable only if Broker's agency policy is to practice dual agency and Seller has consented to Broker acting in a dual agency capacity.]* If Seller and a prospective buyer are both being represented by the same Broker and the Broker is not acting in a designated agency capacity, Seller is aware that Broker is acting as a dual agent in this transaction and hereby consents to the same. Seller has been advised that:
- (1) In serving as a dual agent, Broker is representing two parties, Seller and the buyer, as clients whose interests are or at times could be different or even adverse;
 - (2) Broker will disclose all adverse, material facts relevant to the transaction and actually known to the dual agent to all parties in the transaction except for information made confidential by request or instructions from either party which is not otherwise required to be disclosed by law;
 - (3) Seller does not have to consent to dual agency. The consent of the Seller to dual agency has been given voluntarily in Section A and the Seller has read and understands this Agreement.
 - (4) Notwithstanding any provision to the contrary contained herein, Seller hereby directs Broker, while acting as a dual agent, to keep confidential and not reveal to the other party any information which could materially and adversely affect their negotiating position except as required by law.
 - (5) Broker or Broker's affiliated licensees will timely disclose to each party the nature of any material relationship with other party other than that incidental to the transaction. A material relationship shall mean any actually known personal, familial, or business relationship between Broker and a party which would impair the ability of Broker to exercise fair and independent judgment relative to another client. The other party whom Broker may represent in the event of dual agency may not be identified at the time Seller enters into this Agreement. If any party is identified after the Agreement and has a material relationship with Broker, then Broker shall timely provide to Seller a disclosure of the nature of such relationship.
 - (6) Upon signing this brokerage engagement with the dual agency disclosures contained herein, Seller's consent to dual agency is conclusively deemed to have been given and informed in accordance with state law, provided that Seller has consented to Broker acting in a dual agency capacity in Section A(6) above.

- c. **Designated Agency Disclosure:** *[Applicable only if Broker's agency policy is to practice designated agency.]* Seller does hereby consent to Broker acting in a designated agency capacity in transactions in which Broker is representing Seller and a prospective buyer, but where Broker assigns one or more of its affiliated licensees exclusively to represent the Seller and one or more of its other affiliated licensees exclusively to represent the prospective buyer.
- d. **No Other Adverse Agency Relationships:** Unless specified herein, Broker has no other known agency relationships with other parties which would conflict with any interests of Seller (except that Broker may represent other buyers, sellers, landlords, and tenants in buying, selling or leasing property).
7. **Lead-Based Paint Disclosure.** As required by federal law (*Residential Lead-Based Paint Hazard Reduction Act of 1992, Title X*), if any portion of a residential dwelling was built prior to 1978, the Lead-Based Paint Disclosure Exhibit (F316) is hereby attached as an exhibit to this Agreement. The term "residential dwelling" includes any painted fixture or material used therein that was built or manufactured prior to 1978. Broker is hereby authorized to distribute any Lead-Based Paint Exhibit to buyer interested in Property.
8. **Special Circumstances.**
- a. The sale of Property is contingent upon a third party's approval as indicated above. It shall be Seller's responsibility to seek to fulfill any contingency or condition selected herein, if any, and ensure that the purchase and sale agreement is made subject to any such contingency or condition.
 - b. Broker agrees to keep confidential all information which Seller asks to be kept confidential by express request or instruction unless Seller permits such disclosure by subsequent word or conduct or such disclosure is required by law. Seller acknowledges, however, that buyer and buyer's broker may possibly not treat any offer made by Seller (including its existence, terms and conditions) as confidential unless those parties have entered into a Confidentiality Agreement with Seller.
 - c. Broker may not knowingly give customers false information.
 - d. In the event of a conflict between Broker's duty not to give customers false information and the duty to keep the confidences of Seller, the duty not to give customers false information shall prevail.
9. **Negotiation.** While Broker may assist Seller in negotiating the terms of a Contract to Sell, if Seller has elected to have Broker assist in this role, all decisions regarding price, terms and other conditions in a Contract to Sell shall still be made by Seller.

C. OTHER TERMS AND CONDITIONS

1. **Seller's Property Disclosure Statement.** Georgia Law (O.C.G.A. §51-6-2) requires that a Seller disclose known latent defects in the Property which could not be observed by Buyer upon a reasonable inspection of the Property. This is the case even if the Property is sold in "as-is" condition. Within three (3) days of the date of this Agreement, Seller agrees to provide Broker with a current, fully executed Seller's Property Disclosure Statement (F301, F304 or F307) or Disclosure of Latent Defects & Fixtures Checklist (F302). Broker is hereby authorized to distribute the Seller's Property Disclosure Statement to buyers interested in Property. Seller agrees to promptly update any of the above-referenced disclosure documents through the Closing should any changes occur.
2. **HAZARDOUS CONDITIONS ON PROPERTY.** SELLER ACKNOWLEDGES THAT BROKER HAS NO DUTY TO INSPECT THE PROPERTY FOR DEFECTS, HAZARDOUS CONDITIONS, REPAIRS OR ANY OTHER MATTER. SELLER OWES A DUTY OF REASONABLE CARE TO KEEP THE PROPERTY SAFE FOR PROSPECTIVE BUYERS AND THEIR AGENTS, INVITEES AND CONTRACTORS WHO VIEW AND/OR INSPECT THE PROPERTY. THIS DUTY INCLUDES A DUTY TO WARN ALL SUCH PERSONS OF DANGEROUS CONDITIONS THAT WOULD NOT BE OBVIOUS TO SUCH PERSONS. TO MINIMIZE SELLER'S POTENTIAL LIABILITY, SELLER IS ENCOURAGED TO CORRECT ALL HAZARDOUS CONDITIONS ON THE PROPERTY. SELLER AGREES TO INDEMNIFY AND HOLD BROKER HARMLESS FROM AND AGAINST ANY AND ALL CLAIMS, CAUSES OF ACTION, SUITS AND DAMAGES ARISING OUT OF OR RELATING TO A PERSON OR PERSONS BEING INJURED OR HARMED WHILE ON THE PROPERTY.
3. **Limits on Broker's Authority and Responsibility.** Seller acknowledges and agrees that Broker:
- a. may show other properties to prospective buyers who are interested in Property;
 - b. shall have no duty to inspect the Property or advise buyer or Seller on any matter relating to the Property which could have been revealed through a survey, appraisal, title search, Official Georgia Wood Infestation Report, utility bill review, septic system inspection, well water test, tests for radon, asbestos, mold, and lead-based paint; inspection of the Property by a licensed home inspector, construction expert, structural engineer, or environmental engineer; review of this Agreement and transaction by an attorney, financial planner, mortgage consultant, or tax consultant; and consulting appropriate governmental officials to determine, among other things and without limitation, the zoning of the Property, the propensity of the Property to flood, flood zone certifications, whether any condemnation action is pending or has been filed or other nearby governmental improvements are planned. Seller acknowledges that Broker does not perform or have expertise in any of the above tests, inspections, and reviews or in any of the matters handled by the professionals referenced above. Seller should seek independent expert advice regarding any matter of concern to Seller relative to the Property and this Agreement. Seller acknowledges that Broker shall not be responsible to monitor or supervise or inspect any portion of any construction or repairs to Property and that such tasks fall outside the scope of real estate brokerages services;
 - c. shall owe no duties to Seller nor have any authority on behalf of Seller other than what is set forth in this Agreement;
 - d. shall make all disclosures required by law;
 - e. shall not be responsible for ensuring that Seller complies with the duties and deadlines contained in any Contract to Sell entered into by Seller and that Seller shall be solely responsible for the same; and
 - f. shall be indemnified and held harmless by Seller from any and all claims, causes of action, or damages arising out of or relating to:
 - (1) inaccurate and/or incomplete information provided by Seller to Broker;
 - (2) earnest money handled by anyone other than Broker;

- (3) Seller's negligence or intentional wrongdoing;
 - (4) any loss or theft of valuables, prescription drugs, keys, or other personal property, relating to the use of a lockbox or an open house resulting from Seller's failure to remove or secure the same;
 - (5) the existence of undisclosed material facts about the Property or the transaction; and
 - (6) any damages or injuries occurring on the Property as a result of dangerous or defective conditions on the Property or the failure to secure or restrain pets.
- g. shall have no authority to bind Seller to any Contract to Sell or give notices on behalf of Seller other than to forward, if requested by Seller, a notice signed by Seller pertaining to a real estate transaction. Under the standard GAR Purchase and Sale Agreement Forms, notice received by the Broker is deemed to be notice received by the Seller.
- 4. LIMIT ON BROKER'S LIABILITY. SELLER ACKNOWLEDGES THAT BROKER:**
- a. **SHALL, UNDER NO CIRCUMSTANCES, HAVE ANY LIABILITY GREATER THAN THE AMOUNT OF THE REAL ESTATE COMMISSION PAID HEREUNDER TO BROKER (EXCLUDING ANY COMMISSION AMOUNT PAID TO A COOPERATING REAL ESTATE BROKER, IF ANY) OR, IF NO REAL ESTATE COMMISSION IS PAID TO BROKER, THEN THE SUM OF \$100; AND**
 - b. **NOTWITHSTANDING THE ABOVE, SHALL HAVE NO LIABILITY IN EXCESS OF \$100 FOR ANY LOSS OF FUNDS AS THE RESULT OF WIRE OR CYBER FRAUD.**
- 5. Disclosure of Potentially Fraudulent Activities as required by the Georgia Residential Mortgage Fraud Act (O.C.G.A. § 16-8-100 et seq.)**
- a. To help prevent fraud in real estate transactions, Seller does hereby give Broker permission to report any suspicious, unusual and/or potentially illegal or fraudulent activity (including but not limited to mortgage fraud) to:
 - (1) Governmental officials, agencies and/or authorities and/or
 - (2) Any mortgage lender, mortgage insurer, mortgage investor and/or title insurance company which could potentially be harmed if the activity was in fact fraudulent or illegal.
 - b. Seller acknowledges that Broker does not have special expertise with respect to detecting fraud in real estate transactions. Therefore, Seller acknowledges that:
 - (1) Activities which are fraudulent or illegal may be undetected by Broker; and
 - (2) Activities which are lawful and/or routine may be reported by Broker as being suspicious, unusual or potentially illegal or fraudulent.
- 6. Miscellaneous.**
- a. **Arbitration:** All claims arising out of or relating to this Agreement and the alleged acts or omissions of any or all the parties hereunder shall be resolved by arbitration in accordance with the Federal Arbitration Act 9 U.S.C. § 1 et. seq. and the rules and procedures of the arbitration company selected to administer the arbitration. Upon making or receiving a demand for arbitration, the parties shall work together in good faith to select a mutually acceptable arbitration company with offices in Georgia to administer and conduct the arbitration. If the parties cannot mutually agree on an arbitration company, the company shall be selected as follows. Each party shall simultaneously exchange with the other party a list of three arbitration companies with offices in Georgia acceptable to that party to administer and conduct the arbitration. If there is only one (1) arbitration company that is common to both lists, that company shall administer and conduct the arbitration. If there is more than one arbitration company that is common to both lists, the parties shall either mutually agree on which arbitration company shall be selected or flip a coin to select the arbitration company. If there is not initially a common arbitration company on the lists, the parties shall repeat the process by expanding their lists by two each time until there is a common name on the lists selected by the parties. The decision of the arbitrator shall be final and the arbitrator shall have authority to award attorneys' fees and allocate the costs of arbitration as part of any final award. All claims shall be brought by a party in his or her individual capacity and not as a plaintiff or class member in any purported class or representative proceeding. The arbitrator may not consolidate more than one person's claims, and may not otherwise preside over any form of a representative or class proceeding. Notwithstanding anything to the contrary contained herein, this agreement to arbitrate shall not apply to: (1) any claim regarding the handling and disbursement of earnest money; and (2) any claim of Broker regarding the entitlement to or the non-payment of a real estate commission hereunder.
 - b. **Assignability:** As part of a sale of all or substantially all of the assets of Broker to another brokerage firm, Seller consents to this Agreement being assigned by Broker to the other brokerage firm. In such event, the assignee, upon consenting to the assignment, shall: (1) thereafter be responsible for performing all of the duties and responsibilities of the assignor under this Agreement; and (2) have all of the rights of assignor including the right to receive the commissions under the Agreement.
 - c. **Attorney's Fees:** In the event this Agreement, or any provision therein, is enforced through or is the subject of a dispute resulting in litigation or arbitration, the prevailing party shall be entitled to recover its actual attorney's fees, reasonably incurred.
 - d. **Broker:** Where the context indicates the term "Broker" shall include Broker's affiliated licensees.
 - e. **Definition of Seller and Buyer:** For the purposes of this section, the term "Seller" shall include Seller, all members of the Seller's immediate family, any legal entity in which Seller or any member of Seller's immediate family owns or controls, directly or indirectly, more than ten percent (10%) of the shares or interests therein, and any third party who is acting under the direction or control of any of the above parties. For the purposes of this Agreement, the term "buyer" shall include buyer, all members of the buyer's immediate family, any legal entity in which buyer or any member of buyer's immediate family owns or controls, directly or indirectly, more than ten percent (10%) of the shares or interests therein, and any third party who is acting under the direction or control of any of the above parties.
 - f. **Entire Agreement:** This Agreement represents the entire agreement of the parties with respect to listing of the Property for sale and is intended to supersede all prior written and verbal agreements of the parties hereto. No representation, statement, promise, or inducement not contained herein shall be binding on either party hereto. This Agreement shall be binding on the heirs of the Seller.

- g. **Fair Housing Disclosure:** Seller acknowledges that Broker is committed to providing equal housing opportunities to all persons and that Seller and Broker are obligated to comply with state and federal fair housing laws in selling the Property. Seller and Broker agree not to discriminate in the sale of the Property on the basis of race, color, religion, national origin, sex, familial status, disability, sexual orientation or gender identity.
- h. **FIRPTA Affidavit:** Unless Seller is a "foreign person", as that term is defined in Section 1445(f)(3) of the Internal Revenue Code, Seller shall deliver to the closing attorney at closing a FIRPTA (Foreign Investment in Real Property Tax Act) Affidavit indicating that Seller is not a "foreign person". If Seller is a "foreign person", additional taxes may need to be withheld at closing.
- i. **GAR Forms:** The Georgia Association of REALTORS®, Inc. ("GAR") issues certain standard real estate forms. These GAR forms are frequently provided to the parties in real estate transactions. No party is required to use any GAR form. Since these forms are generic and written with the interests of multiple parties in mind, they may need to be modified to meet the specific needs of the parties using them. If any party has any questions about his or her rights and obligations under any GAR form, he or she should consult an attorney. Provisions in the GAR Forms are subject to differing interpretations by our courts other than what the parties may have intended. At times, our courts may strike down or not enforce provisions in our GAR Forms, as written. No representation is made that the GAR Forms will protect the interests of any particular party or will be fit for any specific purpose. The parties hereto agree that the GAR forms may only be used in accordance with the licensing agreement of GAR. While GAR forms may be modified by the parties, no GAR form may be reproduced with sections removed, altered or modified unless the changes are visible on the form itself or in a stipulation, addendum, exhibit or amendment thereto.
- j. **Governing Law and Interpretation:** This Agreement may be signed in multiple counterparts each of which shall be deemed to be an original and shall be interpreted in accordance with the laws of Georgia. No provision herein, by virtue of the party who drafted it, shall be interpreted less favorably against one party than another. All references to time shall mean the time in Georgia. If any provision herein is held to be unenforceable, it shall be severed from this Agreement while the remainder of the Agreement shall, to the fullest extent permitted by law, continue to have full force and effect as a binding contract.
- k. **Independent Contractor Relationship:** This Agreement shall create an independent contractor relationship between Broker and Seller. Broker shall at no time be considered an employee of Seller. Unless otherwise stipulated, all affiliated licensees of Broker are independent contractors of Broker.
- l. **No Imputed Knowledge:** Seller acknowledges and agrees that with regard to any property which Seller intends to sell, there shall be no knowledge imputed between Broker and Broker's licensees or between the different licensees of Broker. Broker and each of Broker's licensees shall be deemed to have only actual knowledge of such properties.
- m. **Notices Between Seller and Broker:**
- (1) **Communications Regarding Real Estate Transactions:** Seller acknowledges that many communications and notices in real estate transactions are of a time sensitive nature and that the failure to be available to receive such notices and communications can have adverse legal, business and financial consequences. During the term of this Agreement, Seller agrees to remain reasonably available to receive communications from Broker.
 - (2) **Notices between Broker and Seller Regarding this Agreement:** Seller and Broker agree that communications and notices between them regarding the terms of this Agreement shall be in writing, signed by the party giving the notice, and may be delivered in person or to any address, e-mail address and/or facsimile number to the person to whom the communication or notice is being given specifically set forth in this Agreement. It is the intent of the parties that those means of transmitting notices for which a party has not provided an address or number shall not be used for receiving notices and communications. For example, if a party has not provided an e-mail address in this Agreement, it shall mean that the party is not accepting notices or communications sent by this means.
- n. **Referrals:** Seller hereby authorizes Broker to refer Seller to another real estate licensee or broker for brokerage or relocation services, or to a builder for services, not related to the sale of the Property. Seller acknowledges and agrees that Broker may receive a valuable consideration for the referral.
- o. **Statute of Limitation:** All claims of any nature whatsoever against Broker and/or their affiliated licensees, whether asserted in litigation or arbitration and sounding in breach of contract and/or tort, must be brought within two (2) years from the date any claim or cause of action arises. Such actions shall thereafter be time-barred.
- p. **Survival:** The rights and obligations of Broker to a commission subsequent to the termination or expiration of this Agreement as set forth herein, the limitation of liability, the obligation to arbitrate and indemnify Broker and other similar provisions that by their terms are meant to protect Broker shall survive the termination of this Agreement.
- q. **Third Party Vendors:** Broker may provide Seller with the names of vendors to perform services on behalf of Seller relative to real estate transactions involving Seller. Broker does not warrant or endorse the performance of any such vendor and the names of vendors are provided solely as a courtesy and starting point for Seller to identify possible vendors to perform services on behalf of Seller. Seller agrees to do his or her own due diligence regarding the skills, expertise and reputation of all such vendors performing services for Seller and the terms of all contracts with vendors (including whether there is a limitation of liability in such contracts). All decisions regarding which vendor to hire shall be solely that of Seller.
- r. **Time of Essence:** Time is of the essence of this Agreement.
- s. **Use of Initials "N/A":** The use of the initials "N/A" or "N.A." in filling out a blank in this Agreement shall mean "not applicable".
7. **Broker's and Seller's Duties.**
- a. **Broker's Duties to Seller.** Broker shall promote the interests of the Seller by:
- (1) seeking a sale price at the price and terms stated in this Agreement or at a price and terms acceptable to Seller; provided, however, Broker shall not be obligated to seek additional offers to purchase the Property while the Property is subject to a Contract to Sell, unless brokerage engagement so provides;
 - (2) timely presenting all offers to and from the Seller, even when Property is subject to a Contract to Sell;
 - (3) disclosing to the Seller material facts which the Broker has actual knowledge concerning the transaction;
 - (4) advising Seller to obtain expert advice as to material matters which are beyond the expertise of Broker; and
 - (5) timely accounting for all money and property received in which the Seller has or may have an interest.

b. Broker shall keep confidential all information received by Broker during the course of the engagement which is made confidential by an express request or instruction from Seller unless Seller permits such disclosure by subsequent word or conduct, or such disclosure is required by law; provided, however, that disclosures between Broker and any of Broker's affiliated licensees assisting Broker in representing Seller shall not be deemed to breach the duty of confidentiality described above.

c. **Seller's Duties.** Seller will do the following:

- (1) cooperate with Broker to sell the Property to prospective buyers and will refer all inquiries concerning the sale of Property to the Broker during the term of this Agreement;
- (2) make the Property available for showing at reasonable times as requested by Broker;
- (3) provide Broker with accurate information regarding the Property (including information concerning all adverse material facts pertaining to the physical condition of Property);
- (4) comply with all local, state and federal laws applicable to the sale of the Property; and
- (5) carefully read all Contracts to Sell before signing them and comply with all duties and all time deadlines contained therein.

8. Seller Default.

a. **Events Constituting a Seller Default.** Seller shall be in breach of this Agreement if Seller:

- (1) Terminates this Agreement prior to the end of the Agreement without the prior written agreement of Broker. Broker removing the listing from multiple listing service(s), taking down Broker's sign, ceasing to market the Property after this Agreement is unilaterally terminated by Seller and other similar activities shall not be evidence of the Broker's agreement to mutually terminate this Agreement, but shall instead merely be an acquiescence by Broker of the unilateral termination by Seller;
- (2) Defaults under any Contract to Sell the Property resulting in such contract not closing;
- (3) Agrees with a buyer of the Property to terminate a Contract to Sell without the consent of Broker; or
- (4) Refuses to accept a lawful, bona fide, written offer to purchase the Property meeting the following terms and conditions at a time when the Property is not otherwise under contract:
 - (a) The purchase price in the offer, after deducting all fees, costs and contributions to be paid by the Seller (other than the real estate brokerage commission to be paid by Seller and the Seller's payment of ad valorem real property taxes through the date of closing) is for at least the full listing price set forth herein and is to be paid in cash or cash equivalent at the closing;
 - (b) The offer is not subject to contingencies, conditions precedent, due diligence periods, or required terms other than those set forth herein;
 - (c) The offer is not subject to Seller warranties or representations other than: (i) those warranties the Seller agrees to provide in any Seller's Property Disclosure Statement the Seller has filled out and made available to prospective buyers for inclusion in any offer, and (ii) the Seller warranting to convey good and marketable title (which for all purposes herein shall have the same meaning as set forth in the GAR Purchase and Sale Agreements) to the Property at closing by limited warranty deed; and
 - (d) The date of closing in the offer is not less than thirty (30) days nor more than forty-five (45) days from the offer date.

Notwithstanding the above, in the event there are multiple offers to purchase the Property meeting the above criteria, Seller shall not be in breach of this Agreement if the Seller first gives the prospective buyers a reasonable opportunity (not exceeding ten (10) days from the date of the first offer) to make their best offer to purchase the Property and Seller accepts one of the offers.

b. **Broker Remedies for Seller Default.** Seller shall immediately pay Broker the Commission referenced herein for any of the Seller defaults above, except for Seller unilaterally terminating this Agreement prior to the end of the Listing Period (as the same may have been extended as provided for herein). With respect to this event of default, Seller's obligation to pay Broker its Commission shall be controlled by the Protected Period sections of this Agreement.

c. **Seller Default.** In the event Seller defaults under this Agreement, Seller shall, in addition to its other obligations set forth elsewhere herein, immediately reimburse Broker for the out-of-pocket costs and expenses incurred by Broker and Broker's affiliated licensees in seeking to market and sell the Property. Such costs and expenses shall include, without limitation, printing, and copying charges, mileage at the highest rate allowed by the IRS as a business deduction and expenses to advertise the Property in various media. Seller shall also pay all costs, fees and charges for removing the listing from any multiple listing service. The payment of these costs, fees, charges and expenses by Seller shall not waive or limit Broker's right to assert any other claim, cause of action or suit (hereinafter collectively, "Claims") against Seller for Broker's Commission and /or other damages and shall not release Seller from such Claims. Notwithstanding the above, the amount of such fees, charges, costs and expenses paid by Seller to Broker hereunder shall be an offset against any Claim of Broker for a Commission.

9. **WARNING TO BUYERS AND SELLERS: BEWARE OF CYBER-FRAUD.** Fraudulent e-mails attempting to get the buyer and/or seller to wire money to criminal computer hackers are increasingly common in real estate transactions. Specifically, criminals are impersonating the online identity of the actual mortgage lender, closing attorney, real estate broker or other person or companies involved in the real estate transaction. In that role, the criminals send fake wiring instructions attempting to trick buyers and/or sellers into wiring them money related to the real estate transaction, including, for example, the buyer's earnest money, the cash needed for the buyer to close, and/or the seller's proceeds from the closing. These instructions, if followed, will result in the money being wired to the criminals. In many cases, the fraudulent email is believable because it is sent from what appears to be the email address/domain of the legitimate company or person responsible for sending the buyer or seller wiring instructions. The buyer and/or seller should verify wiring instructions sent by email by independently looking up and calling the telephone number of the company or person purporting to have sent them. Buyers and sellers should never call the telephone number provided with wiring instructions sent by email since they may end up receiving a fake verification from the criminals. Buyer and sellers should be on special alert for: 1) emails directing the buyer and/or seller to wire money to a bank or bank account in a state other than Georgia; and 2) emails from a person or company involved in the real estate transaction that are slightly different (often by one letter, number, or character) from the actual email address of the person or company.

10. **Brochures.** Brochures referenced herein are prepared courtesy of GAR. The recommendations contained therein are general in nature and may not be applicable to the transaction reflected in this Agreement, and are not intended to either be exhaustive or specific advice that Seller should rely on without Seller first consulting with independent experts and professionals of Seller's own choosing to ensure that Seller is protected.

RE: City of Gainesville
Sale of a portion of Broad St
0.58 acres / 25,266 square feet

Dear Mr. Hayes:

In regards to your request for a valuation and analysis of the abandonment of a portion of Broad St, may I advise that I have made a personal inspection of the property and analyzed the pertinent data necessary to form an opinion of value.

The project is the abandonment of the right of way of a portion of Broad Street which is a generally rectangular in shape and is approximately 45 ft. with a total area of 0.58 acres or 25,266 square feet. The present use is a public street connecting Prior Street and Spring Street and is abutted by medical offices and provides additional access from a parking garage. All abutting properties are titled to Medical Arts Properties, LP.

The use of this property by the owners would allow them to utilize the abandoned street to the Highest and Best Use which would allow for benefits to the City by improving the area. The abandonment would not have a negative impact on local traffic and would benefit the adjoining property owner for pedestrian access safety and potential redevelopment of the site.

It is my opinion that the subject property has a current Fair Market Value in assemblage of \$505,320.

Thank you for the opportunity to be of service in this matter.

Respectfully,

W. McRae Greene

Section 4- Reporting Disclosure

This report is intended for the use of the client only. A general data book was not prepared and all the data necessary to properly understand this report is included herein.

Purpose and intended use of the appraisal:

The purpose of this appraisal is to estimate the Fair Market Value of the Fee Simple Interest in the property as an unimproved parcel and to estimate the contributory value of the underlying land to the adjoining owners to its Highest and Best Use.

Client and intended use of the appraisal:

This appraisal is being prepared for City of Gainesville. It is understood that this report will be used to determine the Fair Market Value of the abandonment of a portion of Broad Street Right of Way.

State and reference a definition of the value to be estimated:

The following definitions are those as stated in The Appraisal of Real Estate, Eleventh Edition, Appraisal Institute, p.23, 137 & 146

Market Value may be defined as:

The most probable price which a property should bring in a competitive and open market under all conditions requisite to a fair sale, the buyer and seller each acting prudently and knowledgeably, and assuming the price is not affected by undue stimulus. Implicit in this information are the consummation of a sale as of a specified date and the passing of title from seller to buyer under conditions whereby:

- a) Buyer and seller are typically motivated:
- b) Both parties are well informed or well advised, and each acting in what they consider their best interest:
- c) A reasonable time is allowed for exposure in the market:
- d) Payment is made in terms of cash in United States dollars or in terms of finance arrangements comparable thereto: and
- e) The price represent the normal consideration for the property sold, unaffected by special or creative financing or sales concessions granted by anyone associated by anyone with the sale.

Fee Simple Ownership may be defined as:

“absolute ownership unencumbered by any other interest or estate, subject only to the limitations imposed by the governmental powers of taxation, eminent domain, police power and escheat.”

Easement may be defined as:

“An easement is usually the right to perform a specific action on a particular parcel of property or a portion thereof, by the grantees who do not hold the underlying fee.”

Exposure time:

Assumed to be adequate, sufficient, and reasonable. Effort for exposure is assumed to be adequate, sufficient and reasonable. Both items are assumed to precede the effective date of value. The time frame is an integral part of the appraisal analysis and is based on one or more of the following:

- a) Statistical information about days on the market
- b) Information gathered through sales verification; and
- c) Interviews of market participants

Appraisal Type

This is an appraisal of unimproved and improved commercial property with the land only being valued.

Scope of Assignment

Extent and process of collecting, confirming and reporting all data - all data, which was considered to be pertinent to the valuation of the subject property was gathered. This included, but was not limited to, local and neighborhood economic trends, conformity of land uses, zoning and market sales data. These sales were researched to determine factors that would influence the sales price and their comparability to the subject. These sales were verified through the buyer, seller or other knowledgeable parties, and/or including the public records.

Describe any special limitations

All limiting conditions and assumptions that affect the analysis and conclusions are included in this report.

Section 5 - Local Government Requirements

Zoning

Classification:	Adjacent parcels are PUD (Planned Urban Development), OI (Office Institutional), and GB (General Business)
Governmental Jurisdiction:	City of Gainesville
Permitted Uses:	Access to Adjoining Properties
Restrictions:	Public Right of Way only

Section 6 - Property Description

The project is the abandonment of the right of way of a portion of Broad Street. This is a generally rectangular shaped area of approximately 45 ft. by approximately 560 ft. in length containing a total area of 0.58 acres or 25,266 square feet.

The present use is a public street connecting Prior Street and Spring Street. All of the public street is abutted by developed properties owned by Medical Arts Properties, LP and it provides additional access to other developed properties.

For description see aerial photos and tax maps and plats included in this report.

Zoning of Adjoining Parcels

Section 7 – Highest and Best Use

Four major criteria are considered in a Highest and Best Use analysis. These are the physical attributes of the property; the legal restrictions attached to the property (zoning); the most financially feasible use for the property; and the use that will provide the maximum financial return to the owner

The Highest and Best Use for the subject property is to assemble with the adjoining properties.

Section 8 - Valuation, Before Abandonment

APPRAISAL PROCEDURE

In estimating the present fair market value of the subject property all approaches to value were considered. Since the present and surrounding use indicates that the highest and best use for valuation is as an assemblage with the adjoining medical offices the sales comparison approach to value will be utilized to value the land only. This is the approach that compares the subject property to other similar properties that have sold or currently offered for sale. These properties are compared to the subject and are adjusted based on their dissimilar characteristics.

LAND VALUATION

In order to estimate the market value of the subject, consideration is given to all sales in the general market area for the past five years of vacant or under improved tracts. All of the sales are considered generally comparable and relevant to the valuation of the subject property. The properties in the market area have been influenced by the rapid growth of the Northeast Georgia Medical Center over the past five years. Historically, property values have been elevated and since 2020 there have been no sales in the market area that have not been directly related to the Medical Center. The most reliable sales are related to medical offices or related services.

These sales are analyzed without consideration of the date of sale or under-improved buildings that were later demolished or extensively renovated. The final value is based on the unadjusted per square foot values with the median and average considered reliable. When these sales are analyzed in general as they relate to this specific present market they indicate both median and average a mid-range value of \$20.00 per square foot.

NO.	LOCATION	DATE	SIZE / SF	PRICE	PRICE/SF
1	412 Spring St	6/22	23,086	\$350,000	\$15.16
2	502 S Enota Dr	4/20	22,650	\$372,500	\$16.45
3	640 Spring St	3/18	24,394	\$529,000	\$21.69
4	1011 Riverside Dr	12/20	24,523	\$565,000	\$23.04

VALUATION SUMMARY

The value of the “unimproved land” is based on the actual sales price paid in the general market and is estimated based on arm’s length transactions. The value of buildable land in the general market is estimated based on \$ 20.00 per square foot for the 25,266 square foot property. This calculates as follows:

$$25,266 @ \$20.00 \text{ per square foot} = \$505,320$$

ASSUMPTIONS AND LIMITING CONDITIONS

These appraisal reports have been made with the following general assumptions:

1. No responsibility is assumed for the legal description or for matters including legal or title considerations. Title to the property is assumed to be good and marketable unless otherwise stated.
2. The property is appraised free and clear of any or all liens or encumbrances unless otherwise stated.
3. Responsible management and competent property management are assumed.
4. The information furnished by others is believed to be reliable. However, no warranty is given for its accuracy.
5. All engineering is assumed to be correct. The tax plats, right-of-way plans and illustrative material in the reports are included only to assist the reader in visualizing the property.
6. It is assumed that there are no hidden or unapparent conditions of property, subsoil, or restrictions that render it more or less valuable. Nor is responsibility assumed for such conditions or for arranging for engineering studies that may be required to discover them.
7. It is assumed that there is full compliance with all applicable federal, state, and local environmental regulations and laws unless noncompliance is stated, defined, and considered in the appraisal report.
8. It is assumed that all applicable zoning and use regulations and restrictions have been complied with, unless nonconformity has been stated, defined, and considered in the appraisal report.
9. It is assumed that all required licenses, certifications of occupancy, consents, or other legislative or administrative authority from any local, state, or national government or private entity or organization have been or can be obtained or renewed for any use on which the value estimate contained in the report is based.
10. It is assumed that the utilization of the land and improvement is within the boundaries or property lines of the property described and that there is no encroachment or trespass unless noted in the report.
11. The distribution, if any of the total valuation in the report between land and improvements applies only under the stated program of utilization. The separate allocations for land and building must not be used in conjunction with any other appraisal and are invalid if so used.
12. Possession of the report, or a copy thereof, does not carry with it the right of publication. It may not be used for any purpose by any person other than the party to whom it is addressed without the written consent of the appraiser, and in any event only with properly written qualification and only in its entirety. Therefore, the liability of the appraiser shall be expressly limited to the person for whom the appraisal was addressed and any reliance there on by any third party shall not be justifiable and therefore at the peril of the third party.
13. The appraiser herein by reason of the appraisal is not required to give further consultation, testimony or be attendance in court with reference to the property in question unless arrangements have been previously made.

14. Neither all nor any part of the contents of the report (especially any conclusions as to value, the identity of the appraiser, or the firm with which the appraiser is connected) shall be disseminated to the public through advertising, public relations, news sales, or other media without the prior consent and approval of the appraiser.

15. It is a condition of the appraisal that the subject property, including any proposed improvements, meets all governmental regulations and restrictions, including but not limited to zoning requirements, building and development codes, drainage requirements and all fire safety laws.

16. It is a condition that the property is subject to typical easements such as right-of-way for electric power lines, sewer easements, natural gas lines, as well as telephone lines and water lines.

17. It is a condition of the appraisal that no soil boring test has been made and the stated value would be subject to such a test.

18. It is a condition of the appraisal that any marketing of the subject property would expressly require effective and aggressive sales methods and techniques, reasonable pricing, market exposure, and coverage, and unless stated any suggested improvements or repairs completed in order to market the property.

19. The subject is specifically conditioned on present market conditions, any changes may affect the market value stated.

20. Unless otherwise stated in the report, the existence of hazardous material, which may or may not be present on the property, was not observed by the appraiser. The appraiser has no knowledge of the existence of such materials on or in the property. The appraiser however **is not qualified** to detect such substances. The value is predicated on the assumption that there are no such materials on or in the property that would cause a loss in value. No responsibility is assumed for any such conditions or for any expertise or engineering knowledge necessary to discover them. The client is urged to retain an expert in this field, if desired.

21. It is specifically noted as a condition of the appraisal that, unless found otherwise, the furnished plans for the project, furnished square foot or metric areas, owner furnished information, as well as county tax record information regarding the subject is believed to be reliable.

CERTIFICATION OF APPRAISER

STATE OF GEORGIA
COUNTY OF: HALL

I Hereby Certify:

That I have personally inspected the property appraised herein and that I have also made a personal field inspection of the comparable sales relied upon in making said appraisal. The subject and the comparable sales relied upon in said appraisal were as represented in said appraisal or in the data book or report which supplements said appraisal. That no one provided significant professional assistance to the appraiser in completion of this report.

That to the best of my knowledge and belief, the statements contained in the appraisal herein set forth are true and correct, the reported analyses, opinions, and conclusions are limited only by the reported assumptions and limiting conditions, and are my personal, unbiased professional analyses, opinions, and conclusions. That my analyses, opinions and conclusions were developed, and this report has been prepared, in conformity with the Uniform Standards of Professional Appraisal Practice. The appraiser is currently certified under the continuing education program of the State of Georgia through the date July 31, 2024. The appraiser is also currently certified under the voluntary continuing education program of American Society of Appraisers.

That I understand that such appraisal may be used in connection with the abandonment of right of way by the City of Gainesville.

That such appraisal has been made in conformity with the appropriate State laws, regulations, and policies and procedures applicable to appraisal of right-of-way for such purposes; and that to the best of my knowledge, no portion of the value assigned to such property consists of items, which are non-compensable under the established law of said State.

That my compensation is not contingent upon the reporting of a predetermined value or direction in value that favors the cause of the client, the amount of the value estimate, the attainment of a stipulated result, or the occurrence of a subsequent event. That I have no personal interest in or bias with respect to the parties involved and that I have no present or prospective interest in the property that is the subject of this report.

That I have not revealed the findings and results of such appraisal to anyone other than the proper officials of the acquiring agency and I will not do so until so authorized by said officials, or until I am required to do so by due process of law, or until I am released from the obligation by having publicly testified as to such findings.

That it is my opinion of just compensation for the disposition as of the February 23, 2024 is \$505,320 based upon my independent appraisal and the exercise of my professional judgment.

Dear Emily and Frank:

I am an attorney for the City of Gainesville ("the City"). I am writing to you regarding a portion of the public roads within the City's jurisdiction known as .580 acres on Broad Street, as more specifically set forth in the exhibit attached hereto as Exhibit "A," and as more specifically described in the legal description attached hereto as Exhibit "B" (hereinafter referred to as "the Property"). The City intends to abandon the Property and remove the Property from the municipal street system, as it is in the best public interest to allow for the improvement of adjoining property. As you are located adjacent to the Property, I am providing you, on behalf of the City, with notice of the proposed abandonment and sale of the Property. The governing body of the City intends to consider and potentially proceed with the abandonment at its regular meeting at 5:30 p.m. on April 16, 2024 at the City Public Safety Complex Municipal Court Room, located at 701 Queen City Parkway, Gainesville, Georgia 30501.

Sincerely,

Abbott S. Hayes, Jr.

NOTICE OF THE OPPORTUNITY FOR PUBLIC COMMENT G E O R G I A DEPARTMENT OF NATURAL RESOURCES ENVIRONMENTAL PROTECTION DIVISION AIR PROTECTION BRANCH
STATE OF GEORGIA COUNTY OF THOMAS
NOTICE OF DRAFT TITLE V OPERATING PERMIT
To All Interested Parties: The Georgia Environmental Protection Division announces its intent to issue a Title V Air Quality Operating Permit to Cottrell, Inc. The facility is located at 2125 Candler Road, Gainesville, Georgia. The primary purpose of this permit is to identify and consolidate existing State and Federal air requirements applicable to Cottrell, Inc. and to provide practical methods for determining compliance with these requirements. The Georgia Environmental Protection Division (EPD) is preparing Title V Operating Permits in accordance with Title V of the Clean Air Act. This permit will be enforceable by the Georgia EPD, the U.S. Environmental Protection Agency, and other persons as otherwise authorized by law.

The operation of an automobile carrier painting and manufacturing facility. The draft permit and all information used to develop the draft permit are available for review. This includes the application and all other relevant materials available to the permitting authority. This information is available for review at the office of the Air Protection Branch, 4244 International Parkway, Atlanta Tradeport - Suite 120, Atlanta, Georgia 30354. All visits to EPD's offices are by appointment only. To set an appointment, email askepd@dnr.ga.gov with your name, email and phone number and an associate will reach out to you. Copies of the draft permit, explanatory narrative, and associated permit application may also be requested by contacting Steve Allison, steve.allison2@dnr.ga.gov. Copies of the draft permit, narrative, and permit application will be available through our internet site <https://epd.georgia.gov/draft-title-v-permitsamendments>. (Please note that the Internet is generally accessible from most public libraries in Georgia.)

You are hereby notified of the opportunity to submit written public comments concerning the draft Title V Air Quality Operating Permit. Persons wishing to comment on the draft Title V Operating Permit are required to submit their comments, in writing, to EPD at the above Atlanta Air Protection Branch address, or via email [preferred] to epdcomments@dnr.ga.gov (email comments must include the facility name and "Air Permit" in subject line). Comments must be received by the EPD no later than 30 days after the date on which

this notice is published in the newspaper before close of business at 4:30 p.m. (Should the comment period end on a weekend or holiday, comments will be accepted up until the next working day.) The Division, in making its final decision to issue the Title V permit, will consider all comments received on or prior to that date.

Any requests for a public hearing must be made within the 30-day public comment period. A request for a hearing should be in writing and should specify, in as much detail as possible, the air quality related issues that constitute the basis for the request. Where possible, the individual making the request should also identify the portion(s) of the Georgia Rules for Air Quality Control and/or the Federal Rules that the individual making the request is concerned may not have been adequately incorporated into the draft permit. If a public hearing on the draft Title V Operating Permit is to be held, the date, time, and location of the hearing will be provided in a subsequent, separate public notice. At that hearing, anyone may present data, make a statement or comment, or offer a viewpoint or argument either orally or in writing concerning the draft Title V permit. During the Division's decision-making procedures to issue the Title V permit, any information received during a public hearing will be considered together with information received during the comment period. The Division conducts public hearings in "virtual" format using Zoom meeting applications. Following this 30 day public comment period, the draft permit will undergo a 45 day review by U.S. EPA in accordance with 40 CFR 70.8. Information pertaining to U.S. EPA's review period can be found on their website at <http://www.epa.gov/caa-permitting/georgia-proposed-title-v-permits>. After the comment period has expired, the EPD will consider all comments, make any necessary changes, and issue the Title V Operating Permit. Copies of the final Title V Operating Permit, comments received, EPD's responses to comments, and any other relevant information will then be made available for public review at the office of the Air Protection Branch by appointment only. A summary of comments and any changes made to the final permit will be found in an addendum to the narrative. A copy of this narrative and the final Title V permit will be added to the information already available at the internet address given above. For additional information, contact the manager of the Stationary Source Permitting Program, at the Atlanta address, or by phone at 404/363-7000. Please refer to this notice when requesting information. You can sign up to receive weekly emails regarding Air Public Notices at <https://epd.georgia.gov/subscribe-air-protection-branch-updates>.

Smith NOTICE OF SALE UNDER POWER STATE OF GEORGIA, COUNTY OF HALL

By virtue of a Power of Sale contained in that certain Security Deed from Daniel S. Smith, Jr. to Mortgage Electronic Registration Systems, Inc., as nominee for Acopia, LLC, dated May 31, 2018 and recorded on June 6, 2018 in Deed Book 8098, Page 590, in the Office of the Clerk of Superior Court of Hall County, Georgia, said Security Deed having been given to secure a Note of even date, in the original principal amount of One Hundred Fifty-Seven Thousand Three and 00/100 dollars (\$157,003.00) with interest thereon as provided therein, as last transferred to PennyMac Loan Services, LLC, recorded in Deed Book 8868, Page 140, aforesaid records, will be sold at public outcry to the highest bidder for cash before the courthouse door of Hall County, Georgia, or at such place as has or may be lawfully designated as an alternative location, within the legal hours of sale on the first Tuesday in April, 2024, all property described in said Security Deed including but not limited to the following described property: All that tract or parcel of land lying and being in Land Lot 52 of the 9th District, Hall County, Georgia, being Lot 43, The Hills at Mountainview Subdivision, as per plat thereof recorded in Plat Book 838, Pages 66-69, Hall County, Georgia Records, which recorded plat is

incorporated herein by reference and made a part of this description; being known as 5515 Mountain View Parkway, according to the present system of numbering property in the City of Lula, Hall County, Georgia; and being the same property conveyed by deeds recorded in Deed Book 7035, page 219 and Deed Book 6527, page 139, Hall County, Georgia records. Said property may more commonly be known as **5515 Mountain View Pkwy, Lula, GA 30554.**

The debt secured by said Security Deed has been and is hereby declared due because of, among other possible events of default, non-payment of the monthly installments on said loan. The debt remaining in default, this sale will be made for the purpose of paying the same and all expenses of this sale, including attorney's fees (notice of intent to collect attorney's fees having been given). The individual or entity that has full authority to negotiate, amend and modify all terms of the loan is PennyMac Loan Services, LLC, 3043 Townsgate Rd., Westlake Village, CA 91361.

Said property will be sold on an "as-is" basis without any representation, warranty or recourse against the above-named or the undersigned. The sale will also be subject to the following items which may affect the title: a) zoning ordinances; b) matters which would be disclosed by an accurate survey or by an inspection of the property; c) any outstanding ad valorem taxes, including taxes, which constitute liens upon said property whether or not now due and payable; d) special assessments; e) the right of redemption of any taxing authority; f) all outstanding bills for public utilities which constitute liens upon said property; g) all restrictive covenants, easements, rights-of-way and any other matters of record superior to said Security Deed. To the best of the knowledge and belief of the undersigned, the owners and party in possession of the property are Daniel S. Smith, Jr. and or tenant(s). The sale will be conducted subject to 1) confirmation that the sale is not prohibited under the U.S. Bankruptcy code and 2) final confirmation and audit of the status of the loan with the holder of the Security Deed. Final Approval Date: April 11, 2024
Presenter: Bryan Lackey, City Manager
Item of Business: GR-2024-02 Authorization to Apply for and Accept a U.S. Department of Energy (DOE) Energy Efficiency and Conservation Block Grant
Meeting Date: April 16, 2024

Purpose of Request:

Resolution to authorize submittal and acceptance of, if awarded, a U.S. Department of Energy (DOE) Energy Efficiency and Conservation Block Grant (EECBG) Program Formula Grant.

Facts & Issues / History & Background:

The DOE Energy Efficiency and Conservation Block Grant (EECBG) Program provides federal grants to states, units of local government, and Indian tribes to assist eligible entities in implementing strategies to reduce fossil fuel emissions, to reduce total energy use, and to improve energy efficiency. Through section 40552(b) of the Infrastructure Investment and Jobs Act (IIJA), Congress authorized funding for the EECBG Program under which the DOE earmarked a portion of those funds to establish a Formula Grant for the EECBG Program for eligible units of local government. EECBG funds may be used on eligible activities such as (1) the development and implementation of an energy efficiency and conservation strategy, (2) conducting energy audits, and (3) creating financial incentive programs for energy efficiency improvements.

Gainesville is designated as a "Local Government – Alternative 1" eligible entity under the EECBG Formula Grant Program for which a total of \$76,780 in EECBG Formula Grant Funds has been allocated to the City. The allocated amount of \$76,780 in EECBG funds would be used for the development and implementation of an energy efficiency and conservation strategy, to conduct energy audits of City buildings and facilities, and to fund energy retrofits recommended in the strategy. This is a reimbursement grant, which requires the City to pay for eligible work and then submit a reimbursement request. No match is required.

Department Recommendation:

Adopt the resolution.

Item of Business: **Tabled at the February 6, 2024 Council Meeting**

Request from **Simpatico Communities** to rezone a 3.17± acres tract located on the northeast side of the intersection of Jesse Jewell Parkway and Scotland Avenue, having road frontage on the northside of Johnson Street (a/k/a **839 and 853 Jesse Jewell Parkway, SW**) from General Business (G-B) to Planned Unit Development (P-U-D). **Ward Number: Three.** Tax Parcel Number(s): 01-029-001-005 and 007. **Request: Mixed-use building.**

- Proposed Rezoning Ordinance 2024-03

Meeting Date: April 16, 2024

Purpose of Request:

To conduct a public hearing regarding the following zoning request as presented at the January 9, 2024, Planning and Appeals Board meeting and tabled at the February 6, 2024 Council Meeting.

Facts & Issues / History & Background:

This request was previously tabled at the December 12th Planning and Appeals Board meeting. It was also previously tabled at the February 6th Council Meeting. The applicant proposes to rezone the subject property for a mixed-use building consisting of office, living hospitality, restaurant/bar and residential uses. The property is located within the Gateway Corridor Overlay Zone and is within the Westside Tax Allocation District (TAD) of which the applicant intends to file a formal application for TAD funds. The proposed building is five stories in height with an additional lower level. The mixture of uses consists of 148 residential/apartment and hotel/hospitality units. According to the applicant, no more than 59 of the 148 total units will be occupied for 15 days or more at a time. Other uses include 7,028 sf restaurant/ bar, 12,395 sf co-working/ office space, 2,913 sf lobby area and 6,000 sf of outdoor patio space. Surface level and underground parking are proposed with primary access from Jesse Jewell Parkway and Scotland Avenue. A private / gated access from Johnson Street is proposed that will provide parking for service and housekeeping vehicles under the parking structure. The property is vacant of structures which previously contained the L&K Cafeteria, an oil lube business, various commercial uses and apartment units. The adjacent uses include the Super 8 Motel, Blackstock Auto Services, Econo Lodge Motel, Popeyes restaurant, rental apartments, single-family homes, Virtual Properties Realty and Cook Law Group.

Department Recommendation:

Planning staff recommended approval with eleven conditions and PAB recommended denial. See the PAB Recommendation report for details and excerpts from the meeting minutes.

Proposed Use.....Mixed-use building
Planning Division Staff Recommendation.....**Approval, with conditions**
Planning & Appeals Board Recommendation.....**Denial**
DateJanuary 9, 2024

▪ **Applicant's Proposal and Background Information**

The applicant is requesting to rezone the subject property for a mixed-use building consisting of 148 hotel and living hospitality units / rooms ranging from 234 to 342 square feet in size for users staying one night or an extended length. No more than 40% of the units will be occupied for 15 days or more at a time which will consist of 40 units specifically designed as apartments and 19 hotel type units. Other uses include 7,028 sf restaurant/ bar, 820 sf coffee shop, 12,303 sf Thrive co-working, 1,395 sf office space, 2,913 sf lobby area, 960 sf exercise room, 6,000+ sf of outdoor patio space and additional kitchen, laundry and employee space.

The proposed building will consist of five stories over a lower parking level that will also contain a laundry, employee lounge and mechanical area. According to the architectural plan the building will total approximately 97,597 square feet in size and the exterior materials will mostly consist of a mixture of EFIS, masonry and glass. Primary access is proposed from Jesse Jewell Parkway and Scotland Avenue. A private / gated access from Johnson Street is proposed that will provide parking for service and housekeeping vehicles under the parking structure. This parking area will be fenced and screened with landscaping to minimize impacts on the adjacent residential uses. Approximately 266 surface level and underground parking spaces are proposed on site but additional on-street parking is optional if needed. Monument and building signs are proposed and will be consistent with the Unified Land Development Code standards.

The subject property contains a billboard advertising sign, old concrete foundations and asphalt parking areas which were from the previous L&K Cafeteria, auto oil/service business and various commercial and apartment uses. These uses were demolished five years ago and the property has remained in its current state. The property is located within the Gateway Corridor Overlay Zone and is within the Westside Tax Allocation District (TAD) of which the applicant intends to file a formal application for TAD funds.

▪ **Adjacent Land Use and Zoning**

Location	Use	Zoning
North	Popeyes Restaurant; Econo Lodge Motel	General Business (G-B)
South	Super 8 Motel; Blackstock Auto Service	General Business (G-B)
East	Single-family, townhomes and duplex apartments	Residential-II (R-II)
West	Virtual Properties Realty; Cook Law Firm	General Business (G-B)

▪ **Other Departmental Comments**

The request will require coordination with the Georgia Department of Transportation (GDOT). Special encroachment permits will be required as well as an Intersection Control Evaluation (ICE) study.

There were no other departmental comments for the request.

▪ **Traffic Impact Statement**

A traffic impact statement was originally conducted for this development on June 9, 2023 and was based on a living hospitality development consisting of 198 rooms, 9,602 sf of Thrive office space and 8,204 sf of restaurant/bar and venue space. The revised request reduced the number of rooms/units from 198 to 148, reduced the square footage of restaurant/bar/coffee shop space but increased the total office space.

The driveway intersections located at Jesse Jewell Parkway, Scotland Avenue and Johnson Street were evaluated. In conclusion, the proposed development is anticipated to increase annual average traffic on Jesse Jewell Parkway from 26,600 vehicles per day to 28,200 vehicles per day resulting in an approximate 6% increase in annual average traffic. Therefore, the proposed development is anticipated to have minimal impacts to Jesse Jewell Parkway and the surrounding local road network.

▪ **Zoning History**

The following zoning actions have taken place in the immediate area during the last ten years:

2021 - A request by McNeal Development, LLC to rezone a 4.86± acres tract located 504, 512, 514, 520 and 528 Banks Street, SW; 510 East Avenue, SW; 535, 548, 549, 604, 608, 620 and 628 Gordon Avenue, SW; 0, 602, 611 and 612 Longstreet Avenue, SW; 436 and 442 Parker Street, SW; 627 and 635 Queen City Parkway; 507 and 513 Saint Thomas Drive from Residential-II (R-II), Office and Institutional (O-I), General Business (G-B) and Heavy Industrial to Planned Unit Development (P-U-D) for multi-family apartments was approved with conditions.

2020- A request by the City of Gainesville to rezone 39.0± acres consisting of 25 properties located within Midtown Gainesville from Heavy Industrial (H-I), Light Industrial (L-I), General Business (G-B), Residential-II (R-II) to Office and Institutional (O-I) for existing uses was approved.

2016 - A request by Cobb Investments, LP to amend a 0.54± acre tract zoned Planned Unit Development (P-U-D) located at 0, 947 and 951 Myrtle Street SW; 712, 714, 718, 720, 722 and 724 Cleveland Street SW for a multi-family apartment addition was approved with conditions.

2016 - A request by Synergy Recovery Center for a special use within Residential-II (R-II) zoning on 0.50± acre tract located at 746 Cleveland Street, SW for group home was denied.

2015 - A request by Jose Valerio to rezone a 0.28± acre tract located at 1230 Myrtle Street from General Business (G-B) to Residential-II (R-II) for a two-family residence was approved with conditions.

▪ **Staff Analysis**

(1) Is the proposed use suitable in view of the zoning and development of adjacent and nearby property?

The surrounding properties consist of a mixture of residential and non-residential uses that are zoned Residential-II (R-II), Office and Institutional (O-I) General Business (G-B) and Planned Unit Development (P-U-D). The adjacent uses include Super 8 Motel, Blackstock Auto Service, EconoLodge motel, Popeyes restaurant, Cook Law Firm, Virtual Properties Realty, townhomes, duplex apartments and a single-family home. It appears the mixed-use development is suitable given the mixture of surrounding uses and zoning districts.

(2) Will the proposed use adversely affect the existing use or usability of adjacent or nearby property?

The proposal will improve blighted property that has remained undeveloped for over five years. Some of the proposed improvements will include landscaping, stormwater, access, building materials and the overall aesthetics. Additional traffic created by the development will increase turning movements on Jesse Jewell Parkway, Scotland Avenue, Johnson Street and other nearby secondary roads. Primary access is proposed from Jesse Jewell Parkway and Scotland Avenue. Secondary access is limited to employees and service vehicles will be from Johnson Street which is adjacent to existing residential uses.

(3) Is the proposed use compatible with the purpose and intent of the Comprehensive Plan?

It is staff's opinion the proposal is consistent with the Comprehensive Plan. The Future Development Map for the City of Gainesville places the property within the *Commercial* land use category which includes areas with focused retail, office, or other commercial service activities such as grocery stores, banks, restaurants, theaters, hotels and automotive-related businesses. Commercial uses may also be a single use in one building or grouped together in a shopping center.

The Character Area map for the City of Gainesville places the subject property within the *West Side* character area. Land uses allowed in the West Side include higher density residential, mixed-use, commercial, light industrial, public and institutional and parks and recreation. Increasing the quality of existing and new housing, as well as housing affordability should be prioritized. General mixed-use, multi-family residential and higher density single-family residential are appropriate land uses.

(4) Are there substantial reasons why the property cannot or should not be used as currently zoned?

The subject property is currently zoned General Business (G-B) which allows for numerous nonresidential uses such as an office, restaurant, retail, auto repair/sales and various service type uses such as a 5-story hotel/motel. The property is suitable for redevelopment as it has remained in its blighted condition for over five years. The proposed P-U-D is a site-specific zoning that assures the developer will adhere to the proposed development quality and standards as presented by the applicant and any associated zoning conditions. Therefore, the proposal would restrict other uses from being developed that may be detrimental to the adjacent neighborhood.

(5) Will the proposed use cause an excessive or burdensome use of public facilities or services, including but not limited to streets, schools, water or sewer utilities, and police or fire protection?

City water and sewer is available and capacity is sufficient to serve the proposed development.

Existing public safety services currently respond to the adjacent properties. Gainesville Fire Station #1 is located off of Queen City Parkway which is approximately 0.35± mile from the subject property.

According to the traffic statement provided by the applicant, the proposed mixed-use building will generate a combined 1,582 weekday trips (50% entering, 50% exiting), 133 A.M. peak hour trips (75 entering, 58 exiting), and 137 P.M. peak hour trips (72 entering, 65 exiting).

The proposed use is mostly commercial and is designed for short-term hotel occupancy. No more than 40% of the rooms/units (59 rooms/units) are proposed for occupancy for 15 days or more at a time. While school aged children could occupy some of the living hospitality units, the design of the structure and amenities provided are not catered toward families with children.

(6) Is the proposed use supported by new or changing conditions not anticipated by the Comprehensive Plan or reflected in the existing zoning on the property or surrounding properties?

The property is located within a heavy commercial corridor with frontage on Jesse Jewell Parkway. Attached and detached residential homes are located to the rear of the property off of Johnson Street. A mixture of residential and commercial uses would serve as a transitional use between the commercial corridor to the adjacent neighborhood.

(7) Does the proposed use reflect a reasonable balance between the promotion of the public health, safety, morality, or general welfare and the right to unrestricted use of property?

Based on the Comprehensive Plan and the mixture of residential and nonresidential uses, it appears the proposal, with the recommended zoning conditions, reflects a reasonable balance between the promotion of the public health, safety, morality, or general welfare and the right to unrestricted use of property.

▪ **Staff Recommendation**

The Planning Division staff is recommending **conditional approval** of this Planned Unit Development (P-U-D) rezoning request, based on the Comprehensive Plan and the adjacent mixture of uses.

Conditions

1. The development standards within the applicant's narrative, concept plan and architectural renderings shall be made part of the zoning ordinance and the future site plan application shall be subject to the Community Development Director approval. Any zoning conditions adopted as part of this zoning ordinance that conflict with the applicant's narrative, concept plan and architectural renderings shall take precedence over the applicant's development standards.
2. The uses within the proposed mixed-use building shall be limited to a 148 unit hotel, residential, restaurant/bar, coffee bar, co-working office space, conference room space and associated amenities.
3. The proposed hotel and residential spaces shall adhere to Unified Land Development Code standards for lodging services except that the minimum size per each unit shall be no less than 234 square feet in size.

4. A maximum of 40% (59 units) of the hotel units may be occupied by patrons for more than 15 days at time within one or more rooms/units. This includes 40 units specifically designed as apartments on floors one and two, and up to 19 hotel type units on floors three, four and five.
5. The number of proposed units and square footage of restaurant/bar, coffee bar, co-working office space, conference room space and associated amenities shall be based on the onsite parking spaces provided for each use per the Unified Land Development Code parking requirements. Any proposed on-street parking spaces shall require review and approval by the Gainesville Public Works Department.
6. The developer shall coordinate all traffic improvements with the Gainesville Public Works Director and the Georgia Department of Transportation (GDOT) and prior to permitting. The Gainesville Public Works Director and GDOT shall have the final determination of the time line of these improvements based on the developer's proposed construction schedule. All costs associated with the improvements shall be at the full expense of the developer.
7. All service areas, loading areas, ground or roof top HVAC equipment shall be screened from view from all adjacent uses and roads.
8. Outdoor lighting used in this development shall be of non-spill design and placed in a manner so as to minimize direct visibility by the adjacent properties.
9. The frontage landscape areas shall be sodded with grass and contain minimum 3-inch caliper size hardwood trees. In addition, the frontage landscape area along Johnson Street shall contain a mixture of evergreen trees and shrubs and shall be subject to the approval of the Community & Economic Development Director.
10. A uniform sign plan shall be required for the proposed development subject to the approval of the Community and Economic Development Department Director.
11. The subject property shall be properly maintained prior to, during and after the property is redeveloped for the proposed use. This shall include regularly scheduled landscape management, removal of trash/debris and illegal parking of vehicles or trailers.

Excerpts from the January 9, 2024 PAB Meeting Minutes

Applicant Presentation: Felipe Zubia, 10 Roswell Street, Alpharetta, with Simpatico Communities representing the property owner Virtua Gainesville stated they have owned the site for five years and originally the plans were for a Home2 Suites and Marriott Courtyard. Mr. Zubia stated the space will cater to those relocating with the need for extended stays but would prefer all 148 units sold as hotel units since it would bring more revenue. He mentioned the concept will be incorporating a live/work/play/stay site with food and beverage along with a social concept such as cornhole, darts or simulated golf and co-work space. He also said Thrive on the Gainesville square have committed to 12,000 square feet since they are at capacity and believes it is a great location being a gateway to downtown Gainesville.

Board Member Young was curious about the number of rooms containing kitchens and Mr. Zubia replied there are 40 units designated as apartments but can be rented overnight as a hotel room.

Vice-Chair Thompson asked if there would be any branding on the facility and Mr. Zubia replied he works for a private equity investment group and spoke about their portfolio and being the third largest hotel management group in the country and townhome development. Mr. Zuba stated they are developing variations of the same concept in Arizona and Colorado as in Gainesville.

FAVOR: None

OPPOSE: Gina London Pilcher, 714 Scotland Avenue, stated she is not opposed to the property being developed but concerned about the water issues and drainage. She spoke about the drainage issues from Jesse Jewell, flooding of the parking area on her property and mentioned the water retention pond at the apartment complex on Myrtle and Summit was overflowing with the recent rain. Mrs. Pilcher's only concern was with the water drainage issue being resolved.

Chairman Carter stated the if the project was approved and come to fruition during construction the City of Gainesville staff would monitor the engineering, conduct hydrology studies and the water runoff would be addressed. He said there would most likely be underground detention.

Mr. Zubia stated they are aware of the concern and hired a local civil engineer James Irvin with Foothills Land Design. He said there will be underground storage along with some green space being utilized for retention.

Vice-Chair Thompson asked if the restaurant/bar would be internally operated or leased. Mr. Zubia said it would be a sister company or a very selective food/beverage operator being a more higher end provider and not a typical Hilton Garden Inn restaurant.

Olivia Chert, 603 Orchard Brook Drive, stated one concern regarding the 2040 Comprehensive Plan named the site a development to help the community but with the proposed development plan seems to be a money grab for the property developer or any outside businesses without serving the community. She stated the second concern was the city board had not taken the time to address the community other than by letters which were all in English but the community is all Spanish speakers with the majority unable to read or speak English. Ms. Chert felt there has not been adequate engagement with the community for them to show opposition for it as with other communities therefore the Board should table the proposal again to consider how it will serve the community and address community properly.

Chairman Carter asked Deputy Director Tate what could be developed on the property without any zoning being changed. Mr. Tate stated the property is zoned General Business and uses such as hotel, motel, auto service, auto repair, car lot, restaurant along with a multitude of heavy commercial uses would be allowed on the property without requiring any zoning approval. Vice-Chair Thompson stated he is more concerned with the multi-family aspect of the project.

There was a motion to recommend denial to rezone the subject property for a mixed-use building from General Business (G-B) to Planned Unit Development (P-U-D) zoning.

Motion made by Vice-Chair Thompson

Motion seconded by Board Member Martin

Vote – 4 favor, 1 against (Carter), 1 absent (Fleming), 1 vacant

Any zoning conditions adopted as part of this zoning ordinance that conflict with the applicant's narrative, concept plan and architectural renderings shall take precedence over the applicant's development standards.**
- 2. The uses within the proposed mixed-use building shall be limited to a 148 unit hotel, residential, restaurant/bar, coffee bar, co-working office space, conference room space and associated amenities.**
- 3. The proposed hotel and residential spaces shall adhere to Unified Land Development Code standards for lodging services except that the minimum size per each unit shall be no less than 234 square feet in size.**
- 4. A maximum of 40% (59 units) of the hotel units may be occupied by patrons for more than 15 days at time within one or more rooms/units. This includes 40 units specifically designed as apartments on floors one and two, and up to 19 hotel type units on floors three, four and five.**
- 5. The number of proposed units and square footage of restaurant/bar, coffee bar, co-working office space, conference room space and associated amenities shall be based on the onsite parking spaces provided for each use per the Unified Land Development Code parking requirements. Any proposed on-street parking spaces shall require review and approval by the Gainesville Public Works Department.**

ORDINANCE NO. 2024-03

6. The developer shall coordinate all traffic improvements with the Gainesville Public Works Director and the Georgia Department of Transportation (GDOT) and prior to permitting. The Gainesville Public Works Director and GDOT shall have the final determination of the time line of these improvements based on the developer's proposed construction schedule. All costs associated with the improvements shall be at the full expense of the developer.
7. All service areas, loading areas, ground or roof top HVAC equipment shall be screened from view from all adjacent uses and roads.
8. Outdoor lighting used in this development shall be of non-spill design and placed in a manner so as to minimize direct visibility by the adjacent properties.
9. The frontage landscape areas shall be sodded with grass and contain minimum 3-inch caliper size hardwood trees. In addition, the frontage landscape area along Johnson Street shall contain a mixture of evergreen trees and shrubs and shall be subject to the approval of the Community & Economic Development Director.
10. A uniform sign plan shall be required for the proposed development subject to the approval of the Community and Economic Development Department Director.
11. The subject property shall be properly maintained prior to, during and after the property is redeveloped for the proposed use. This shall include regularly scheduled landscape management, removal of trash/debris and illegal parking of vehicles or trailers.

I. INTRODUCTION

A. EXECUTIVE SUMMARY

Simpatico Communities on behalf of the property owner, is requesting a rezoning for a new mixed-use development located at 839 Jesse Jewell Parkway Southwest within the City of Gainesville, Georgia. The request is to rezone the property from G-B (General Business) to Planned Unit Development (PUD). The property is located within the Westside Character District and is bordered by Jesse Jewell Parkway to the north and Pearl Nix Parkway to the south. The property is composed of two vacant parcels, identification numbers 01029 001005 and 01029 001007 totaling an estimated 3.17 acres.

The PUD zoning district is intended to provide for flexibility in the mixture and arrangement of land uses, thus encouraging the development of a mixed-use concept. The proposed use for the site is a mixed-use development concept referred to by the development team as Living Hospitality (LH), which offers a curated suite of accommodations including hospitality and flexible stay lengths, co-working spaces, executive members' clubs, social entertainment venues and food and beverage (F&B) operations. This concept is built for the residents to embody the "Stay, Live, Work, Play" mentality offering a unique, highly amenitized living experience.

The project will include the following:

- A five-story mixed-use building consisting of 148 residential and hospitality units ranging in size from 234 sf - 342 sf.
- A restaurant, coffee bar, and bar and kitchen area.
- A local co-working space designed with individual offices and conference space.
- An exercise room and an outdoor patio for entertainment.

It should be noted that the property is located within the 'Budgetel' area, which has been defined by the City as a blighted and underinvested area. Within the 2040 General Plan, the City and its constituents identified this area as a prime location for redevelopment, encouraging a mixed use vibrant area. The property's location at the intersection of Jesse Jewell Parkway, Queen City Parkway, and John W. Morrow, Jr. Parkway makes it a "gateway" into the central core of Gainesville and "it should be a node of activity that leaves a lasting impression." With the help of Tax Allocation District (TAD) funds and a strong partnership between Simpatico Communities and the City, the LH concept aims to transform the 'Budgetel' area and serve as a catalyst for future redevelopment for years to come.

II. LAND USE SUMMARY

A. COMPREHENSIVE PLAN CONSISTENCY

Per the Gainesville 2040 Comprehensive Plan, the property is designated as Commercial and lies within the Westside character area. The Westside character area is defined as stable and in good condition, yet there is a desire for redevelopment and revitalization of the district.

The proposed development aligns with the Westside character area and the Gainesville 2040 Comprehensive Plan Goals and Objectives in the following ways:

Land Use

- Creates design guidelines that encourage walkability.
- Highlights the area's unique character.
- Encourages development in distressed areas.
- Encourages development on vacant land.

Community Facilities and Services

- Promotes education and growth through co-working spaces.
- Possible revenue generating events facility through flex spaces.
- Provides entertainment opportunities for residents.

Housing

- Provides residential opportunities adjacent to commercial hubs.
- Prioritizes increasing the availability of housing options in the area.

Economic Development

- Incentivizes and encourages business investment and job creation.
- Diversified uses within the Westside character area to attract a multitude of users.
- Continues to promote businesses that offer a unique array of goods and services to attract customers from a wide area.

B. DEVELOPMENT SUMMARY

Property Address:	839 Jesse Jewell Parkway Southwest, Gainesville, Georgia
Parcel Numbers:	01029 001005 & 01029 001007 (To be combined)
Site Area:	3.17 Acres

South	Motel, Service Repair Garage	Commercial	C-3
East	Single-family Residential	Residential	R-3

III. GENERAL PUD GUIDELINES

A. PROPOSED USE

With continued growth in revenue, supply and popularity, the boutique hotel concept has proven to be a growing staple in the hospitality industry. Boutique hotels achieve higher revenues than most traditional US hotels and are more appealing to a wider audience than traditional mid-scale hotels. Small, suburban towns and mixed-use centers have become attractive for boutique hotel development to entice vibrancy and curiosity for their location. With an intent to heighten the travel experience, these hotels are being designed and introduced to provide a location storyline, food and beverage, and unique amenities.

Playing on this growing trend, Simpatico Communities has been in development of a concept being branded as Living Hospitality (LH) which is built around both the boutique hotel concept and the idea of "Stay, Live, Work, Play" lifestyle. The LH concept is contained within one mixed use building providing a blended offering of amenities and living accommodation meant to support both users and guests alike. The LH development concept understands and remains adaptive towards the growing desire for flexible, hybrid interior spaces that encourage a strong community environment for residents and visitors.

Definition

For the purposes of this PUD, Living Hospitality is defined as follows:

A boutique facility offering living accommodations for overnight stays and up to 365 days that includes two or more of the following lifestyle amenities; food and beverage, co-working space, specialty general stores that may include but not limited to coffee, baked goods, confections, general merchandise, experiential design, and membership clubs.

Permitted Uses

This PUD shall include all permitted uses under the PUD Code Section per sections § 9-7-1-3 and § 9-7-1-4 which include the following:

- Dwelling, multiple-family (A maximum of 59 units (40% of total) are permitted to be for more than 15 consecutive days at any given time. This includes 40 specifically designed apartments unit on floors one and two, and up to 19 hotel type units on floors three, four and five.)
- Office
- Hospitality/Hotel
- Retail or service commercial
- Live entertainment
- Outdoor entertainment

C. SITE AND BUILDING DESIGN

The concept plan provides one access point near its historically located point off Jesse Jewell Parkway and another access point on Scotland Avenue. No access planned to Johnson Street. Queuing has been considered upon entering and exiting the site, with initial pausing points well away from the Jesse Jewell Parkway access points.

The site plan was designed with a vibrant vehicular entry like most hotels with reception, vehicular connectivity, lobby functions, guest rooms, kitchen, and dining. The building design features an outdoor patio area fronting Jesse Jewell Parkway creating an inviting environment which appeals to travelers. When entering the property from Jesse Jewell Parkway, residents and guests will arrive at a main porte cochere area in the middle of the site creating a destination feel. Residents and guests would enter the building through this main porte cochere area which opens to the lobby check in counter, restaurant area, coffee shop, and well-placed stairwell (and elevator) inviting guests up to the open-air patio on the second floor.

The second level is a key feature where the LH functions blend, share, and merge to offer co-working functions, enlarged outside access over the porte cochere and entertainment offerings for a special experience. The objective is to create a greater space involvement for guests and residents to create a vibrant area encouraging a lively atmosphere.

Additional levels of the building offer a variety of stay lengths. Longer term users will stay more involved with the various structure offerings and amenities while single night users may come and go as in a normal hotel operation. The individual spaces within the building are described further in the following sections.

Living Space

Living spaces within the LH component offer blended leisure stays or flexible apartment space whether users are staying for one night or an extended length. The idea is to deliver travelers and users hotel lifestyle stays adaptable living spaces. Living spaces are built to be diverse, exciting, and custom designed to adapt and flex to anyone's needs. The project will include multiple room offerings including studios, one bedroom flex spaces, and two bedroom connecting options.

Co-working Space

Co-working space is an exciting office component designed to blend the needs of contemporary entrepreneurs, solo-gigger's and buzzing startups. For those working from home, or those looking for an office space nearby, there is an option for everyone. The building is designed to provide this exciting and powerful real-life destination for all those seeking a customizable work environment.

Restaurant/Bar/Coffee Bar

The food and beverage component brings people together and creates a sense of place by creating social interactions. Having a restaurant and bar in the same area as lobby and working spaces allows for residents and guests to move seamlessly from

SIMPATICO

BUILDING TOGETHER

one area to the next. The project aims to provide great dining experiences and an experiential bar like a speakeasy for entertainment. Additionally, a vibrant coffee bar will be provided in the morning hours to incentivize a working and social environment that is inviting to both residents and guests.

Entertainment/Social Component

The entertainment/social component allows for experiential activities and competitive games that gather friends to play. The indoor spaces and expansive outdoor patio will be programed to bring people together and offer a variety of different activities.

D. BUILDING ARCHITECTURE

The style of the proposed building design and massing is to reflect the architecture heritage of Gainesville with a modern interpretation of its historic character. In the 1880's the architecture was primitive and classical Greek Rival Style featuring vertical columns, horizontal cornices, and balconies. In the 1920's Civic architecture began to simplify from the earlier classical style featuring a recognizable classicism in massing and scale but with much less ornamentation.

Simpatico Communities desire to follow in this evolution of style with elements which speak of this earlier simplified classicism. We have taken this inspiration and created a design which would feel quite at home in Gainesville. It is not foreign to the historic influence.

The proposed structure will be a key element and focus in the general area. When traveling northeast on Jesse Jewell Parkway the structure will be especially visible due to Jesse Jewell Parkway making a curve/bend to the left. The structure will be the focal point traveling in this direction. When traveling in the opposite direction some of the bends will add prominence, but also the 5-story height will feature the structure. The quality and vibrancy of the structure will be an added attribute that will give a very noticeable presence.

The design will be crafted to both give a private and controlled nature to the entry that is internalized on the site. A porte cochere and the patio on top of the porte cochere will add extra vitality. The Jesse Jewell Parkway building frontage will be inviting and vibrant. Other elevations will be less extroverted due to either to the north being a blank wall, the east being a neighborhood where the least impact is planned for and the south where a combination of an older motel and neighborhood also do not warrant an extroverted design.

E. PARKING

A preliminary parking demand study was commissioned by the development team to determine adequate parking calculations. Additional details and analysis will be provided in the future site plan application following the PUD zoning approval. Using provisions within the Gainesville Zoning Ordinance, the preliminary analysis showed an estimated parking demand of 242 parking spaces. The subject site proposes to include 266 on-site parking spaces, using a combination of surface level parking and an underground parking deck that plays with the natural slope of the property.

Although parking is proposed to be fully accommodated on site, per section 9-17-5-8 the Community Development Director may permit an allowance of on-street parking in addition to the on-site parking. This allowance is an appropriate consideration due to the location of the site, and to further ensure adequate parking is provided. As the project team moves through the development process, a formal final parking demand study will be commissioned based on the final number of rooms and building square footage through the site plan/civil review process, subject to the approval of the Community Development Director.

F. UTILITIES

Water: City of Gainesville
Sewer: City of Gainesville
Electrical: Georgia Power
Gas: Liberty
Garbage: City of Gainesville

G. SIGNAGE

The primary building exposure fronts on Jesse Jewell Parkway. The current signage plan would be to utilize vertical signage on the building which orients perpendicular to Jesse Jewell Parkway on both the NEC and NWC of the building. This will provide much visibility to those driving in either direction. Additional signage such as a monument sign may also be considered.

The existing billboard located on the northwest corner of the site is to remain in its present condition. The project team has no intention of redeveloping the billboard.

Signage is proposed to follow the zoning ordinance, however, should modifications be sought, the developer will provide additional details and a formal request through the design/civil review phase of the project, consistent with Sec. 9-18-7-2. - Modification of monument signage requirement.

H. LANDSCAPE AND AMENITY DESIGN

The landscape design language is complimentary to the classical yet modernized Greek Revival architecture, which became Gainesville's architectural style in the 1920's. This landscape language creates a balanced, organized feel in the built environment using symmetry and clean lines. At the same time, the softness of the plantings provides a welcome contrast to the hard lines of the building, adding a touch of warmth and natural beauty. The chosen plantings are primarily native or adapted native plants which promote longevity and attainable maintenance. A mix of evergreen and deciduous trees, as well as woody shrubs, and perennial flowering plants provide seasonal interest and a pop of color. The auto court can also become a flex gathering space for special events. Additionally, two separate multi-functional roof decks add another layer of charm to this already stunning architectural masterpiece.

I. LIGHTING

The site lighting design will be carefully planned to highlight the classic features of the building. Up and down lighting could be used to accentuate specimen or ornamental trees, as well as certain architectural elements of the building, such as vertical columns, balconies, or cornices. The lighting is soft and subtle, enhancing the beauty of the architecture without overpowering it while meeting code requirements.

J. GRADING AND DRAINAGE

The property has a mild topography, sloping from Jesse Jewell Parkway to Johnson Street. This presents the opportunity to have a daylight basement level along Johnson. Driveways are proposed on Jesse Jewell and Scotland Ave. Stormwater detention will be addressed with an underground facility and then connecting to the existing storm drain infrastructure along Johnson. Landscape islands with bioretention basins or infiltration trenches throughout the site will be utilized for stormwater runoff reduction and water quality. Pervious pavement may also be applied throughout in select locations.

K. TAX ALLOCATION DISTRICT (TAD)

The property falls within City of Gainesville Tax Allocation District #3: Westside TAD. The purpose of the TAD is to upgrade and enhance the properties within the districts and their adjacent commercial corridors to encourage the private redevelopment of outmoded, highway-oriented commercial development into modern development patterns to achieve the vision set forth in the City of Gainesville's 2040 Comprehensive Plan.

As such, the proposed development seeks to utilize the funds made available by Westside TAD to help facilitate development. The project team believes the redevelopment of this site will be a primary driver for future redevelopment in the blighted area. Following the approval of the PUD, a formal TAD application will be submitted along with a detailed justification for allocation of funds to support the redevelopment of the site. This will include a detailed market analysis to support the justification in addition to all other required materials per the TAD application.

L. CITY BENEFIT

The City of Gainesville worked with the community as part of the 2040 Comprehensive Plan update to develop a long-range vision for the area the property exists in. As described previously, the property is centrally situated in the Jesse Jewell Parkway West redevelopment area, otherwise known infamously as the 'Budgetel' area. The proposed LH proposal includes several of the desired development outcomes described within the "Redevelopment Concepts" and will serve as a catalyst for further development in a distressed area. The following statements have been taken directly from the Redevelopment Concepts which serve to illustrate consistency.

Statements like,

- "Its location at the intersection of Jesse Jewell Parkway, Queen City Parkway, and John W. Morrow, Jr. Parkway makes it a "gateway" into the central core of

Gainesville and it should be a node of activity that leaves a lasting impression of those visiting or passing through."

- "The resulting concept is a mixed-use center where people can live, work, and enjoy leisure time"
- "The parcels between Scotland Avenue and Banks Street showed potential to serve as a mixed-use center that could serve the residential development behind it, while creating for new infill development"
- "The design of this concept plan puts commercial and mixed use buildings along the street where possible to create a sense of walkability."

The sites proposed height, focal point traveling generally northeast on Jesse Jewell Parkway, quality and state-of-the-art architecture will be a beacon for the Redevelopment Concept. The development with flexible stay lengths, co-working spaces, restaurants, entertainment offerings, innovative room choices and overall uniqueness will be a magnet for users and other businesses to model.

Simpatico Communities will provide the City of Gainesville, Georgia with a unique Planned Unit Development incorporating innovative living spaces, experiential components, flexibility, entertainment, co-working spaces, and food and beverage. Through this curated lifestyle concept our mixed-use development will cater to all residents by providing a variety of uses and an inviting atmosphere. A great benefit of this project is that it will be open to the public and guests alike, thus the area will become more utilized. This will have the potential to provide the city with opportunities for future business and economic development in the area.

RE: Virtua Gainesville
Traffic Statement

INTRODUCTION

Lōkahi, LLC (Lōkahi) has prepared a Traffic Statement for the proposed living hospitality development, Virtua Gainesville, located on the southeast corner of Jesse Jewell Parkway and Scotland Avenue in Gainesville, Georgia. See **Figure 1** for the vicinity map.

Virtua Gainesville will include lodging accommodations that may be rented for short-term or long-term stays and on-site amenities open to the public and guests/tenants.

The living hospitality development will include 198 rooms, 9,602 square feet of Thrive office space and 8,204 square feet of restaurant/bar & venue space. **Attachment A** and **Figure 2** for the site plan.

Figure 1 - Vicinity Map

The objective of this Traffic Impact Statement is to analyze the proposed development's traffic related impacts to the adjacent roadway network.

EXISTING CONDITIONS

According to the Hall County Board of Assessors, the project site is located on two (2) parcels, totaling 3.17-acres. See **Attachment B** for detailed parcel information. The existing site consists of vacant land with General Business District (G-B) zoning and within the boundaries of the Westside character area. Virtua Gainesville is bordered directly by Jesse Jewell Parkway, Johnson Street, and Scotland Avenue to the north, south, and west, respectively, and restaurant, lodging, and residential land uses to the east.

Jesse Jewell Parkway is generally an east-west roadway that provides two (2) through lanes in each direction of travel divided with a two-way left-turn lane. According to the *City of Gainesville Comprehensive Plan*, dated June 7, 2022, Jesse Jewell Parkway is classified as a principal arterial. According to the Georgia Department of Transportation (GDOT) Traffic Analysis & Data Application (TADA), the 2021 annual average daily traffic (AADT) along Jesse Jewell Parkway, north of Scotland Avenue, was reported as 26,600 vehicles per day (vpd). There is a posted speed limit of 35 mph.

Scotland Avenue provides one (1) through lane in each direction of travel. According to the *City of Gainesville Comprehensive Plan*, Scotland Avenue is classified as a local roadway. There is an unposted speed limit of 25 mph.

Johnson Street provides one (1) through lane in each direction of travel. According to the *City of Gainesville Comprehensive Plan*, Johnson Street is classified as a local roadway. There is an unposted speed limit of 25 mph.

PROPOSED DEVELOPMENT

Virtua Gainesville is a living hospitality development that will include lodging accommodations that may be rented for short-term or long-term stays and on-site amenities open to the public and guests/tenants. The living hospitality development will include 198 rooms, 9,602 square feet of Thrive office space and 8,204 square feet of restaurant/bar & venue space.

Thrive is a coworking operator that is owned and operated through membership services. These membership services will be available to the public and guests/tenants. Office space may be rented monthly for a fee. These offices would not be open to the public for day-to-day rent. A Community Manager is typically present from 8 am to 5 pm, however, members have 24/7 access to the space. The restaurant/bar & venue space is expected to operate between the hours of 6 am to 10 pm.

TRIP GENERATION

The trip generation for the proposed development was calculated utilizing the Institute of Transportation Engineers (ITE) publication entitled *Trip Generation, 11th Edition*. The ITE rates are based on studies that measured the trip generation characteristics for various types of land uses. The rates are expressed in terms of trips per unit of land use type. This publication is considered to be the standard for the transportation engineering profession.

Based on the ITE descriptions, the following ITE Land Use Codes (LUC) were considered to characterize the proposed uses.

- **All Suites Hotel (LUC 311)** – An all suites hotel is a place of lodging that provides sleeping accommodations, a small restaurant and lounge, and small amounts of meeting space. Each suite includes a sitting room and separate bedroom. An in-room kitchen is often provided.
 - Virtua Gainesville proposes to provide on-site amenities (Thrive coworking operator and restaurant/bar & venue) that are planned to be open to the public and to members. Therefore, as a conservative approach, the facilities are not considered to be ancillary for the purpose of the trip generation calculations and are calculated individually. It is conceptually estimated that membership and public patrons off-site will generate approximately 70% of the trips to the on-site amenities and 30% will derive from the guests/tenants. Therefore, 70% of the total office and restaurant square footage was used for calculations.
- **Small Office (LUC 712)** – A small office building is the same as a general office building, but with less than or equal to 10,000 square feet of gross floor area. The building typically houses a single tenant. It is a location where affairs of a business, commercial or industrial organization, or professional person or firm are conducted.
 - Virtua Gainesville is proposing to provide meeting rooms and Thrive office space. Thrive is a coworking operator that is owned and operated through membership services. Office space may be rented monthly for a fee. These offices would not be open to the public for day-to-day rent.

Figure 2 – Site Plan

- **High-Turnover (Sit-Down) Restaurant (LUC 932)** – This land use consists of sit-down, full service eating establishments with a typical duration of stay of 60 minutes or less. Generally, these restaurants serve lunch and dinner; they may also be open for breakfast. Some facilities offer carry-out for a small proportion of its customers. Some facilities within this land use may also contain a bar area for serving food and alcoholic drinks.

The total trip generation anticipated for Virtua Gainesville is shown in **Table 1**.

Table 1 – Trip Generation –Proposed Development

Land Use	ITE Code	Qty	Unit	Weekday	AM Peak Hour			PM Peak Hour		
				Total	Total	In	Out	Total	In	Out

Total				1,582	133	75	58	137	72	65

*70% of total square footage. 30% of trips are anticipated to derive from guests/tenants.

The proposed development is anticipated to generate a total of 1,582 weekday trips, with 133 trips occurring during the AM peak hour and 137 trips occurring during the PM peak hour. See **Attachment C** for the detailed trip generation calculations.

ACCESS & CIRCULATION ANALYSIS

Virtua Gainesville will be accessible via Jesse Jewell Parkway and Scotland Avenue. The proposed driveway along Jesse Jewell Parkway is located approximately 220 feet east of Scotland Avenue and will provide full access. The proposed driveway along Scotland Avenue is located approximately 175 feet south of Jesse Jewell Parkway and will provide full access. The existing two-way left-turn lane on Jesse Jewell Parkway will facilitate turning vehicles executing left-in/left-out movements. The circulation within the site will allow for two-way traffic with the exception of vehicles utilizing the porte-cochere. These vehicles enter using the northern opening and travel counterclockwise to exit after loading/unloading.

SUMMARY

Virtua Gainesville is a proposed living hospitality development located on the southeast corner of Jesse Jewell Parkway and Scotland Avenue in Gainesville, Georgia. The proposed development will include 198 rooms, 9,602 square feet of office space and 8,204 square feet of restaurant/bar & venue space. The on-site amenities will be open to the public and to guests/tenants. It is conceptually estimated that membership and public patrons off-site will generate approximately 70% of the trips to the on-site amenities and 30% will derive from the guests/tenants. Therefore, 70% of the total office and restaurant square footage was used for calculations.

The proposed development is anticipated to generate a total of 1,582 weekday trips, with 133 trips occurring during the AM peak hour and 137 trips occurring during the PM peak hour.

The site is accessible via two full access driveways. One of which is located along Jesse Jewell Parkway and the other located along Scotland Avenue. A porte-cochere will be provided for loading/unloading.

According to the GDOT, the 2021 AADT along Jesse Jewell Parkway, north of Scotland Avenue, was reported as 26,600 vpd. Jesse Jewell Parkway is anticipated to carry a total of 28,200 vpd with the proposed Virtua Gainesville development, resulting in an approximate 6% increase in annual average daily traffic.

In conclusion, the proposed Virtua Gainesville development is anticipated to have minimal impacts to Jesse Jewell Parkway and the surrounding local roadway network.

CITY OF GAINESVILLE

Mayor/Council Agenda Request

Item Created: April 11, 2024

Date Submitted: April 11, 2024

Final Approval Date: April 11, 2024

Presenter: Abb Hayes, City Attorney

Item of Business: Request from **Raven Residential Group** for a special use on a 0.925± acre tract located on the south side of Washington Street, west of the intersection of Washington Street and West Academy Street (a/k/a **521 Washington Street, SW**), having a zoning of Neighborhood Business (N-B). **Ward Number(s): Two**. Tax Parcel Number(s): 01-027-001-003. **Request: Residential condominium community.**

- Proposed Zoning Resolution ZR-2024-03

Meeting Date: April 16, 2024

Purpose of Request:

To conduct a public hearing regarding the following zoning request as presented at the March 12, 2024, Planning and Appeals Board meeting.

Facts & Issues / History & Background:

The applicant is proposing a special use within Neighborhood Business (N-B) zoning to redevelop the subject property for a micro-housing development consisting of eleven residential fee-simple condominiums. The proposed units are two-stories on minimum 300 square foot condominium lots. The minimum condominium size will be 500 square feet of heated floor space. One and two bedroom options will be available at multiple price points to meet the growing and unfulfilled need for obtainable housing. A private access drive/road is proposed from Washington Street and one parking space for each unit will be provided, as well as four guest parking spaces. Amenities include a mail kiosk and a small community lawn and fire pit. The property contains a vacant rental home that will be demolished. A sanitary sewer easement and creek are located to the rear of the property. The adjacent uses include a retail strip center, a single-family home, residential condominiums and St. Paul United Methodist Church.

Department Recommendation:

Staff and PAB recommended approval with five conditions. See the PAB Recommendation report for details and excerpts from the meeting minutes.

SAMPLE MOTIONS

Approval of Resolution ZR-2024-03:

I move to approve the resolution to allow a residential condominium community within Neighborhood Business (N-B) zoning district with five conditions as presented.

Denial of the Request:

I move to deny the request.

Department Director:

If funding is involved, are funds approved within the current budget? No

STATE OF GEORGIA HALL COUNTY NOTICE OF HEARING
YOU ARE HEREBY NOTIFIED that on the 2nd day of April, 2024 at 9:00 a.m., at the Hall County Courthouse in Gainesville, Georgia, the presiding Judge of the Superior Court of Hall County, Georgia, will hear the case of State of Georgia v. Housing Authority of the City of Gainesville, Georgia and Harrison Village Phase I, LP, Civil Action File Number 2024CV000423, the same being a proceeding to confirm and validate its Multifamily Note (Governmental) (Harrison Village Apartments) (the "Governmental Note"), issued in an aggregate principal amount not to exceed Twenty-Eight Million Dollars (\$28,000,000) and the security for such Governmental Note. The proceeds of the Governmental Note are being lent by the Housing Authority of the City of Gainesville, Georgia (the "Issuer") to Harrison Village Phase I, LP, a Georgia limited partnership (the "Owner"), in order to (i) pay all or a portion of the costs of acquisition, construction, renovation, and equipping of an existing affordable multifamily housing facility to be known as Harrison Village Apartments, containing approximately one hundred twenty (120) units (the "Project"); (ii) fund certain reserves; and (iii) pay the costs of issuance of the Governmental Note. The Issuer will lend the proceeds of the Governmental Note to the Owner pursuant to a Project Loan Agreement dated as of April 1, 2024, or such other date as agreed by the parties (the "Project Loan Agreement"), among the Issuer, The Bank of New York Mellon Trust Company,

N.A., as fiscal agent (the "Fiscal Agent"), and the Owner, which obligates the Owner to pay to the Issuer such loan payments at such times and in such amounts as will be sufficient to pay the principal of, premium (if any), and interest on the Governmental Note, as and when the same become due. To secure its obligation to pay the principal of, premium (if any), and interest on the Governmental Note, the Issuer will assign and pledge to the Initial Funding Lender, and grant a security interest in, all of its right, title, and interest (except for the Unassigned Rights, as defined in the Funding Loan Agreement, as hereinafter defined) in the Project Loan Agreement, and all revenues, payments, receipts, and monies to be received and held thereunder, all pursuant to the Funding Loan Agreement dated as of April 1, 2024, or such other date as agreed to by the parties (the "Funding Loan Agreement"), among the Issuer, Fiscal Agent, and JPMorgan Chase Bank, N.A., as Initial Funding Lender (the "Initial Funding Lender"). The Project being financed with the proceeds of the Governmental Note is located within the corporate limits of Hall County, Georgia. In said proceeding, the Court will also pass upon the validity of the Act and upon the validity of the Governmental Note, Project Loan Agreement, Funding Loan Agreement, Security Instrument, and Land Use Restriction Agreement and certain related matters and documents. Any citizen of the State of Georgia residing in Hall County, Georgia, or any other person wherever residing who has a right to object, may intervene and may become a party to this proceeding.

THE ISSUER WILL NOT CONDUCT ANY "PERFORMANCE AUDIT" OR "PERFORMANCE REVIEW" WITH RESPECT TO THE GOVERNMENTAL NOTE AS SUCH TERMS ARE DESCRIBED IN O.C.G.A. § 36-82-100.
This 11th day of March, 2024.

GAINESVILLE PLANNING and APPEALS BOARD RECOMMENDATION

Applicant Raven Residential Group
Property Owner Ernest Aquirre & Arturo Guzman
Location 521 Washington Street, SW
Request Special use within N-B zoning
Total Acres 0.925± acre
Ward Two
Proposed Use Residential condominium community
Planning Division Staff Recommendation **Approval, with conditions**
Planning & Appeals Board Recommendation **Approval, with conditions**
Date March 12, 2024

▪ **Applicant's Proposal and Background Information**

The applicant is proposing a special use within Neighborhood Business (N-B) zoning for a micro-housing development consisting of eleven (11) residential fee-simple condominiums. The proposed units will be two-stories on minimum 300 square foot detached condominium lots. The minimum condominium size will be 500 square feet of heated floor space. One and two bedroom options will be available at multiple price points to meet the growing and unfulfilled need for obtainable housing. A private access drive/road is proposed from Washington Street and one parking space for each unit will be provided, as well as, four guest parking spaces. Amenities include a mail kiosk and small community lawn, community garden and fire pit. Stormwater and a private dumpster are proposed toward the rear of the property adjacent to the guest parking spaces.

Lot Size	Unit Size	Building Height	Front Setback	Rear Setback	Unit Separation
300 sf	500 sf	2 stories	30 feet (Washington Street)	5 feet	10 feet
			5 feet (Private Drive)		

The property contains a vacant rental home that will be demolished. A sanitary sewer easement and creek are located to the rear of the property.

▪ **Adjacent Land Use and Zoning**

Location	Use	Zoning
North	Washington Vista Condominiums; St. Paul United Methodist Church; Gainesville Business Center	Neighborhood Business (N-B);
South	Rose Cliff Apartments	Residential-II (R-II)
East	Retail Strip Center	Neighborhood Business (N-B)
West	Single-Family Home	Neighborhood Business (N-B)

▪ **Other Departmental Comments**

There were no other departmental comments regarding this request.

▪ **Zoning History**

2022 – A request by William B. Stark Jr. for a special use within Neighborhood Business (N-B) zoning on a 1.0± acres tract located at 614 Washington Street, NW was conditionally approved for five residential duplexes (10 units).

2022 - A request by Ricky and Janice Hames to rezone a 0.24± acre tract located at 721 Oak Street, NW from General Business (G-B) to Residential-I (R-I) was conditionally approved for a single-family residence.

2021 - A request by Dave Odom to rezone a 0.50± acre tract located at 341 and 361 Oak Street, NW, from General Business (G-B) to Planned Unit Development (P-U-D) was conditionally approved for mixed-use residential and commercial.

2020 – A request by Juan Luna for a special use within Neighborhood Business (N-B) zoning on a 1.66± acres tract located at 0, 903, 915, 919, 921, 925 and 927 Washington Street, NW was conditionally approved for twenty apartments.

2018 – A request by KRM 2016, LLC for a special use within Neighborhood Business (N-B) zoning on a 0.82± acre tract located at 520 Washington Street, NW was conditionally approved for five duplex apartments (10 units).

▪ **Staff Analysis**

(1) Is the proposed use suitable in view of the zoning and development of adjacent and nearby property?

The proposed residential use appears to be supported by the mixture of nearby uses and zoning districts. The surrounding uses include a church, offices, single-family home, condominiums and multi-family residential with zonings of Residential-II (R-II), Planned Unit Development (P-U-D), Neighborhood Business (N-B) and General Business (G-B).

(2) Will the proposed use adversely affect the existing use or usability of adjacent or nearby property?

The proposed use should have minimal affects to the surrounding and nearby properties as the proposed development is small in scale as it includes 11 residential units. The exiting rental home is unoccupied and is boarded up. Sufficient parking, storm water detention and landscaping will be provided that will improve the function and aesthetics of the property. Any traffic generated should be minimal given the scale of the project but additional turning movements on Washington Street will occur given that the property is vacant. There appears to be sufficient sight distance for the proposed driveway.

(3) Is the proposed use compatible with the purpose and intent of the Comprehensive Plan?

The Gainesville Comprehensive Plan places the property within the *General Mixed-Use* future land use category and the *Central Core* Character Area. A mixture of land uses including office, neighborhood retail, and detached or attached residential are considered appropriate. The Central Core character area is the historic heart of Gainesville, centered on the Square and extending to the east, west and south. The promotion of infill development is appropriate within the Midland, Oak Street, Rainey Street and Washington Street area. Specifically, diverse new housing opportunities are encouraged targeting mixed-income within high quality multi-family housing and higher density single-family residential.

(4) Are there substantial reasons why the property cannot or should not be used as currently zoned?

The property is zoned Neighborhood Business (N-B) which permits a variety of nonresidential uses including professional offices, clinic, daycare, beauty shop or restaurant that could create more impacts such as traffic and noise. The property would retain its right to be redeveloped for these purposes regardless of the special use were to be denied. The property has historically functioned as a single-family home that has remained unoccupied since 2019. The proposed development is designed to provide for quality/affordable housing options within walking distance of downtown at a density of 11.89 dwelling units per acre.

(5) Will the proposed use cause an excessive or burdensome use of public facilities or services, including but not limited to streets, schools, water or sewer utilities, and police or fire protection?

City water, sewer and public safety services are currently provided to the property. Gainesville Fire Station #1 is located off of Queen City Parkway and is approximately 1.0± mile from the subject property.

The proposal will slightly increase ingress and egress traffic movements along Washington Street. According to the Institute of Transportation Engineers (ITE) Trip Generation Handbook (9th Edition), the duplex apartments on average could generate 64± new trips per day, 5± A.M. and 6± P.M. peak hour trips.

The proposed use will have minimal impact on the Gainesville City School System given there are only 11 residential units proposed and the condominium units are not designed as family units. Nearby larger residential developments such as the Towne Creek Apartments have children that attend City schools which are provided bus service.

(6) Is the proposed use supported by new or changing conditions not anticipated by the Comprehensive Plan or reflected in the existing zoning on the property or surrounding properties?

The Comprehensive Plan identifies the need for quality housing within the downtown area. The subject property is conducive for residential purposes as it is situated within an area that is walkable to numerous offices, retail, restaurant and public uses. Development along the Washington Street corridor has consisted of small specialty shops, professional offices, as well as a mixture of residential single-family, condominium and multi-family apartments.

(7) Does the proposed use reflect a reasonable balance between the promotion of the public health, safety, morality, or general welfare and the right to unrestricted use of property?

Based on the Comprehensive Plan and the adjacent mixture of uses, the proposed special use request with the recommended conditions appears to reflect a reasonable balance between the promotion of the public health, safety, morality, or general welfare and the right to unrestricted use of property.

▪ **Additional Special Use Criteria**

- (1) The type of street providing access to the subject property is adequate to serve the proposed Special Use.**

Washington Street serves as a connector road between the downtown central business district and the Lakeshore Mall/Dawsonville Highway regional shopping district. The existing street is adequate to serve the proposed development.

(2) Access into and out of the property adequately provides for traffic and pedestrian safety, the anticipated volume of traffic flow, and access by emergency vehicles.

The applicant's concept plan appears to provide for sufficient access for pedestrian safety, parking and access for emergency vehicles. Sidewalks are currently present on both sides of Washington Street.

(3) Public facilities such as schools, water or sewer utilities, and police or fire protection are adequate to serve the Special Use.

The existing public facilities are adequate to serve the proposed use given its small scale. Fire Station #1 is located off of Queen City Parkway and is approximately 1.0± mile from the subject property.

(4) Refuse, service, parking and loading areas on the property are located and screened to protect other properties in the area from such adverse effects as noise, light, glare or odor.

According to the concept plan, one to two stacked parking spaces will be provided for each condominium unit and an additional 4 guest parking spaces. While no side yard buffers are currently required, the applicant intends to provide privacy in the form of landscaping and/or fencing behind each unit. In addition, the units will be setback from Washington Street a minimum of 30 feet. The front common area will include landscaping, fire pit and a community garden. A common dumpster will be provided for the development of which service access to the dumpster is limited to between 6:00 a.m. and 9:00 p.m. per the Unified Land Development Code.

(5) The hours and manner of operation of the Special Use have no adverse effects on other properties in the area.

The proposal is for detached condominium units which by nature are considered less intense than what could be potentially developed with office and/or commercial uses. The condominium units will be occupied throughout all hours of the day which is similar to nearby residential properties.

(6) The height, size and location of the buildings or other structures proposed on the property are compatible with the height, size or location of buildings or other structures on neighboring properties.

The proposed condominiums are between 500 and 800 square feet in size and will be two stories in height. The height of other structures located along Washington Street generally vary from one to three stories in height. The size of the proposed condominium homes are smaller than other detached structures along Washington Street but are comparable in size to some of the studio and 1 bedroom units within the nearby Towne Creek Apartments which range from 620 to 1,005 square feet in size.

▪ **Staff Recommendation**

The Planning Division staff is recommending **conditional approval** of this Special Use request based on the Comprehensive Plan and the adjacent mixture of uses.

Conditions

1. The proposed residential condominiums shall closely reflect the architectural style of the pictures labeled as Exhibits A, B and C, and shall not exceed eleven (11) units. The final location and architecture of each condominium unit shall be subject to the approval of the Community & Economic Development Director.
2. All access point design for the subject property shall be submitted for review by the Gainesville Public Works Director, and approval of said design shall be required prior to issuance of a building permit. All required access/traffic/sidewalk improvements associated with the proposed development shall be at the full expense of the developer/property owner.
3. An updated as-built boundary survey/plat of the subject property, indicating all improvements required for the proposed use, shall be recorded prior to obtaining a Certificate of Occupancy for the last condominium unit.
4. The frontage landscape area along Washington Street shall be maintained and sodded with grass and shall include a minimum of two 3-inch caliper size deciduous trees subject to the approval of the Community & Economic Development Director.
5. Service access to the proposed dumpster shall be limited to one day a week, and limited to the hours of 6:00 a.m. and 9:00 p.m.

Excerpts from the March 12, 2024 PAB Meeting Minutes

Applicant Presentation: Bradley Dunckel, 3703 Timber Walk Drive, spoke on behalf of the applicant for the variance and special use request. Mr. Dunckel stated the project is a new concept of micro homes which he described as larger than a tiny home but smaller than a traditional home and is comparable to an apartment unit. He then explained a slide presentation that contained information such as the location being a quarter of a mile from the downtown square and on 0.925 acres with 11 units meeting the City's 12 unit per acre density of the R-II zoning classification. He said each unit will have a parking pad, some units with side decks, 500 square feet one-bedroom units, 800 square feet two-bedroom units, all units containing one and a half bathrooms. Mr. Dunckel stated the units will have a modern architectural design with Hardie board for the exterior with earth tone color scheme and maintenance by a mandatory HOA or condominium association. He spoke about the interior modern design with 9 feet ceilings, stainless steel appliances with luxury vinyl flooring throughout with tile bathrooms and showers. He spoke about the amenities with the main amenity being the location and proximity to the downtown square, firepit, community garden and small fenced rear yard. He spoke about the inspiration for the units are from the South Park Cottages located in College Park, GA, with images from other completed projects. Mr. Dunckel talked about the need for owner occupied housing in the city and stated the price will start with the number "2". He spoke about concerns regarding the project such as small units, architectural not being consistent with Washington Street, density and location of the project. He mentioned different uses and architecture in the area and the types of zoning along with reasons for the project such as the need for attainable housing in the city and targeting first time homeowners.

FAVOR: None

OPPOSE: None

Board Member Comments: **Board Member Fleming** asked if there would be a HOA for long-term upkeep and asked if the homes would be owned or fee simple. Mr. Dunckel stated there would be a mandatory HOA and would be a condominium ownership.

Vice-Chair Thompson asked if the landscape and common areas would be protected by the HOA and was confirmed by Mr. Dunckel including the exterior maintenance of the units. Mr. Thompson was curious about the matching of some architectural designs as stated in staff's condition one and Mr. Dunckel stated it would not be the preference. Vice-Chair Thompson asked if it would be agreeable adding brick and sod to the units. Mr. Dunckel stated he was not sure if brick would be compatible but possibly stone but would need to have someone else explore the options.

Chairman Carter mentioned the exhibits provided by Mr. Tate and the design would be reviewed by the Community & Economic Director and would be more discussion regarding architectural beyond the PAB decision. Deputy Director Tate confirmed condition one stated the architectural style should closely resemble/reflect the exhibits.

Board Member Young questioned if the project should be middle market and concerned of pricing it out but stated pinewood is beautiful but starts at 500,000 and asked staff's opinion of it. Deputy Director Tate responded the project is projected to be in the "2's" but it has not been studied in terms of costs of materials and square footage. Mr. Tate said it has been reviewed from an architectural standpoint and visibility from Washington Street and thought the proposed architecture would fit better in a different location. He again stated nothing has been studied in terms of cost for the units for the Exhibits A, B and C, recommended by staff. Board Member Young asked if the proposal would be similar to Clarendon Place which is a nice product and Mr. Dunckel stated there would be similar features.

Chairman Carter stated according to the PAB vote that if the Board elects to move forward there would be potentially more approval of the recommendation for the location of the project and further debate before City Council and staff on the architectural.

Board Member Fleming stated she was concerned with the upkeep, clutter that can accumulate within a small setting and managing it without effect the entire development. Mr. Dunckel stated the project will not be conducive to a family unit due to the layout of the floorplan and trash will be enforced through the HOA. **Board Member Young** said condition five states there will be a central area for trash.

There was a motion to recommend conditional approval of the special use request for a residential condominium community having a zoning of Neighborhood Business (N-B) with the following conditions:

Conditions

1. The proposed residential condominiums shall closely reflect the architectural style of the pictures labeled as Exhibits A, B and C, and shall not exceed eleven (11) units. The final location and architecture of each condominium unit shall be subject to the approval of the Community & Economic Development Director.
2. All access point design for the subject property shall be submitted for review by the Gainesville Public Works Director, and approval of said design shall be required prior to issuance of a building permit. All required access/traffic/sidewalk improvements associated with the proposed development shall be at the full expense of the developer/property owner.
3. An updated as-built boundary survey/plat of the subject property, indicating all improvements required for the proposed use, shall be recorded prior to obtaining a Certificate of Occupancy for the last condominium unit.

4. **The frontage landscape area along Washington Street shall be maintained and sodded with grass and shall include a minimum of two 3-inch caliper size deciduous trees subject to the approval of the Community & Economic Development Director.**
5. **Service access to the proposed dumpster shall be limited to one day a week, and limited to the hours of 6:00 a.m. and 9:00 p.m.**

Motion made by Board Member Young

Motion seconded by Vice-Chair Thompson

PROJECT NARRATIVE

GVL Village

THE CITY OF GAINESVILLE

A MICRO HOUSING DEVELOPMENT

DECEMBER 29, 2023

EXECUTIVE SUMMARY

GVL VILLAGE is an eleven unit, micro-housing development located at 521 Washington Street (a 60' public right-of-way) southeast of the intersection of West Academy Street within the limits of the City of Gainesville, Georgia. The parcel is located within the Central Core District of the City in close proximity of the Downtown historic square and rapidly expanding food and entertainment district. The project is a redevelopment parcel of 0.952 acres at a density of 11.55 units per acre. The parcel is located within Land Lot 154, 9th District, Hall County Georgia. The current zoning of the parcel is NB - Neighborhood Business with this request for a Special Use Permit and Variances

Currently, the site is comprised of one structure, a single family home built around 1937 and most recently used as a rental property. The remainder of the site is undeveloped with a variety of vegetation. The rear property line is a stream and the back one-third of the property will be mostly undeveloped. The property to the east is a commercial building with individual rental spaces and to the west is another single family home, apparently used as a rental. Also in the immediate vicinity is a self-storage complex, a business center, St. Paul Methodist Church and the new Washington Street duplexes.

The development concept is for an innovative micro-housing development incorporating Traditional Neighborhood Development (TND) practices into a vibrant, human-scaled, pedestrian friendly community. *Micro homes are the "next step up" from tiny houses; they range from 400 to approximately 800 square feet and must encompass an independent kitchen, bathroom, and at least one window. These dwellings can be modular, pre-fabricated, or custom builds, and use materials and finishes comparable to traditional homes. They are spatially evolved from apartment living with no shared walls, ceilings, or floors, and each unit has an independent outdoor living area such as a porch or piece of land.* These residential units will be offered as fee simple, detached condominiums, subject to a restrictive covenant.

A central street, will serve the homes located on both sides. Homes will have a fenced outdoor area at the rear and parking will be accomplished on the side of the home with a paved or geo-grid parking strip. A small common area space will be located at the front of the development. The genesis of the entire development gravitates around human-centered design principles leading towards a safe & sociable environment.

GVL VILLAGE will meet a growing and unfulfilled need for obtainable housing, located in an urban setting, and within walking distance of the Downtown District. One & two bedroom options will be offered at multiple price points. All common area maintenance will be covered by the Condominium Owners Association, insuring that the project will retain its quality and value for years to come.

COMPREHENSIVE PLAN

The GVL VILLAGE development is consistent with the goals and objectives of the City of Gainesville's Comprehensive Plan and its vision for future land use utilizing redevelopment and infill opportunities.

Needs & Opportunities in the Plan include:

- There is opportunity to redevelop areas of the city to remove blight and underutilized developments, while introducing more up-to-date development styles

Stated Goals & Strategies of the Plan include:

- Encourage new, high-quality infill residential development that maintains community character and ensures stable, long-term property values and neighborhoods.
- Provide for maximum flexibility in the mixture and arrangement of land uses and unique and innovative land planning via planned unit developments, at appropriate locations, and with appropriate sizes and scales.

Redevelopment and infill opportunities of underutilized sites are one of Gainesville's greatest physical assets because of their development potential that can help enhance housing opportunities and support the growth potential of the district. GVL VILLAGE will fill a need for obtainable housing in a location suitable for pedestrian interconnectivity to the Downtown District. Developments of these type of sites can reduce the need to travel further to shop or work, preserve lands further out, and save taxpayers infrastructure costs. This new community will integrate seamlessly within the City's urban fabric and greatly contribute to the evolving perimeter development of the Downtown District.

The GVL VILLAGE property is identified being in the Plan's Character Area as part of the "Central Core" with a Future Land Use of "General Mixed Use" which includes "a mixture of land uses including office, neighborhood retail, and detached and attached residential. The types of nonresidential uses that are desirable in this area would include restaurants, specialty retail, and low-intensity office." This proposal (Special Use Permit & Variances) seems appropriate for the area.

GVL VILLAGE will set the example as Gainesville's first signature infill redevelopment featuring micro-housing, while meeting the Comprehensive Plan goals of transforming neglected and underutilized resources into a desirable downtown neighborhood, while creating new living opportunities for Gainesville's ever diversifying and growing population.

Mayor/Council Agenda Request

Item Created: April 11, 2024
Date Submitted: April 11, 2024
Final Approval Date: April 11, 2024
Presenter: Abb Hayes, City Attorney
Item of Business: Request from **HadjPadj Technologies, LLC** for a special use on a 1.37± acres tract located on the south side of Palmour Drive, west of the intersection of Palmour Drive and Queen City Parkway (a/k/a **1176 Palmour Drive, SW**), having a zoning of Heavy Industrial (H-I). **Ward Number(s): Five**. Tax Parcel Number(s): 15-035-000-015. **Request: Data mining facility.**

- Proposed Zoning Request ZR-2024-04

Meeting Date: April 16, 2024

Purpose of Request:

To conduct a public hearing regarding the following zoning request as presented at the March 12, 2024, Planning and Appeals Board meeting.

Facts & Issues / History & Background:

The proposal is for a special use within Heavy Industrial (H-I) zoning to allow a data mining facility. Specifically, the data mining facility is a high-powered computing server center that searches and analyzes a large batch of raw data in order to identify patterns and extract useful information for companies to learn more about their customers and to develop more effective marketing strategies, increase sales and decrease costs. The proposed development includes two, 18' x 10' data center huts and a single access driveway from Palmour Drive. The data mining facility will operate 24 hours a day and 7 days a week and will produce noise from fans/blowers that cool the servers. The applicant states the noise level drops to a conversation level of (65 dB) after 100 feet of distance. The property is currently undeveloped and is located within the Gainesville Industrial Park South, within the Airport Overlay Zone and is adjacent to the Highlands to Islands trail. Adjacent uses include Poly Enterprises manufacturing, Ace Hardware distribution center and Lee Gilmer Memorial Airport.

Department Recommendation:

Staff recommended denial and PAB recommended approval with four conditions. See the PAB Recommendation report for details and excerpts from the meeting minutes.

SAMPLE MOTIONS:

Approval of Resolution ZR-2024-04:

I move to approve the resolution to allow a data mining facility within Heavy Industrial (H-I) zoning district with four conditions.

Denial of the Request:

I move to deny the request.

STATE OF GEORGIA HALL COUNTY NOTICE OF HEARING
YOU ARE HEREBY NOTIFIED that on the 2nd day of April, 2024 at 9:00 a.m., at the Hall County Courthouse in Gainesville, Georgia, the presiding Judge of the Superior Court of Hall County, Georgia, will hear the case of State of Georgia v. Housing Authority of the City of Gainesville, Georgia and Harrison Village Phase I, LP, Civil Action File Number 2024CV000423, the same being a proceeding to confirm and validate its Multifamily Note (Governmental Note) (Harrison Village Apartments) (the "Governmental Note"), issued in an aggregate principal amount not to exceed Twenty-Eight Million Dollars (\$28,000,000) and the security for such Governmental Note. The proceeds of the Governmental Note are being lent by the Housing Authority of the City of Gainesville, Georgia (the "Issuer") to Harrison Village Phase I, LP, a Georgia limited partnership (the "Owner"), in order to (i) pay all or a portion of the costs of acquisition, construction, renovation, and equipping of an existing affordable multifamily housing facility to be known as Harrison Village Apartments, containing approximately one hundred twenty (120) units (the "Project"); (ii) fund certain reserves; and (iii) pay the costs of issuance of the Governmental Note. The Issuer will lend the proceeds of the Governmental Note to the Owner pursuant to a Project Loan Agreement dated as of April 1, 2024, or such other date as agreed by the parties (the "Project Loan Agreement"), among the Issuer, The Bank of New York Mellon Trust Company,

N.A., as fiscal agent (the "Fiscal Agent"), and the Owner, which obligates the Owner to pay to the Issuer such loan payments at such times and in such amounts as will be sufficient to pay the principal of, premium (if any), and interest on the Governmental Note, as and when the same become due. To secure its obligation to pay the principal of, premium (if any), and interest on the Governmental Note, the Issuer will assign and pledge to the Initial Funding Lender, and grant a security interest in, all of its right, title, and interest (except for the Unassigned Rights, as defined in the Funding Loan Agreement, as hereinafter defined) in the Project Loan Agreement, and all revenues, payments, receipts, and monies to be received and held thereunder, all pursuant to the Funding Loan Agreement dated as of April 1, 2024, or such other date as agreed to by the parties (the "Funding Loan Agreement"), among the Issuer, Fiscal Agent, and JPMorgan Chase Bank, N.A., as Initial Funding Lender (the "Initial Funding Lender"). The Project being financed with the proceeds of the Governmental Note is located within the corporate limits of Hall County, Georgia. In said proceeding, the Court will also pass upon the validity of the Act and upon the validity of the Governmental Note, Project Loan Agreement, Funding Loan Agreement, Security Instrument, and Land Use Restriction Agreement and certain related matters and documents. Any citizen of the State of Georgia residing in Hall County, Georgia, or any other person wherever residing who has a right to object, may intervene and may become a party to this proceeding.
THE ISSUER WILL NOT CONDUCT ANY "PERFORMANCE AUDIT" OR "PERFORMANCE REVIEW" WITH RESPECT TO THE GOVERNMENTAL NOTE AS SUCH TERMS ARE DESCRIBED IN O.C.G.A. § 36-82-100.
This 11th day of March, 2024.

**GAINESVILLE PLANNING and APPEALS BOARD
RECOMMENDATION**

Applicant HadjPadj Technologies, LLC
Property Owner C & J 861, LLC
Location 1176 Palmour Drive, SW
Request Special Use within General Business (G-B)
Total Acres 1.37± acres
Ward Five
Proposed Use Data mining facility
Planning Division Staff Recommendation **Denial**
Planning & Appeals Board Recommendation **Approval, with conditions**
Date February 13, 2024

▪ **Applicant's Proposal and Background Information**

The request is for a special use within Heavy Industrial (H-I) zoning to allow a data mining facility. Specifically, the data mining facility is a high-powered computing server center that searches and analyzes a large batch of raw data in order to identify patterns and extract useful information for companies to learn more about their customers and to develop more effective marketing strategies, increase sales and decrease costs.

The proposed development includes two small data center structures and a single access driveway from Palmour Drive. The data mining facility will operate 24 hours a day and 7 days a week and will produce noise from fans/blowers that cool the servers. The applicant states the noise level drops to a conversation level of (65 dB) values after 100 feet of distance. The property is currently undeveloped and is located within the Gainesville Industrial Park South and within the Airport Overlay Zone.

▪ **Adjacent Land Use and Zoning**

Location	Use	Zoning
North	Lee Gilmer Memorial airport	Heavy Industrial (H-I) -Gainesville
South	LaserCraft Technologies Inc	Heavy Industrial (H-I) -Gainesville
East	Ace Hardware Distribution Center	Heavy Industrial (H-I) -Gainesville
West	Shasta Beverages Inc	Heavy Industrial (H-I) -Gainesville

▪ **Other Departmental Comments**

According to Kate Mattison, Director of Gainesville Parks & Recreation, significant investment is being made in this area for the new trail system that has been years in the making and will be complete within a couple of years. Noise pollution is a concern and would be detrimental to the trail. Not just from an aesthetic aspect, but from a safety aspect as well. The location is right at the edge of the wooded area where having all your senses about you is very important. A park

user may not be able to hear a threat coming as they wouldn't be aware of their surroundings. It makes me uneasy. Overall, I just don't feel like it's a good fit for the site and location.

▪ **Zoning History**

The following zoning actions have taken place in the immediate area during the last ten years:

2023 – A request by the City of Gainesville to annex a 1.866± acres tract with a zoning of Heavy Industrial (H-I) located at 1200 and 1204 Marler Street was approved for Water Resources water/sewer services.

2023- A request by the Rochester and Associates, LLC to annex 3.674± acres tract located at 1010 Aviation Boulevard, with Heavy Industrial (H-I) zoning for an expansion of poultry freezer and processing was approved with conditions.

2021- A request by the Koch Foods of Gainesville, LLC to annex 0.572± acre tract located at 950 and 966 Industrial Boulevard, SW, with Heavy Industrial (H-I) zoning and to rezone a 0.55± acre tract located at 911, 913 and 919 Davis Street, SW from Residential-II (R-II) to Heavy Industrial (H-I) for a poultry processing plant expansion was approved with conditions.

2020- A request by the City of Gainesville to rezone 39.0± acres consisting of 25 properties located within Midtown Gainesville from Heavy Industrial (H-I), Light Industrial (L-I), General Business (G-B), Residential-II (R-II) to Office and Institutional (O-I) for existing uses was approved.

2020- A request by Davis Pine, LLC to rezone a 0.47± acre tract located at 890, 892 and 898 Wills Street, SW from General Business (G-B) to Residential-II (R-II) for seven multi-family apartments was approved with conditions.

2020- A request by the Gainesville Non-Profit Development Foundation to rezone a 1.07± acres tract located at 623, 635, 641 and 645 Davis Street, SW from General Business (G-B) and Heavy Industrial (H-I) to Residential-II (R-II) for four single-family homes was approved with conditions

▪ **Staff Analysis**

(1) Is the proposed use suitable in view of the zoning and development of adjacent and nearby property?

The property is currently undeveloped and is located within Gainesville Industrial Park South and within the Airport Overlay Zone. Adjacent uses include Poly Enterprises manufacturing, Ace Hardware distribution center and Lee Gilmer Memorial Airport. The surrounding properties are zoned Heavy Industrial (H-I). A segment of the Highlands to Islands multi-use trail will soon be located adjacent to the property on the north side of Palmour Drive.

(2) Will the proposed use adversely affect the existing use or usability of adjacent or nearby property?

The subject property is located directly adjacent to a future segment of the Highlands to Islands multi-use trail network along the northside of Palmour Drive. Construction of this segment of the trail is anticipated to begin during the fall/winter of 2024. According to the applicant's narrative, the noise from the servers can be loud at times when the fans cooling the processing chips have to work at a higher frequency during the summer months in Georgia. The cooling system typically runs 24 hours a day and 7 days a week due to the computer servers operating all the time. While the applicant states the noise decibel levels drop below conversation level (65 dB) values after 100 feet distance, the noise generated by the data mining center will be constant as opposed to the intermittent noise created by the airport and other nearby uses.

Additionally, the Industrial Park South covenants when created stated that no lot or any portion of the property shall be used so as to cause a nuisance such as sound, smoke, fumes, odors, dust or other hazards. Although this covenant has expired, development within the park was designed with this restriction in mind. Therefore, it is staff belief that any future uses should function in a manner that is respectful to nearby businesses.

The mitigation of the noise has not been clearly determined by the applicant and it is unknown how far reaching the impacts may be on nearby properties and the community as a whole. Therefore, staff is recommending denial of this special use request.

(3) Is the proposed use compatible with the purpose and intent of the Comprehensive Plan?

The Future Development Map for the City of Gainesville places the property within the *Industrial* land use category which includes a wide range of office, business, light industrial, manufacturing, research, and development uses; and commercial uses that directly support or are otherwise linked to the dominant business use.

According to the Character Area map for the City of Gainesville, the subject property is located within the *Economic Development Gateways character area*. This character area represents the industrial, warehousing and other commercial enterprises that parallel the I-985 and Norfolk-Southern railroad corridor. The primary vision for the area is to continue to support economic development while preserving and strengthening important natural and cultural resources, and environmental sustainability. These areas include a wide range of office, business, light industrial, manufacturing, research, and development uses; and commercial uses that directly support or are otherwise linked to the dominant business use.

(4) Are there substantial reasons why the property cannot or should not be used as currently zoned?

According the Gainesville Unified Land Development Code, the Heavy Industrial (H-I) District is intended for the location of primarily light and heavy manufacturing uses with *limited* restrictions on off-site impacts such as noxious odors, dust, fumes, gas, noise, and vibration. Some permitted or special uses may be objectionable due to the emission of noise, vibration, smoke, dust, gas, fumes, odors, or radiation and that may create fire or explosion hazards or other objectionable conditions. Special uses in this district include those uses known to create a severe safety hazard or to be major producers of air pollution, thus being subject to state and/or federal environmental controls.

(5) Will the proposed use cause an excessive or burdensome use of public facilities or services, including but not limited to streets, schools, water or sewer utilities, and police or fire protection?

Existing infrastructure such as water, sewer and access are in place to serve the proposed use. Nearby developments currently utilize City water and sewer services have sufficient capacity to serve the development. Gainesville Fire Station #1 off of Queen City Parkway is located approximately 1.95 miles away. The applicant does not anticipate there will be impacts to traffic given that the use does not require on going staff to operate and customers are unlikely to visit the location in person. The proposed use is nonresidential and will have no impacts to the school system.

(6) Is the proposed use supported by new or changing conditions not anticipated by the Comprehensive Plan or reflected in the existing zoning on the property or surrounding properties?

As previously stated, the surrounding area is heavy industrial and there is a large public investment being made into this area. Future industrial uses and public investment were both anticipated by the Comprehensive Plan. However, the proposed use appears to create noises and disturbances that are not supported by the changing conditions.

(7) Does the proposed use reflect a reasonable balance between the promotion of the public health, safety, morality, or general welfare and the right to unrestricted use of property?

Due to the nature of the proposed use and potential sound disturbance, staff feels the proposal does not reflect or promote a reasonable balance between the promotion of the public health, safety, morality, or general welfare and the right to unrestricted use of the property.

▪ **Staff Recommendation**

The Planning Division staff is recommending **denial** of the proposed special use request within **Heavy Industrial (H-I) zoning**, based on the Comprehensive Plan and the potential negative impacts to nearby properties and the Highlands to Islands multi-use trail.

Excerpts from the March 12, 2024 PAB Meeting Minutes

Applicant Presentation: **Viral Chhadua**, 2313 Crystal Court, apologized for being hostile to the staff and misunderstood what he was supposed to accomplish at the last meeting. He stated they had revised the concept plan to address noise concerns, the future plan for the trail being 100-feet to 120-feet and added buffer with the data huts perpendicular, he believes anyone walking the trail will only hear a hum.

FAVOR: None

OPPOSE: None

Board Member Comments: **Vice-Chair Thompson** asked the approximate height of the huts and the applicant replied eight and a half feet.

Chairman Carter reminded the Board of the proposed conditions that had been provided by Mr. Tate if there was a consideration for approval.

There was a motion to recommend conditional approval of the special use request for a data mining facility having a zoning of Heavy Industrial (H-I) with the following conditions:

Conditions

- 1. The subject property shall be limited to the two 10' x 18' data center huts as shown on the revised site/landscape plan and shall be oriented in the same manner.**
- 2. The proposed data huts shall be sufficiently screened with existing and new vegetation and trees as depicted on the site/landscape plan, subject to the approval of the Community and Economic Development Director.**
- 3. All new fencing shall be chain-link coated with black color vinyl.**

4. **All access point design for the subject property shall be submitted for review by the Gainesville Public Works Director, and approval of said design shall be required prior to issuance of a building permit. All required access/traffic/sidewalk improvements associated with the proposed development shall be at the full expense of the developer/property owner.**

City of Gainesville Planning & Zoning

HadjPaj Technologies LLC is proposing to use the 1.3 acre lot located at 1176 Palmour Drive in Gainesville's Industrial park for a HPC (High Powered Computing) Server Center. The lot is currently zoned H-I and is being unused. HadjPaj Technologies with the help of local electrical contractors will set up the necessary electrical equipment to power these HPC Servers. This will require minimal land disturbance as we only need about 3000-5000 sqft of space to operate. The traffic will be minimal outside of the initial setup and configuration of the servers.

The noise from these servers can be loud at times when the fans cooling the processing chips tends to have to work at a higher frequency during the summer months in Georgia. However, these noise levels drop down below conversation level (65 dB) values after 100 feet distance. There are several other ways for us to mitigate any noise issues that may arise, however, we have chosen this site specifically due to its distance from any residential area, and the surrounding sites being industrial warehouses and the Gainesville airport.

- Proposed Rezoning Ordinance 2024-07

Meeting Date: April 16, 2024

Purpose of Request:

To conduct a public hearing regarding the following zoning request as presented at the March 12, 2024, Planning and Appeals Board meeting.

Facts & Issues / History & Background:

The applicant is proposing to rezone the subject property in order to construct a single-family home. The property previously contained a single-family home ten years ago that was demolished due to fire damage. The proposed ranch-style home is 1,878 square feet in size, of which 1,382 square feet will be heated. The home will have 3 bedrooms, 2 bathrooms and a two-car garage. The property has an existing private septic system that has been inspected and will be reused for the proposed home. Adjacent uses include single-family homes, United Community Bank and Primrose School of Gainesville.

Department Recommendation:

Staff and PAB recommended approval with one condition. See the PAB Recommendation report for details and excerpts from the meeting minutes.

SAMPLE MOTIONS:

Approval of Ordinance 2024- 07:

I move to approve the ordinance to rezone the subject property from Neighborhood Business (N-B) to Residential-I (R-I) with one condition as presented.

Denial of the Request:

I move to deny the request.

STATE OF GEORGIA HALL COUNTY NOTICE OF HEARING

YOU ARE HEREBY NOTIFIED that on the 2nd day of April, 2024 at 9:00 a.m., at the Hall County Courthouse in Gainesville, Georgia, the presiding Judge of the Superior Court of Hall County, Georgia, will hear the case of State of Georgia v. Housing Authority of the City of Gainesville, Georgia and Harrison Village Phase I, LP, Civil Action File Number 2024CV000423, the same being a proceeding to confirm and validate its Multifamily Note (Governmental Note) (Harrison Village Apartments) (the "Governmental Note"), issued in an aggregate principal amount not to exceed Twenty-Eight Million Dollars (\$28,000,000) and the security for such Governmental Note. The proceeds of the Governmental Note are being lent by the Housing Authority of the City of Gainesville, Georgia (the "Issuer") to Harrison Village Phase I, LP, a Georgia limited partnership (the "Owner"), in order to (i) pay all or a portion of the costs of acquisition, construction, renovation, and equipping of an existing affordable multifamily housing facility to be known as Harrison Village Apartments, containing approximately one hundred twenty (120) units (the "Project"); (ii) fund certain reserves; and (iii) pay the costs of issuance of the Governmental Note. The Issuer will lend the proceeds of the Governmental Note to the Owner pursuant to a Project Loan Agreement dated as of April 1, 2024, or such other date as agreed by the parties (the "Project Loan Agreement"), among the Issuer, The Bank of New York Mellon Trust Company,

N.A., as fiscal agent (the "Fiscal Agent"), and the Owner, which obligates the Owner to pay to the Issuer such loan payments at such times and in such amounts as will be sufficient to pay the principal of, premium (if any), and interest on the Governmental Note, as and when the same become due. To secure its obligation to pay the principal of, premium (if any), and interest on the Governmental Note, the Issuer will assign and pledge to the Initial Funding Lender, and grant a security interest in, all of its right, title, and interest (except for the Unassigned Rights, as defined in the Funding Loan Agreement, as hereinafter defined) in the Project Loan Agreement, and all revenues, payments, receipts, and monies to be received and held thereunder, all pursuant to the Funding Loan Agreement dated as of April 1, 2024, or such other date as agreed to by the parties (the "Funding Loan Agreement"), among the Issuer, Fiscal Agent, and JPMorgan Chase Bank, N.A., as Initial Funding Lender (the "Initial Funding Lender"). The Project being financed with the proceeds of the Governmental Note is located within the corporate limits of Hall County, Georgia. In said proceeding, the Court will also pass upon the validity of the Act and upon the validity of the Governmental Note, Project Loan Agreement, Funding Loan Agreement, Security Instrument, and Land Use Restriction Agreement and certain related matters and documents. Any citizen of the State of Georgia residing in Hall County, Georgia, or any other person wherever residing who has a right to object, may intervene and may become a party to this proceeding.

THE ISSUER WILL NOT CONDUCT ANY "PERFORMANCE AUDIT" OR "PERFORMANCE REVIEW" WITH RESPECT TO THE GOVERNMENTAL NOTE AS SUCH TERMS ARE DESCRIBED IN O.C.G.A. § 36-82-100.
This 11th day of March, 2024.

RECOMMENDATION**

Applicant Constantino Gutierrez
Property Owner Constantino Real Estate, LLC
Location 934 Etta Vesta Circle, NE
Request Rezone to from N-B to R-I
Total Acres 0.38± acre
Ward One
Proposed Use Single-family home
Planning Division Staff Recommendation **Approval, with condition**
Planning & Appeals Board Recommendation **Approval, with condition**
Date March 12, 2024

▪ **Applicant's Proposal and Background Information**

The applicant is proposing to rezone the subject property in order to construct a single-family home that is intended to be for sale. The proposed ranch-style home is 1,878 square feet in size of which 1,382 square feet will be heated. The home will have 3 bedrooms and 2 bathrooms and a two car garage. The existing private septic system has been inspected and will be reused for the proposed home. The property previously contained a single-family home ten years ago that was demolished due to fire damage.

Adjacent Land Use and Zoning

Location	Use	Zoning
North	Single-family home	Planned Unit Development (P-U-D)
South	Primrose School of Gainesville; United Community Bank	Planned Unit Development (P-U-D)
East	Single-Family Home	Residential-I (R-I)
West	Single-family home	Neighborhood Business (N-B)

▪ **Other Departmental Comments**

There were no departmental comments for this request.

▪ **Zoning History**

The following zoning actions have taken place in the immediate area during the last ten years:

2023 – A request by Eric Owens for site plan approval on a 0.34± acre tract zoned Residential and Office (R-O) located at 1714 Thompson Bridge Road was conditionally approved for an office building.

2022 – A request by Easto Construction to amend a 4.847± acres tract zoned Planned Unit Development (P-U-D) located at 2702 High Visa Point, NE was withdrawn to the City Council meeting for 50 residential townhomes.

2019 – A request by the City of Gainesville to rezone a 0.5± acre tract from Residential-I (R-I) to Neighborhood Business (N-B) located at 1831 Thompson Bridge Road, NW was conditionally approved for an office.

▪ **Staff Analysis**

(1) Is the proposed use suitable in view of the zoning and development of adjacent and nearby property?

The property is located within an established residential neighborhood with homes built in the 1950's, 60's and 70's. Nonresidential development occurred later along Thompson Bridge Road and nearby Sandridge Court. The proposed single-family home appears suitable with the adjacent single-family properties.

(2) Will the proposed use adversely affect the existing use or usability of adjacent or nearby property?

The proposed single-family home should not adversely affect the adjacent or nearby property and appears to be in scale with the surrounding properties. The proposal will reestablish a single-family home on the property that previously burned down.

(3) Is the proposed use compatible with the purpose and intent of the Comprehensive Plan?

The Future Development Map for the City of Gainesville places the subject property within *Single-Family Residential* land use category. Single-Family Residential includes areas containing or planned for single-family detached or semi-detached housing at densities ranging from four to six dwelling units per acre.

According to the Character Area map for the City of Gainesville, the subject property is located within the *Lake District*. The main character area driver is the presence of Lake Lanier and its distinctive rolling landscape. New housing will be a major source of growth for the area and should feature a wide range of product, from townhouses to high-end single-family detached homes. The area should maintain and advance a residential focus on both sides of the Lake Lanier bridge, combining traditional neighborhood development (TND) walkability with the natural character of the Country Club. The character area can accommodate limited mixed-use and commercial growth, but it must be carefully planned to avoid suburban sprawl. Land uses allowed in the Lake District are Parks and recreation, single-family residential, limited multi-family residential, limited general mixed-use, limited commercial (retail and office) and public and institutional uses.

(4) Are there substantial reasons why the property cannot or should not be used as currently zoned?

The property was previously part of a larger rezoning request in 2007 for a commercial and office development that was never developed. Downzoning the property from N-B to R-I for a single-family home is logical given the subject property is no longer part of an assemblage and has historically remained residential.

(5) Will the proposed use cause an excessive or burdensome use of public facilities or services, including but not limited to streets, schools, water or sewer utilities, and police or fire protection?

The change from N-B zoning to R-I zoning should not substantially affect public facilities or services.

The property has an existing water meter and capacity is sufficient to serve the proposed development. The new home will utilize an existing private septic system as public sewer is not available. Gainesville Fire and Police Departments currently respond to adjacent and nearby

properties and Gainesville Fire Station #3 located off of Nancy Creek Road is approximately 2.2± miles from the subject property.

Additional traffic generated on Etta Vesta Circle and Thompson Bridge Road will be minimal.

The impact to the City School System should be minimal given school bus route currently serves the immediate area.

(6) Is the proposed use supported by new or changing conditions not anticipated by the Comprehensive Plan or reflected in the existing zoning on the property or surrounding properties?

It is staff's opinion the residential use appears to be consistent with existing and expected uses of the Future Land Use and Character Area Maps. It is anticipated the interior lots fronting Etta Vesta Circle are anticipated to remain as single-family residential and future commercial growth may occur on lots fronting Thompson Bridge Road.

(7) Does the proposed use reflect a reasonable balance between the promotion of the public health, safety, morality, or general welfare and the right to unrestricted use of property?

Based on the subject property's proximity to other single-family residential properties, the proposed rezoning request with the recommended zoning condition appears to promote a reasonable balance between the promotion of the public health, safety, morality, or general welfare, and the right to unrestricted use of property.

▪ **Staff Recommendation**

The Planning Division staff is recommending **conditional approval** of this rezoning request with **Residential-I (R-I)** zoning, based on the Comprehensive Plan and the adjacent residential land uses.

Condition

The proposed single-family home shall be generally consistent with the architectural elevation and floor plan submitted with the rezoning application, subject to the approval of the Community and Economic Development Director.

Excerpts from the March 12, 2024 PAB Meeting Minutes

Applicant Presentation: Jimmy Marqueuz, 2542 Paula Drive, stated the home will be similar to other homes with the original zoning of Residential-I that is consistent with the neighborhood.

FAVOR: Glyn Crowe, 6736 Shoal Creek Road, Clermont, stated he is pleased for the change in zoning to residential.

OPPOSE: None

There was a motion to recommend conditional approval to rezone the subject property for a single-family home from Neighborhood Business (N-B) to Residential-I (R-I) with the following condition:

Condition

The proposed single-family home shall be generally consistent with the architectural elevation and floor plan submitted with the zoning application, subject to the approval of the Community and Economic Development Director.

Rezoning Narrative 934 Etta Vista Circle

This property is currently zoned N-B Neighborhood business commercial use. We are requesting a rezoning to Residential-1 (R-1). The purpose will be to construct a new single family residence. The single family home will be a ranch style 3 bedroom 2 bath approximately 1800sqft. Our intent is to construct and sell the single family home.

The existing zoning of the adjacent properties is Residential. Previous owners owner acquired the commerical use zoning as part of a large scale commerical project that did not occur.

In conclusion we feel this zoning is ideal for the surrounding properties. As our plans show our single family home will be similar to the existing properties and only add to the surrounding property values.

Mayor/Council Agenda Request

Item Created: April 11, 2024
Date Submitted: April 11, 2024
Final Approval Date: April 11, 2024
Presenter: Abb Hayes, City Attorney
Item of Business: Request from **Mayra Valentin** for a special use on a 2.84± acres tract located at the terminus of Hospital Drive, east of Atlanta Highway with road frontage on Stinger Avenue (a/k/a **787 Hospital Drive, SW**), having a zoning of General Business (G-B). **Ward Number: Five**. Tax Parcel Number(s): 01-132-005-015. **Request: Special event center.**

- Proposed Zoning Resolution ZR-2024-05

Meeting Date: April 16, 2024

Purpose of Request:

To conduct a public hearing regarding the following zoning request as presented at the March 12, 2024, Planning and Appeals Board meeting.

Facts & Issues / History & Background:

The applicant is proposing a special use within General Business (G-B) zoning for a special event center (banquet hall) known as 787 La Hacienda Events. The event center is currently in operation and occupies about 3,000± square feet of the existing 7,200± square foot building. The building was originally constructed in 1934 and was previously the location of the Top of Gainesville adult entertainment venue. The building was renovated and received a Certificate of Occupancy (CO) for the existing 787 Hacienda restaurant, but a CO was never approved for the event center. The event facility hosts weddings, quinceañeras, corporate events and family gatherings that will cater to the Hispanic community for up to 250 people. Special events are scheduled mostly on weekends from 4 PM to 1:30 AM, but could also be held during the weekdays. Existing access and parking will remain unchanged. The adjacent uses include auto repair shops, upholstery shop and single-family homes.

Department Recommendation:

Staff and PAB recommended approval with three conditions. See the PAB Recommendation report for details and excerpts from the meeting minutes.

SAMPLE MOTIONS:

Approval of Resolution ZR-2024-05:

I move to approve the resolution to allow a special event center within General Business (G-B) zoning district with three conditions as presented.

Denial of the Request:

I move to deny the request.

STATE OF GEORGIA HALL COUNTY NOTICE OF HEARING

YOU ARE HEREBY NOTIFIED that on the 2nd day of April, 2024 at 9:00 a.m., at the Hall County Courthouse in Gainesville, Georgia, the presiding Judge of the Superior Court of Hall County, Georgia, will hear the case of State of Georgia v. Housing Authority of the City of Gainesville, Georgia and Harrison Village Phase I, LP, Civil Action File Number 2024CV000423, the same being a proceeding to confirm and validate its Multifamily Note (Governmental Note) (Harrison Village Apartments) (the "Governmental Note"), issued in an aggregate principal amount not to exceed Twenty-Eight Million Dollars (\$28,000,000) and the security for such Governmental Note. The proceeds of the Governmental Note are being lent by the Housing Authority of the City of Gainesville, Georgia (the "Issuer") to Harrison Village Phase I, LP, a Georgia limited partnership (the "Owner"), in order to (i) pay all or a portion of the costs of acquisition, construction, renovation, and equipping of an existing affordable multifamily housing facility to be known as Harrison Village Apartments, containing approximately one hundred twenty (120) units (the "Project"); (ii) fund certain reserves; and (iii) pay the costs of issuance of the Governmental Note. The Issuer will lend the proceeds of the Governmental Note to the Owner pursuant to a Project Loan Agreement dated as of April 1, 2024, or such other date as agreed by the parties (the "Project Loan Agreement"), among the Issuer, The Bank of New York Mellon Trust Company,

N.A., as fiscal agent (the "Fiscal Agent"), and the Owner, which obligates the Owner to pay to the Issuer such loan payments at such times and in such amounts as will be sufficient to pay the principal of, premium (if any), and interest on the Governmental Note, as and when the same become due. To secure its obligation to pay the principal of, premium (if any), and interest on the Governmental Note, the Issuer will assign and pledge to the Initial Funding Lender, and grant a security interest in, all of its right, title, and interest (except for the Unassigned Rights, as defined in the Funding Loan Agreement, as hereinafter defined) in the Project Loan Agreement, and all revenues, payments, receipts, and monies to be received and held thereunder, all pursuant to the Funding Loan Agreement dated as of April 1, 2024, or such other date as agreed to by the parties (the "Funding Loan Agreement"), among the Issuer, Fiscal Agent, and JPMorgan Chase Bank, N.A., as Initial Funding Lender (the "Initial Funding Lender"). The Project being financed with the proceeds of the Governmental Note is located within the corporate limits of Hall County, Georgia. In said proceeding, the Court will also pass upon the validity of the Act and upon the validity of the Governmental Note, Project Loan Agreement, Funding Loan Agreement, Security Instrument, and Land Use Restriction Agreement and certain related matters and documents. Any citizen of the State of Georgia residing in Hall County, Georgia, or any other person wherever residing who has a right to object, may intervene and may become a party to this proceeding.

THE ISSUER WILL NOT CONDUCT ANY "PERFORMANCE AUDIT" OR "PERFORMANCE REVIEW" WITH RESPECT TO THE GOVERNMENTAL NOTE AS SUCH TERMS ARE DESCRIBED IN O.C.G.A. § 36-82-100.

This 11th day of March, 2024.

GAINESVILLE PLANNING and APPEALS BOARD RECOMMENDATION

Applicant Mayra Valentin
Property Owner Angel Retana
Location 787 Hospital Drive, SW
Request Special use within G-B zoning
Total Acres 2.84± acres
Ward Five
Proposed Use Special event center
Planning Division Staff Recommendation **Approval, with conditions**
Planning & Appeals Board Recommendation **Approval, with conditions**
Date March 12, 2024

▪ **Applicant's Proposal and Background Information**

The applicant is proposing a special use within General Business (G-B) zoning for a special event center (banquet hall) known as 787 La Hacienda Events. The event center is currently in operation and occupies about 3,000± square feet of the existing 7,200± square foot building. The building was originally constructed in 1934 and was previously the location of the Top of Gainesville adult entertainment venue. The building was renovated and received a Certificate of Occupancy (CO) for the existing 787 Hacienda restaurant, but zoning and a CO were never approved for the event center. The event facility hosts weddings, quinceañeras, corporate events and family gatherings that will cater to the Hispanic community for up to 250 people. Special events are scheduled mostly on weekends from 4 p.m. to 1:30 a.m. but could also be held during the weekday. Parking is provided on site and security will be provided for larger events. Existing access and parking will remain unchanged.

▪ **Adjacent Land Use and Zoning**

Location	Use	Zoning
North	Single-family homes	Residential-II (R-II) -County Highway Business (H-B) -County
South	Auto repair shops	Light Industrial (I-I) -County
East	Single-family homes	Residential-II (R-II) -County
West	Auto repair shops	Light Industrial (L-I) -City

▪ **Other Departmental Comments**

There were no other department comments regarding this request.

▪ **Zoning History**

The following zoning actions have taken place in the immediate area during the last ten years:

2023 – A request by Jose Carrillo to rezone a 1.42± acres tract located at 805 Hospital Drive, SW from General Business (G-B) to Planned Unit Development (P-U-D) for a mixed-use development was approved with conditions.

2022 – A request by Arturo Maruri to annex a 0.32± acre tract located at 1511 and 1514 Ralston Street with Residential-I (R-I) zoning for sewer for two single-family homes was approved.

2018 – A request by David Gijon to annex a 0.12± acre tract located at 1509 Ralston Street with Residential-I (R-I) zoning for sewer for a new single-family home was approved.

2015 – A request by Armando Castaneda to annex a 0.20± acre tract located at 1321 Hazel Street with Residential-II (R-II) zoning for sewer for an existing single-family home was approved.

2014 – A request by Swann Drive Villas, LLC to annex a 1.63± acres tract located at 1297 Swann Drive with Residential-II (R-II) zoning and to rezone a 1.78± acres tract located at 620 Pearl Nix Parkway from Light Industrial (L-I) to Residential-II (R-II) for multi-family apartments was approved with conditions.

2014 – A request by Ben F. Castleberry to annex a 0.19± acre tract located at 1322 Hazel Street for sewer was approved with Residential-II (R-II) zoning.

▪ **Staff Analysis**

(1) Is the proposed use suitable in view of the zoning and development of adjacent and nearby property?

The surrounding uses includes residential, commercial and industrial uses zoned Residential-II (R-II), General Business (G-B), Highway Business (H-B) and Light Industrial (L-I). The property currently functions as a restaurant and the special event center is in operation without a Certificate of Occupancy (CO). It appears the proposed use is suitable given the adjacent and nearby uses.

(2) Will the proposed use adversely affect the existing use or usability of adjacent or nearby property?

The existing building was renovated and a CO was issued for the existing restaurant in 2019. While the existing special event facility is currently operating without a valid CO, there have been no reported issues that have affected the use or usability of the adjacent or nearby properties. The perimeter of the property is heavily vegetated the outdoor patio area is screened with an opaque fence which sufficiently buffers the use from the adjacent residential uses. Sufficient on-site parking is provided for the restaurant and event space.

(3) Is the proposed use compatible with the purpose and intent of the Comprehensive Plan?

The Gainesville Comprehensive Plan places the subject property within the *General Mixed-Use* Future Land Use category and the *Westside* Character Area. Appropriate uses include areas containing or planned for a mixture of land uses including office, neighborhood retail, and detached and attached residential. The types of non-residential uses that are desirable in this area would include restaurants, specialty retail, and low-intensity office. A vision of the Westside Character Area is to create a plan for the Atlanta Highway corridor targeted at reducing visual clutter, improving building aesthetics, and spotlighting the area's unique international character. New infill development should be encouraged in areas with distressed housing, vacant and underutilized commercial buildings, and vacant lots.

(4) Are there substantial reasons why the property cannot or should not be used as currently zoned?

The subject property is zoned General Business (G-B) and will remain unchanged. Event centers accommodating 100 or more patrons requires special use approval.

(5) Will the proposed use cause an excessive or burdensome use of public facilities or services, including but not limited to streets, schools, water or sewer utilities, and police or fire protection?

Public water, sewer and public safety currently serve the subject property and are sufficient. Presently, City public safety services respond to the subject property. Gainesville Fire Station #1 is located approximately 1.5± miles away off of Queen City Parkway.

Traffic generated from the existing restaurant and special event facility could vary based on the type of event and number of patrons attending. According to the Institute of Transportation Engineers (ITE) Trip Generation Handbook (9th Edition), an event center is not listed as one of the studied uses. A Traffic Impact Study was not required for the proposal.

The proposed use is nonresidential and should have no impacts on the Gainesville City School System.

(6) Is the proposed use supported by new or changing conditions not anticipated by the Comprehensive Plan or reflected in the existing zoning on the property or surrounding properties?

It is staff's opinion the proposed use is consistent with the Comprehensive Plan. The property is located adjacent to a commercial corridor and an established residential district. It is expected that many of the properties located off of Hospital Drive will continue to experience turnover of new uses occupying older retail space. Redevelopment is encouraged in this area which may require a consolidation of properties to achieve this.

(7) Does the proposed use reflect a reasonable balance between the promotion of the public health, safety, morality, or general welfare and the right to unrestricted use of property?

Based on the Comprehensive Plan and the adjacent mixture of uses, the proposed special use request appears to reflect a reasonable balance between the promotion of the public health, safety, morality, or general welfare and the right to unrestricted use of property.

Special Use Criteria

(1) The type of street providing access to the subject property is adequate to serve the proposed Special Use.

Per the code, a special event facility should front an arterial or collector road. Hospital Drive is a 25 foot wide local road which can experience times of congestion due to deliveries and cars being parked on either side of the road. However, access and parking do not appear to be an issue as access is at the terminus of Hospital Drive and there is sufficient on-site parking are provided.

(2) Access into and out of the property adequately provides for traffic and pedestrian safety, the anticipated volume of traffic flow, and access by emergency vehicles.

There are no sidewalks on Hospital Drive for pedestrian access. Emergency access is gained from Atlanta Highway directly to Hospital Drive and Fire Station #1 is located 1.5 miles off of Queen City Parkway. No additional vehicular or pedestrian access improvements are anticipated at this time for the proposed use.

(3) Public facilities such as schools, water or sewer utilities, and police or fire protection are adequate to serve the Special Use.

Existing public facilities such as water and sewer are adequate to serve the proposed use. Police and Fire currently serve the subject property. There will be no impact on schools.

(4) Refuse, service, parking and loading areas on the property are located and screened to protect other properties in the area from such adverse effects as noise, light, glare or odor.

The existing refuse, service, parking and loading areas are adequate to serve the proposed use. Lighting and security cameras are currently provided within the existing parking areas. The building and parking areas are currently buffered by heavy vegetation and the outdoor patio area is buffered by an opaque fence.

(5) The hours and manner of operation of the Special Use have no adverse effects on other properties in the area.

The anticipated event hours are mostly on weekends from 4 p.m. to 1:30 a.m. Staff is recommending the hours be limited to no later than 1:00 a.m. to be consistent with previously approved special event facilities.

(6) The height, size and location of the buildings or other structures proposed on the property are compatible with the height, size or location of buildings or other structures on neighboring properties.

The existing building will remain unchanged. The event space is confined to the interior of the building and a connecting outdoor patio area behind the building.

▪ **Staff Recommendation**

The Planning Division staff is recommending **conditional approval** of the special use request based on the Comprehensive Plan and the adjacent mixture of uses.

Conditions

1. All special events shall be confined to the interior of the building and the existing outdoor patio area occupied by the special event facility.
2. No outside amplification shall be permitted as part of the special event facility.
3. The hours of operation for the special event facility shall be limited to no later than 1:00 a.m., Monday through Sunday.

Excerpts from the March 12, 2024 PAB Meeting Minutes

Applicant Presentation: Angel Retana, 606 Atlanta Highway, property owner and was remodeled before Covid but afterwards changed the business from a restaurant to a banquet hall with an occupancy of 450 patrons. He advised due to being so busy with other businesses it is being leased to a person that is respected in the community and knowledgeable of the

business. Mr. Retana believes it is a great location for the business in the Hispanic community for banquets and celebrations.

FAVOR: None

A Hispanic owned Banquet Hall in Gainesville, GA

Introduction:

In the heart of Gainesville, Georgia, a culinary dream is taking shape. Imagine a vibrant and welcoming banquet hall, designed to celebrate the rich tapestry of Hispanic culture. With your passion for the restaurant industry and the desire to expand, we present to you 787 La Hacienda Events a future banquet hall catering to the Hispanic community in Gainesville.

The Concept:

787 La Hacienda Events is envisioned as a place where the Hispanic community and all those who appreciate their culture can come together to celebrate life's most precious moments. From weddings and quinceañeras to corporate events and family gatherings, this banquet hall will offer a warm and authentic atmosphere to host unforgettable occasions.

Location:

To capture the essence of Gainesville, will be strategically located in a central area, easily accessible to residents and visitors alike. The choice of location will reflect a commitment to being an integral part of the community and promoting the city's cultural diversity.

Décor and Ambiance:

The interior will be a feast for the eyes, inspired by the vibrant colors, patterns, and traditions of Hispanic culture.

Services:

Our commitment to exceptional service will be unwavering. Experienced staff will ensure every event runs seamlessly, from planning to execution. Customizable packages, event coordination, and bilingual support will be available to meet the unique needs of our clients.

Community Engagement:

787 La Hacienda Events won't just be a venue; it will be a pillar of the Hispanic community in Gainesville. We envision hosting cultural events, cooking classes, religious ceremonies, and fundraisers to give back to the city we call home. Building strong ties with local businesses and organizations will be a priority.

Conclusion:

In Gainesville, Georgia, 787 La Hacienda Events will be more than just a banquet hall; it will be a destination where Hispanic culture thrives, and memories are made. With your passion for the restaurant industry and a dream to expand, this venture holds the potential to become a cherished addition to the vibrant tapestry of Gainesville's culinary scene. Together, we can turn this vision into a reality and create a haven of celebration and cultural appreciation.

**CERTIFICATE OF HEARING OFFICER ON BEHALF OF THE
HOUSING AUTHORITY OF THE CITY OF GAINESVILLE, GEORGIA
REGARDING PUBLIC HEARING**

The undersigned Hearing Officer on behalf of the Housing Authority of the City of Gainesville, Georgia (the "Authority") HEREBY CERTIFIES as follows:

(1) A Public Hearing was duly held on September 15, 2023 at 10:00 a.m., by telephone through the use of a toll-free teleconference, at phone number (800) 726-5670, with Access Code: 36421245, pursuant to proper notice given in accordance with law as to the time and place of this hearing prior to such hearing. The hearing was open to the public. The time of the hearing and use of the toll free telephone call provided a reasonable opportunity for persons of differing views to be heard.

(2) The Hearing Officer announced the commencement of the public hearing on the application of Paces Preservation Partners, a Georgia limited liability company (the "Borrower"), and that the Authority had caused the publication of a notice at least seven (7) days prior to the hearing in *The Times*, a newspaper being the county organ and having general circulation in the City of Gainesville, Hall County, Georgia (the "Notice"). A copy of the Notice has been filed and appears of record in the Minute Book of the Authority and is attached hereto together with an affidavit of publication as Exhibit "A".

(3) During the hearing, no persons asked to be heard with respect to the granting by the Authority of the financial assistance requested by the Borrower and the financing of the Project referred to in the Notice. Therefore, no comments or objections were voiced by anyone.

No one else having appeared to speak on the matter, the Hearing Officer declared the public meeting closed at 10:30 a.m.

(4) Based on the results of the hearing, it is the recommendation of the undersigned on the behalf of the Authority that the Mayor and the Council of the City of Gainesville approve the issuance of the Bonds to the extent required by Section 147(f) of the Internal Revenue Code, as amended.

Signed and submitted on behalf of the Authority this 15th day of September, 2023.

IN THE SUPERIOR COURT OF HALL COUNTY
STATE OF GEORGIA

STATE OF GEORGIA,

Plaintiff,

v.

HOUSING AUTHORITY OF THE CITY
OF GAINESVILLE, GEORGIA and
HARRISON VILLAGE PHASE I, LP,

Defendants.

CIVIL ACTION

FILE NO.: 2024CV000423

FINAL VALIDATION ORDER

The above-styled cause having come on to be heard pursuant to a *Rule Nisi Order* heretofore entered, and it appearing, from an examination and inspection of all proceedings concerning the Housing Authority of the City of Gainesville, Georgia Multifamily Note (Governmental) (Harrison Village Apartments) (the “Governmental Note”) issued in an aggregate principal amount not to exceed \$28,000,000 described in the pleadings of this cause, that the same are regular and in due form and, after inspection of the record and hearing the evidence in all matters bearing upon the Governmental Note and the right of the Housing Authority of the City of Gainesville, Georgia (the “Issuer”) to issue them and the security therefor, that service of the *Petition and Complaint* and *Rule Nisi Order* have been duly and legally acknowledged by each of the Defendants, that the Defendants are properly before the Court, have filed their defensive pleadings in accordance with law, and are subject to and have submitted to the jurisdiction of this Court, and all issues in the case are properly before the Court and ready for adjudication in due and legal time, form, and manner, and that the Governmental Note is regular and in due form, and that the allegations of the *Petition and Complaint* are true and, after considering the evidence on all matters bearing upon all issues involved and upon

consideration of the law of the case, **IT IS DETERMINED, DECLARED, ORDERED, AND ADJUDGED** that, as a matter of fact and as a matter of law:

1.

The Defendants, the Issuer and Harrison Village Phase I, LP (the “Owner”), are proper parties in this case and this Court has jurisdiction over the subject matter of this proceeding, and the parties thereto are properly before this Court.

2.

Pursuant to The Housing Authorities Law of the State of Georgia, O.C.G.A. § 8-3-1 *et seq.*, as amended (the “Act”), the Issuer was legally created as a public body corporate and politic, and was and is duly authorized to issue the Governmental Note for the purposes and in the manner stated in the pleadings of this cause, and the Issuer was and is legally authorized to and is taking all proper and necessary steps in issuing and securing the Governmental Note. The project being financed by the Governmental Note, as defined and described in the pleadings of this cause, constitutes a “project” within the meaning of the Act.

3.

Pursuant to the powers granted under the Constitution and laws of the State of Georgia, including the Act, the Issuer has properly authorized the execution and delivery of the Project Loan Agreement dated as of April 1, 2024, or such other date agreed to by the parties, among the Issuer, The Bank of New York Mellon Trust Company, N.A., as fiscal agent (the “Fiscal Agent”), and the Owner (the “Project Loan Agreement”), referred to and made a part of the pleadings of this action, which Project Loan Agreement and the payments to be made thereunder (except Unassigned Rights, as defined in the Funding Loan Agreement) have been pledged as security for the Governmental

Note and which Project Loan Agreement, upon the execution and delivery of same, will constitute a legal, valid, binding, and enforceable obligation of the Issuer.

4.

The Owner has properly authorized the promissory note given to evidence the obligation of the Owner to make loan payments sufficient to pay the principal of, premium (if any), and interest on the Governmental Note, which project note will be dated the date of issuance of the Governmental Note and will be in the same principal amount as the Governmental Note (the "Project Note") and the Issuer has properly authorized its endorsement of the Project Note to the order of the Fiscal Agent.

5.

Pursuant to the powers granted under the Constitution and laws of the State of Georgia, including the Act, the Issuer has properly authorized the execution and delivery of the Funding Loan Agreement dated as of April 1, 2024, or such other date agreed to by the parties, among the Issuer, Fiscal Agent, and Initial Funding Lender relating to the Governmental Note (the "Funding Loan Agreement"), which upon its execution and delivery will constitute a valid, binding, and legally enforceable limited obligation of the Issuer.

6.

The Issuer has the right, power, and authority under and by virtue of the Constitution and laws of the State of Georgia to adopt the Bond Resolution (the "Bond Resolution") which is described in the pleadings of this cause and which authorizes the execution and delivery of the Funding Loan Agreement, Project Loan Agreement, Land Use Restriction Agreement, Project Note, an assignment of the Security Instrument (as defined in the Funding Loan Agreement) to the Fiscal Agent, and the issuance of the Governmental Note, a true and correct copy of the Bond

Resolution being a part of the pleadings in this cause; the Bond Resolution has been duly adopted by the Issuer; and the Issuer has the right, power, and authority to enter into the obligations, covenants, and conditions contained in the Bond Resolution, Funding Loan Agreement, and Project Loan Agreement, and all of their terms, covenants, and conditions are hereby in each and every respect confirmed and validated.

7.

The Issuer has properly authorized the execution and delivery of the Land Use Restriction Agreement dated as of April 1, 2024, or such other date agreed to by the parties (the “Land Use Restriction Agreement”), by and among the Issuer, Fiscal Agent, and the Owner, referred to in and made a part of the pleadings of this cause, and pursuant to the Land Use Restriction Agreement, the Project (as defined in the Funding Loan Agreement) will be operated in accordance with Section 142 of the Code and the Act, and the Land Use Restriction Agreement, upon the execution and delivery of same, will constitute a legal, valid, binding, and enforceable obligation of the Issuer.

8.

The Owner has the right, power, and authority to enter into the obligations, covenants, and conditions contained in the Project Loan Agreement, Project Note, Security Instrument, and Land Use Restriction Agreement, which upon their execution and delivery will constitute valid, binding, and legal enforceable obligations of the parties thereto in accordance with their terms, and all of their terms, covenants, and conditions are hereby in each and every respect confirmed and validated.

9.

The Issuer has taken all proper and necessary steps to issue the Governmental Note and to use the proceeds for the purposes stated, and all the acts and doings of the Issuer set forth in the pleadings of this cause are hereby ratified and confirmed.

The Governmental Note does not constitute, and shall not ever constitute, a debt of the Housing Authority of the City of Gainesville, the State of Georgia or any political subdivision thereof, including Hall County and the City of Gainesville, Georgia, and do not directly, indirectly, or contingently obligate said State or any political subdivision thereof, including Hall County and the City of Gainesville, Georgia, to levy or to pledge any form of taxation whatsoever for the payment of the Governmental Note. The obligations of the Issuer to pay the Governmental Note, the interest thereon, and any other obligation under the Project Loan Agreement and Funding Loan Agreement are not general obligations of the Issuer but are limited obligations which shall be payable solely from (a) the Loan Payments (as defined in the Funding Loan Agreement); and (b) all other moneys received by the Issuer or Funding Lender (as defined in the Funding Loan Agreement), except certain expense, reimbursement, and indemnity payments which are, pursuant to the provisions of the Funding Loan Agreement, to be made by the Owner directly to the Issuer or Funding Lender. No recourse shall be had for the payment of the principal of or the interest on the Governmental Note or any other obligation or liability of the Issuer under the Project Loan Agreement or Funding Loan Agreement against any property or assets of the Issuer other than that listed in the preceding sentence or against any officer, director, member, employee, or agent of the Issuer, and no owner of any of the Governmental Note shall ever have the right to compel the exercise of the taxing power of the State of Georgia or any political subdivision thereof, including Hall County and the City of Gainesville, Georgia, to pay the principal of, premium (if any), and interest on the Governmental Note or any other obligation or liability under the Project Loan Agreement or Funding Loan Agreement.

11.

The undertakings for which the Governmental Note are being issued, the issuance of the Governmental Note, and the security therefor are sound, feasible, and reasonable.

12.

The Governmental Note and the security therefor are, and the same are hereby in each and every respect, confirmed and validated, and the Issuer is authorized and empowered to issue and deliver the Governmental Note, and when the Governmental Note is issued in accordance with the Bond Resolution and the Funding Loan Agreement, the same shall be valid, binding, and enforceable limited obligations of the Issuer in accordance with the terms thereof and in accordance with the terms and provisions of the Bond Resolution and Funding Loan Agreement, all of which terms and provisions of the Bond Resolution, Funding Loan Agreement, Land Use Restriction Agreement, Project Loan Agreement, and the Governmental Note are hereby in each and every respect confirmed and validated. Let the Defendants pay the cost of these proceedings from the proceeds of the sale of the Governmental Note.

SO ORDERED this 2 day of April, 2024.

JASON J. DEAL
MAR 12, 2024 02:50 PM

Charles Baker, Clerk
Hall County, Georgia

YOU ARE HEREBY NOTIFIED that on the 2nd day of April, 2024 at 9:00 a.m., at the Hall County Courthouse in Gainesville, Georgia, the presiding Judge of the Superior Court of Hall County, Georgia, will hear the case of *State of Georgia v. Housing Authority of the City of Gainesville, Georgia and Harrison Village Phase I, LP*, Civil Action File Number 2024CV000423, the same being a proceeding to confirm and validate its Multifamily Note (Governmental) (Harrison Village Apartments) (the “Governmental Note”), issued in an aggregate principal amount not to exceed Twenty-Eight Million Dollars (\$28,000,000) and the security for such Governmental Note. The proceeds of the Governmental Note are being lent by the Housing Authority of the City of Gainesville, Georgia (the “Issuer”) to Harrison Village Phase I, LP, a Georgia limited partnership (the “Owner”), in order to (i) pay all or a portion of the costs of acquisition, construction, renovation, and equipping of an existing affordable multifamily housing facility to be known as Harrison Village Apartments, containing approximately one hundred twenty (120) units (the “Project”); (ii) fund certain reserves; and (iii) pay the costs of issuance of the Governmental Note. The Issuer will lend the proceeds of the Governmental Note to the Owner pursuant to a Project Loan Agreement dated as of April 1, 2024, or such other date as agreed by the parties (the “Project Loan Agreement”), among the Issuer, The Bank of New York Mellon Trust Company, N.A., as fiscal agent (the “Fiscal Agent”), and the Owner, which obligates the Owner to pay to the Issuer such loan payments at such times and in such amounts as will be sufficient to pay the principal of, premium (if any), and interest on the Governmental Note, as and when the same become due. To secure its obligation to pay the principal of, premium (if any), and interest on the Governmental Note, the Issuer will assign and pledge to the Initial Funding Lender,

and grant a security interest in, all of its right, title, and interest (except for the Unassigned Rights, as defined in the Funding Loan Agreement, as hereinafter defined) in the Project Loan Agreement, and all revenues, payments, receipts, and monies to be received and held thereunder, all pursuant to the Funding Loan Agreement dated as of April 1, 2024, or such other date as agreed to by the parties (the “Funding Loan Agreement”), among the Issuer, Fiscal Agent, and JPMorgan Chase Bank, N.A., as Initial Funding Lender (the “Initial Funding Lender”). The Project being financed with the proceeds of the Governmental Note is located within the corporate limits of Hall County, Georgia. In said proceeding, the Court will also pass upon the validity of the Act and upon the validity of the Governmental Note, Project Loan Agreement, Funding Loan Agreement, Security Instrument, and Land Use Restriction Agreement and certain related matters and documents. Any citizen of the State of Georgia residing in Hall County, Georgia, or any other person wherever residing who has a right to object, may intervene and may become a party to this proceeding.

THE ISSUER WILL NOT CONDUCT ANY “PERFORMANCE AUDIT” OR “PERFORMANCE REVIEW” WITH RESPECT TO THE GOVERNMENTAL NOTE AS SUCH TERMS ARE DESCRIBED IN O.C.G.A. § 36-82-100.

This 12th day of March, 2024.

CHARLES BAKER, Clerk
Superior Court of Hall County, Georgia
